Nicki Minaj: Hip Pop Moments 4 Life Isoul Harris, 2012-10-15 Hip Pop Moments 4 Life explores Onika Tanya Maraj's spectacular transformation from early childhood in Trinidad via her days as an unknown rapper on the New York underground scene to fully-fledged songwriter, international star and chart topper. With exhaustive research, exclusive quotes, insider information and a never-before-published interview with Nicki Minaj herself, this smart book presents every aspect of the rapper's life: the complicated relationship with her father; the real story behind her unbelievable record deal with Lil Wayne and Young Money Records; and why she has been ambiguous about her sexuality. The author explores all of this and much more in a book packed with juicy news and beautiful pictures: the ultimate guide to all things Minaj.

Expensive Basketball Shea Serrano, 2025-10-28 From the #1 New York Times bestselling author of *The Rap Year Book and Basketball (and Other Things)*, a clever and inventive examination of some of basketball's most iconic players, moments, games, and more. Everything in basketball is measured. Everything in basketball is counted, and quantified, and computed. And yet, no matter how expansive the list of various pinpoint-specific statistical categories gets, some basketball things remain uncountable, and unquantifiable. Some moments are more poetry than calculation; more art than numerical value; more feeling than data processing. And thus: *Expensive Basketball*. From the final 196 seconds of Kobe Bryant's playing career to the Sue Bird backpedal, from the erosive terror of Tim Duncan to the Larry Bird memory carousel, *Expensive Basketball* is an affirmation of feelings. It's an affirmation of basketball as virtuosity. It's an affirmation of how sometimes you watch a person perform on the basketball court and it feels the same way it does when you lie in the grass at night and stare up at the moon for long enough that you start to think about how incredible it is that you really, truly, honestly, actually exist.

Bluestone Rondo Walker Smith, 2014-07-10 Multicultural fiction. A racial adaptation of Cain and Abel, set to a score of

modern Jazz, obsession, and revenge. In 1927 Mississippi, a black tenant farmer's wife gives birth to unusual twins?Calvin, who is dark, and Joe, who is light enough to pass for white. As they grow up, the boys learn that color is worth more than brotherhood in the Jim Crow South, and they fall into a trap that was set for them by generations of racial discord. After a violent fight, Joe disappears and Calvin is convicted for his murder. In 1949 Joe steps off a bus in New York City, passing himself off as a white man. Birdland has just opened, Jazz is king, and the entertainment industry is in a cold-sweat panic over McCarthy's Blacklist. Joe finds work as a singer with a bebop band and meets Magda, a Greek studio violinist, who beguiles him with her blue eyes and broken English. Over time, Joe is also drawn into a moth-and-flame bond with black trumpet player Doc Calhoun, who sees through his racial masquerade and warns him of its pitfalls. And at Doc's side is the unforgettable Pearl, who holds them all together, despite her struggle with heroin addiction. Slowly, Joe's fear of exposure takes a turn for the irrational. He begins to see his brother in the shadows, and the radio coverage of the HUAC hearings taunts him with its daily question: Are you now or have you ever been . . . ? Bluestone Rondo is a story of life-and-death choices?a Jazz masterpiece of love and hate that leads to two volatile plot twists and one fatal showdown.

Diary of a Vindictive Closet Freak Carmen CaBoom,2011-12 By most appearances, she's the girl next door, but she's got an insatiable sexual appetite for forbidden male fruit.
