Hard Lessons from the Hurt Business Ed Latimore, 2025-08-05 We've all got a choice. We can get better at fighting or worse at life. Every day, we absorb body blows: some glancing, others that knock us to the mat. It doesn't matter how well-prepared or tough you think you are. Everyone, at some point, is hit with a haymaker from life. It's the cost of living. And just like in the ring, opting out of pain is not an option. In *Hard Lessons From The Hurt Business*, former heavyweight boxer Ed Latimore takes readers on a journey from his hardscrabble childhood in Pittsburgh's public housing projects to his signing with Jay-Z's Roc Nation Sport. With honesty and humor, Ed shares how the discipline of boxing served as his rite of passage into manhood and gave him the tools he needed to overcome his childhood trauma and the demons of alcoholism. Ed's story is one of learning the hard lessons of maturity in perhaps the harshest way possible—from the hurt business. It's a story about finding self-mastery in the face of uncertainty, discovering the power of forgiveness, and embracing pain and adversity to design a life of purpose. Like Ed says, "How we absorb life's blows and rally through bruised and bloodied rounds shows who we are at our core. We sacrifice, weep, heal, and carry on. In hardship, we transcend."

Dear Revolutionaries Lenny Duncan, 2023-02-21 When Lenny Duncan wrote *Dear Church* in 2018, they had a vision for a church that could and would reform itself into something new. After four years, a pandemic, a global uprising for racial equity, and what Duncan describes as the death of the republic on January 6, 2021, we now live in a vastly different landscape than the one Duncan wrote about previously. Lenny now contends that we no longer need a reformation—we need a revolution. *Dear Revolutionaries* is a handbook for a new generation that sees, clear-eyed, the series of catastrophes we have inherited, the road that lies ahead, and the improbability of victory, yet are still ready to build the tomorrow we so desperately want to be born in this world. The institutional church is concerned with reviving itself. God is concerned with reviving the community within and beyond the walls of the church. *Dear Revolutionaries* is a book for the community who is ready to rise up and build something new from the ashes. Casting a vision for a new spiritual future led by the people, *Dear Revolutionaries* offers a series of peace-building practices that will give readers the tools to build, guide, and care for spiritual community in a world beyond the church.

Sheepdogs Elliot Ackerman, 2025-08-05 Two Misfits. One Mission. Zero Back-Up. • When a high-stakes heist goes wrong, an ex-CIA operative and a special operations pilot find themselves in the middle of a game of espionage and survival

as they navigate a treacherous web of deception and shifting loyalties in a globe-spanning, action-packed thriller from the New York Times bestselling author of 2034. Move Sheepdogs to the top of your list!"—Jack Carr, #1 New York Times bestselling author "A thriller and comedy in one, it's a wild ride."—Harlan Coben, #1 New York Times bestselling author Skwerl and Cheese are down on their luck and about to find themselves tangled in the heist of their lives. Skwerl, once an elite member of the CIA's paramilitary unit, was cast out after a raid gone wrong in Afghanistan. Big Cheese Aziz, a former Afghan pilot of legendary skill, now works the graveyard shift at a gas station. Recruited into a shadowy network of sheepdogs, they embark on a mission to repossess a multi-million-dollar private jet stranded on a remote African airfield. But as they wind through a labyrinth of lies and hidden agendas, they discover that nothing is as it seems. Their contact vanishes, their handler's motives are suspect, and the true source of their payday remains a mystery. With the stakes skyrocketing and the women in their lives drawn into the fray, this unlikely spy duo find themselves deep in the underbelly of modern war and intelligence. From the jungles of Kampala to the glitz of Marseille, they'll need to be as cunning as they are bold to survive in a game where the line between the hunters and the hunted is razor-thin.

Breaking Free From Broke George Kamel,2024-01-16 America has become the land of the free and the home of the broke. Household debt is at an all-time high, and every day people—just like you—are feeling more cynical and hopeless about their financial futures. It's time to stop believing countless lies from a system designed to take your money—lies like student loans are the golden ticket to a good-paying job, car payments are just part of life, and that you need to have a credit card. Ramsey Personality and personal finance expert George Kamel shares his story of going from a negative net worth to a millionaire in under 10 years by following Dave Ramsey's Baby Steps. George's delivery, highlighted by his snarky sense of humor, will keep you laughing and engaged from cover to cover (no put-you-to-sleep financial advice here). Through a millennial point of view, George exposes the toxic money system designed to keep you average (and broke) and offers solutions to help you break free from: Credit cards and credit scores Student and car loans Mortgage mistakes Investing traps Marketing and consumerism No matter where you're starting from, you'll learn that you have the power to buck the toxic money system and build wealth if you follow the same principles George used to become a millionaire.

My Cousin Married My Fiancé Vernice Onyx,2025-11-16 My name is Ivanka Marie Harris. I am the black sheep of my family. I have had enough of their mistreatment of me for no reason. I am tired of begging for love and answers. I am fed up and I am not taking it anymore. I am tired of my sister and cousin trying to steal my identity and my life as well as use me to be their scapegoat. I just want to get away from my toxic family before they cost me my freedom and my sanity. I have been lucky so far, but I know it won't last forever.

Hitler's Table Talk Ian Tinny,Dead Writers Club,Micky Barnetti,2020-06-22 Everyone has heard media descriptions of Nazism and Fascism in critiques of Adolf Hitler. But what did “Der Fuhrer” truly say when he talked? To find out, come inside Hitler's mouth; experience his twisted tongue; see what he said. This book examines the actual words of a man who came close to destroying the world. These revelations are indisputably authentic, raw, and fascinating. They are an unretouched look at the inner recesses of the mind of Hitler. This is a useful companion volume or study guide to Hitler's Mein Kampf, whereby what had been a vague plan suddenly was reality, almost to the disbelief of its author. Specific examination of Mein Kampf is made in chapter 9 of this book. If we are to discover the mind of Hitler, we must penetrate behind the thick curtains of superficial evidence which conceal it and the unreliable media intermediaries who have distorted it. Here is a startling expose' of the origin of Hitler's views on his enemies, his friends, his ambitions, his failures, and his goals. This book reveals those origins, including shocking practices he borrowed from the USA.

Clickbait Holly Baxter,2024-08-13 With the dark comedy and sharp observations of Monica Heisey and Dolly Alderton, a whip-smart and laugh-out-loud funny debut novel about a disgraced, newly divorced journalist demoted to a “clickbait” job at a Manhattan tabloid. The first thing they tell you when you begin your training is never to become the news. Natasha has screwed up royally. Her mistake isn’t just embarrassing, it's a breach of journalistic ethics that makes headlines and costs her a plum job reporting from London. Back in New York at thirty-five and single, divorced from a kind man she loved, she finds herself at the bottom of the media food chain—a junior reporter at a clickbait factory, rewriting sensational tabloid stories to make them just different enough to avoid lawsuits. As if her professional fall from grace weren’t bad enough, she’s taken the money she’d saved for a down payment for a home on a charming Brooklyn block with her husband, and rashly bought a boxy apartment overlooking the gray ocean in Rockaway Beach, Queens. Though seeing friends and family only

serves to remind her of what she's lost, things begin to pick up when her ex-boyfriend Zach moves back to New York and accepts her offer of a spare bedroom. The arrangement is strictly platonic, of course—for him. But Natasha can't help but wonder whether he might be the solution to all her problems. As Natasha's obsession with Zach grows and her involvement in increasingly dystopian churnalism deepens, her worlds threaten to collide in the most cataclysmic, extremely public way.
