

The Kingdom Of Fable Novel

Rev. John MONTGOMERY (of Innerleithen.)

The Kingdom of Fable Olivia Grace, 2023-07-25 Allura Peterson always thought she knew how her life was going to play out. She'd seen it hundreds of times. Turn eighteen, meet mate, move out, start her life. It was almost a step by step everyone had repeated to her throughout her life. Little did she know Fate and the Moon Goddess had other plans for her life. Her mate was in love with another...and wanted nothing to do with her at all. Rejection was not done with a mere few words and tears. It was an extensive process, a medicine, a ceremony, an elixir that would rip your soul from your mate's. Rejections were not common and often never successful. Madness and death were popular outcomes. Only one person had ever survived the process, and he was about to turn Allura's world upside down. Elias Wright needs a mate. No, not his destined mate. She rejected him for a fling she claimed was true love. Now he had to look toward the future, and that meant a Luna for his people. Allura is smart, sexy, and everything a male could ask for. His cousin's destined mate had her own gravitational pull that called to his soul. But Elias wasn't the only one who had his eyes on Allura. A war is coming, and Allura is in the center of it all. Question is, will she save the world, or will she help destroy it?

The Kingdom of Iffial George Jachimowicz, 2014-10-21 Into the regions and the stars, for those who seek as another time end, imagination, contemplation, individualization with vision, this is the story of the quest where the eternal future, past, and present meet beyond the galaxy, with Tana, Jams, and Jon in the lands of great mysteries, myths, and contemplations. The violent shock waves of yesterdays past, one instant in space, another in the threshold of our minds! A young magician destined to become a king finds magical gifts from a genuine wizard. Shortly afterward, he finds a new world and thrives in a quest, the reality of magic, discovering many more destinations, sometimes in conflict or peace, to dwell on matters of crystal balls and mystical apertures of magic, into the distant future.
