**Texas Doc** David Carlton, 2003 With this second of the series, TEXAS DOC continues the popular anecdotal stories begun in DALLAS DOC, the true-life portrayal behind the zany adventures and poignant moments that make up a twenty-year veterinary practice in treating critters of every shape and size - from gerbils, cats and canines ... to horses, cows and cougars. Doc recaptures the daily escapades with his jovial partner, Dr. Rich Vest, and indomitable assistants, Tracy and Rachel, who are with him every step of the way as he meets more eccentric owners and their endearing animals pals: There's Columbo, a kitten caught in the middle of a fire and a crime; the tattooed lady with a pet ferret; a mystery on the range threatening thirty thousand sheep; and a farmer's corporate fight to keep his pets in a pig-waller at the shopping mall.

**The Simple Guide to Labrador Retrievers** Sheila Webster Boneham, 2003 On a late summer day along the shores of Nova Scotia, a young woman makes a mistake that will claim her life, while at the other end of the beach her brother, Damian, is unaware that she is drowning. Beginning with this shattering event, Anne Simpson's mesmerizing novel unfolds in unexpected ways. A year after the accident, Damian and his mother, Ingrid, travel to Niagara Falls to scatter Lisa's ashes and to visit Ingrid's estranged brother, once a famous daredevil of the Falls, now blind, and his mentally disabled son. But old

wounds and new misunderstandings soon collide. Damian, burdened by guilt, finds solace in an intense relationship with a girl he first glimpses in a tattoo parlour. A runaway with dreams of New York City, Jasmine has her own reasons for wanting to escape the past. Meanwhile, Ingrid, having reluctantly returned to her childhood home, finds herself at odds with her brother and besieged by memories. As the summer progresses, each of them becomes caught in the pull of the past — until an act of recklessness shocks them into a new course for the future. In startling, luminous language, Anne Simpson captures both the natural beauty and tawdry eccentricity of Niagara Falls, while evoking the elemental bonds that tie us to the ones we love. By turns uncompromising and heartbreakingly tender, *Falling* is a riveting story of ordinary people poised on the knife-edge of grief and hope. With this, her second novel, Anne Simpson proves herself to be one of our most striking and original writers. From the Hardcover edition.
