Excerpts from the best-selling The Mastery of Love (by the author of The Four

Agreements). To become masters of love, we have to practice love. The art of relationship is also a whole mastery, and the only way to reach mastery is with practice.

Summary of The Mastery of Love SellWave Audio, 2025-11-14 The Mastery of Love explores the hidden fears and false beliefs that quietly shape our relationships and often lead to pain, misunderstanding, and emotional distance. Don Miguel Ruiz uses simple, powerful stories to show how many of us learn from childhood to reject parts of ourselves, chase impossible ideals, and depend on others to give us the love we haven't learned to cultivate within. These patterns—rooted in “domestication” and the pressure to live up to a perfect self-image—cause us to judge ourselves harshly and enter relationships carrying wounds we haven't yet healed. Ruiz explains how this inner struggle creates a battle for control that slowly wears down even the strongest bonds. Instead of connection, couples often fall into cycles of fear, jealousy, and resentment, searching for someone else to fill an emptiness that can only be healed from the inside out. He teaches that lasting love grows naturally when we learn to embrace our true selves, free from the expectations that once shaped our behavior. Through this gentle and encouraging approach, the book guides readers toward rediscovering the joy and playfulness that make relationships thrive. Ruiz offers a path to accepting ourselves fully, forgiving old hurts, and opening our hearts without fear. By learning to nurture the love that already exists within us, we become capable of creating relationships grounded in freedom, trust, and genuine affection.

The Voice of Knowledge Don Miguel Ruiz,Janet Mills,2010-02-01 From the bestselling author of The Four Agreements In The Voice of Knowledge, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection. — don Miguel Ruiz
