Sweetgrass Memories Jan Morgan,2018-05-25 There may still be time for a despondent, mysterious old house with tiny pineapples carved on its eaves to fulfill the dream of one of its owners over seventy years ago. But in order for that to happen, two retired ladies, one black and one white, must unravel the mystery that surrounds both the house and the children who have come to believe it belongs to them. It's these children, living in the apartment complex across from Blessing Path, that most need the puzzle solved because the For Sale sign just placed amid the weeds in the front yard seems ominous to them. The clues include old newspaper clippings, a policeman's chance meeting with a soft-spoken genteel visitor, love letters during World War II, and a mason jar, recently excavated from the backyard that is filled with exquisite patterned shells of the sea, long protected by its rusty cap. Together, these pieces of information draw the ladies from the heart of Texas to the sparkling South Carolina coast and deep into the culture of Charleston and its Gullah heritage. Sweet Grass Memories was built on Texas soil, but if you cross her threshold and wait quietly for a few moments, you might just catch a whiff of pluff mud and taste the saltiness of sea air.

A Thousand Splendid Suns Khaled Hosseini,2007-11-01 Hati pria sangat berbeda dengan rahim ibu, Mariam. Rahim tak akan berdarah ataupun melar karena harus menampungmu. Hanya akulah yang kaumiliki di dunia ini, dan kalau aku mati, kau tak akan punya siapa-siapa lagi. Tak akan ada siapa pun yang peduli padamu. Karena kau tidak berarti! Kalimat itu sering kali diucapkan ibunya setiap kali Mariam bersikeras ingin berjumpa dengan Jalil, ayah yang tak pernah secara sah mengakuinya sebagai anak. Dan kenekatan Mariam harus dibayarnya dengan sangat mahal. Sepulang menemui Jalil secara diam-diam, Mariam menemukan ibunya tewas gantung diri. Sontak kehidupan Mariam pun berubah. Sendiri kini dia menapaki hidup. Mengais-ngais cinta di tengah kepahitan sebagai anak haram. Pasrah akan pernikahan yang dipaksakan, menanggung perihnya luka yang disayatkan sang suami. Namun dalam kehampaan dan pudarnya asa, seribu mentari surga muncul di hadapannya. Sebuah cerita tentang harapan akan kemenangan, juga kekuatan menepis ketakutan. Sungguh

megah! New York Daily News A Thousand Splendid Suns, tidak hanya menyuguhkan kepada pembaca tentang realitas Afghanistan, tetapi juga menunjukkan kemampuan dan bakat Hosseini; melodrama dari setiap plot; pelukisan yang tajam; penggambaran karakter hitam-putih; dan pengolahan emosi yang memukai. New York Post ... kisah yang sangat memilukan tentang perjuangan perempuan Afghan dalam mengarungi kerasnya hidup. Entertainment Weekly Cerita yang mengembangkan imajinasi bagaimana menemukan kembali sebuah keteguhan hati. Houston Chronicle ... novel yang begitu menggemparkan International Herald Tribune ?Sebuah cerita fiksi yang cemerlang, diprediksi akan lebih memberikan pengaruh luar biasa kepada pembaca dibandingkan The Kite Runner. London Time Prosa Hosseini begitu menghunjam. Ia tidak hanya mengungkap sisi politik, tetapi juga sisi paling personal The Guardian [Mizan, Qanita, Novel, Memoar, Indonesia]

The Shifting Role of Women Vivek Kumar Dwivedi, 2023-03-21 This book chronicles the torturous journey of women from being confined within the limits of the house to being a “major voice” in society. It also highlights scenarios in which women have been discriminated against throughout history. This work will help in reconfiguring the set standards, values, and parameters by which women are judged in society. It foregrounds its studies by examining literary texts, case studies, and popular practices, showing how the era of social media has tacitly brought about the suffragette movement of the 21st century.

Global Voices and Global Visions Betsy Gunzelmann, 2013-12-18 We are in a state of tremendous global unrest with wars, acts of terrorism, genocide, epidemics and untold natural disasters. In some cases students are at risk as a result of safety concerns within their schools, from extremist views that discriminate against obtaining education, from societal issues that increase anxiety and depression, and even in specific cases from corruption in government that prevent students from having access to schooling. It is through globally engaged education that we can learn of one another, attain academic excellence, improve international relationships, triumph over atrocities, and discover new potentials. A synergistic globally engaged education will allow for the working together collaboratively, cooperatively and innovatively, while still respecting diversity and humane ideologies. Through cutting edge interdisciplinary research from psychology, neuroscience, education, leaps in the technological areas, and listening closely to the global voices we can indeed ascertain understanding, peace and sustainability.

A Thousand Splendid Suns Khaled Hosseini, 2007 1 New York Times bestselling author. Main selection of the Book-of-the-Month Club and Literary Guild. Both born in Afghanistan a generation apart and with very different ideas about love and family Mariam and Laila are brought together by war by loss and by fate. As they endure the ever escalating dangers around them - in their home as well as in the streets of Kabul - they form a bond that will ultimately alter the course of their lives and the lives of the next generation. With heart-wrenching power and suspense Hosseini shows how a woman's love for her family

can move her to shocking and heroic acts of self-sacrifice and that in the end it is love or even the memory of love that is often the key to survival. Searing ... forceful ... harrowing. - Publishers Weekly starred. Unimaginably tragic Hosseini's magnificent second novel is a sad and beautiful testament to both Afghani suffering and strength. Readers who lost themselves in *The Kite Runner* will not want to miss this unforgettable follow-up. - Booklist starred

Unveiling the Breath Donna Kennedy-Glans, 2009 Drawing on her experiences around the world, and in the troubled but fascinating state of Yemen in particular, Donna Kennedy-Glans suggests that we have the power to reframe our own ideas about gender, while creating a new and more subtle dialogue with traditional cultures, including fundamentalist Islam. With many telling examples from her own rich personal experience, and using both traditional wisdom and some of the latest research in various fields, she advances the idea of subtle connections, respect, breathing spaces that would replace chauvinism and confrontation, and create dialogues from which vital new relations would emerge, both on the personal and

social levels.

Female Oppression in "The Bell Jar" and "A Thousand Splendid Suns" Florian Kollmeier,2013-06-03 Pre-University Paper from the year 2013 in the subject Literature - Comparative Literature, grade: A, , language: English, abstract: The aim of this essay is to discuss the notion that the representation of female oppression in literature transcends cultural differences by looking at *The Bell Jar* and *A Thousand Splendid Suns*. In order to discuss this notion I researched background information about the representation of female oppression in literature and the different cultures represented in the texts. The essay focuses on female sexuality and the position of women in relationships as indicators for oppression in society. In order to further compare the differences in the nature of the oppression of women, other works and literary critics have been considered. Furthermore the use of literary techniques such as stylistic devices and symbolism has been examined to trace connections between the works. The conclusion that was found was that both, *The Bell Jar* and *A Thousand Splendid Suns* comment on female oppression in their cultures. The different ways of discussing and presenting the oppression were found to be due to the different contexts of composition.
