With the Legion Ants now under his command, Belamus had officially become the chief of the newly renamed village of Beresdral. Determined to lead it to even greater prosperity, he focused his efforts on helping the monsters evolve and grow stronger. But word of this unusual village—where monsters were being led by a mere six-year-old boy—eventually reached the ears of his biological father, Renest. For years, Renest had agonized over the lack of a worthy successor. And now, hearing whispers of this prodigious leader, he made up his mind. He would bring Belamus back.

The Abandoned Reincarnation Sage (Light Novel) - Vol. 1 Miraizin A,2025-08-30 Once hailed as a Sage, he sought peace—not glory. At the end of a long life steeped in power and prestige, the man once celebrated as the Sage casts a reincarnation spell, yearning only for a quiet existence in a future age. But when he awakens in an era that dismisses magic as worthless, he's branded a failure and abandoned in the Forest of Monsters... as a newborn. Left to die, he's miraculously

rescued by a kind-hearted goblin who raises him as her own. Given the name Beramus, the former Sage grows up in a hidden monster village, far from the human realm that cast him out. Determined to repay the goblin who saved him, Beramus channels the wisdom of his past life to help the village flourish—and soon, to rally every monster tribe under one banner. The mightiest kingdom will rise, not for humankind... but for those they fear.

A Swift Pair of Messengers Bhikkhu Sujato,2010-08-12 Serenity and insight are the two great wings of Buddhist meditation. They each have a special role to play in the path to Awakening. While some modern approaches seek to marginalize serenity in favor of 'dry' insight, the Buddha's own discourses place serenity right at the center of the path. This book collects virtually all the significant passages on this topic that are found in the early discourses, carefully elucidated for the modern reader.
