

The Surprising Power Of A Good Dumpling

Charles Dickens

The Surprising Power of a Good Dumpling Wai Chim, 2020-11-10 An authentic novel about growing up in an Asian immigrant family with a mother who is suffering from a debilitating mental illness. Anna Chiu has her hands full. When she's not looking after her brother and sister or helping out at her father's restaurant, she's taking care of her mother, whose debilitating mental illness keeps her in bed most days. Her father's new delivery boy, Rory, is a welcome distraction and even though she knows that things aren't right at home, she's starting to feel like she could be a normal teen. But when her mother finally gets out of bed, things go from bad to worse. And as her mother's condition worsens, Anna and her family question everything they understand about themselves and each other. *The Surprising Power of a Good Dumpling* is a heart-wrenching, true-to-life exploration through the often neglected crevices of culture, mental illness, and family. Its strong themes are balanced by a beautiful romance making it a feel-good, yet important read.

Freedom Swimmer Wai Chim, 2021-11-02 A powerful story of friendship, bravery, and a desperate bid for freedom, inspired by true events. Ming survived the famine that killed his parents during China's Great Leap Forward, and lives a hard but adequate life, working in the fields. When a group of city boys comes to the village as part of a Communist Party re-education program, Ming and his friends aren't sure what to make of the new arrivals. They're not used to hard labor and village life. But despite his reservations, Ming befriends a charming city boy called Li. The two couldn't be more different, but slowly they form a bond over evening swims and shared dreams. But as the bitterness of life under the Party begins to take its toll on both boys, they begin to imagine the impossible: freedom.
