**Killing Atheism** Kenneth L. Fredrickson, 2021-01-28 Are you struggling with your faith or trying to help others but cannot get around the problem of “If there is a God, why is he hidden?” Killing Atheism bypasses traditional apologetics and powerfully shows that God is not hidden. It describes irrefutable secular evidence showing that the story of Christ must be true. This is not an academic endeavor, but a spiritual and evidentiary journey written for the layman, with only a few digressions into the world of traditional apologetics. We have been given free will to ignore, reject, or accept Jesus. If your inclination is to ignore or reject, you must deal with the points made in this book.
