Napoleon The Great Andrew Roberts, 2015-10-15 'A Napoleonic triumph of a book, irresistibly galloping with the momentum of a cavalry charge' Simon Sebag Montefiore 'Simply dynamite' Bernard Cornwell From Andrew Roberts, author of the bestsellers *The Storm of War* and *Churchill: Walking with Destiny*, this is the definitive modern biography of Napoleon. Napoleon Bonaparte lived one of the most extraordinary of all human lives. In the space of just twenty years, from October 1795 when as a young artillery captain he cleared the streets of Paris of insurrectionists, to his final defeat at the (horribly mismanaged) battle of Waterloo in June 1815, Napoleon transformed France and Europe. After seizing power in a coup d'état he ended the corruption and incompetence into which the Revolution had descended. In a series of dazzling battles he reinvented the art of warfare; in peace, he completely remade the laws of France, modernised her systems of education and administration, and presided over a flourishing of the beautiful 'Empire style' in the arts. The impossibility of defeating his most persistent enemy, Great Britain, led him to make draining and ultimately fatal expeditions into Spain and Russia, where half a million Frenchmen died and his Empire began to unravel. More than any other modern biographer, Andrew Roberts conveys Napoleon's tremendous energy, both physical and intellectual, and the attractiveness of his personality, even to his enemies. He has walked 53 of Napoleon's 60 battlefields, and has absorbed the gigantic new French edition of Napoleon's letters, which allows a complete re-evaluation of this exceptional man. He overturns many received opinions, including the myth of a great romance with Josephine: she took a lover immediately after their marriage, and, as Roberts shows, he had three times as many mistresses as he acknowledged. Of the climactic Battle of Leipzig in 1813, as the fighting closed around them, a French sergeant-major wrote, 'No-one who has not experienced it can have any idea of the enthusiasm that burst forth among the half-starved, exhausted soldiers when the Emperor was there in person. If all were demoralised and he appeared, his presence was like an electric shock. All shouted Vive l'Empereur! and everyone charged blindly into the fire.' The reader of this biography will understand why this was so.

Napoleon Andrew Roberts, 2014-11-04 The definitive biography of the great soldier-statesman by the acclaimed author of *Churchill* and *The Last King of America*—winner of the LA Times Book prize, finalist for the Plutarch prize, winner of the Fondation Napoleon prize and a New York Times bestseller "A thrilling tale of military and political genius... Roberts is an uncommonly gifted writer." —The Washington Post Austerlitz, Borodino, Waterloo: his battles are among the greatest in

history, but Napoleon Bonaparte was far more than a military genius and astute leader of men. Like George Washington and his own hero Julius Caesar, he was one of the greatest soldier-statesmen of all times. Andrew Roberts's Napoleon is the first one-volume biography to take advantage of the recent publication of Napoleon's thirty-three thousand letters, which radically transform our understanding of his character and motivation. At last we see him as he was: protean multitasker, decisive, surprisingly willing to forgive his enemies and his errant wife Josephine. Like Churchill, he understood the strategic importance of telling his own story, and his memoirs, dictated from exile on St. Helena, became the single bestselling book of the nineteenth century. An award-winning historian, Roberts traveled to fifty-three of Napoleon's sixty battle sites, discovered crucial new documents in archives, and even made the long trip by boat to St. Helena. He is as acute in his understanding of politics as he is of military history. Here at last is a biography worthy of its subject: magisterial, insightful, beautifully written, by one of our foremost historians.

The Best Books William Swan Sonnenschein,1895

Napoleon and the Art of Leadership William Nester,2021-03-03 This deep dive into the mind of the complex, controversial political and military leader is "a great addition to the field of Napoleonics" (Journal of Military History). No historical figure has provoked more controversy than Napoleon Bonaparte. Was he an enlightened ruler or brutal tyrant? An insatiable warmonger or a defender of France against the aggression of the other great powers? Kind or cruel, farsighted or blinkered, a sophisticate or a philistine, a builder or a destroyer? Napoleon was at once all that his partisans laud, his enemies condemn, and much more. He remains fascinating, because he so dramatically changed the course of history and had such a complex, paradoxical character. One thing is certain: If the art of leadership is about getting what one wants, then Napoleon was among history's greatest masters. He understood and asserted the dynamic relationship among military, economic, diplomatic, technological, cultural, psychological—and thus political—power. War was the medium through which he was able to demonstrate his innate skills, leading his armies to victories across Europe. He overthrew France's corrupt republican government in a coup, then asserted near dictatorial powers. Those powers were then wielded with great dexterity in transforming France from feudalism to modernity with a new law code, canals, roads, ports, schools, factories, national bank, currency, and standard weights and measures. With those successes, he convinced the Senate to proclaim him France's emperor and even got the pope to preside over his coronation. He reorganized swaths of Europe into new states and placed his brothers and sisters on the thrones. This is Napoleon as has never been seen before. No previous book has explored his seething labyrinth of a mind more deeply and broadly or revealed more of its complex, provocative, and paradoxical dimensions. Napoleon has never before spoken so thoroughly about his life and times through the pages of a book, nor has an

author so deftly examined the veracity or mendacity of his words. Within are dimensions of Napoleon that may charm, appall, or perplex, many buried for two centuries and brought to light for the first time. *Napoleon and the Art of Leadership* is a psychologically penetrating study of the man who had such a profound effect on the world around him that the entire era still bears his name.

Memoirs of Napoleon Bonaparte Fauvelet de Bourrienne,2015-11-17 In introducing the present edition of M. de Bourrienne's Memoirs to the public we are bound, as Editors, to say a few Words on the subject. Agreeing, however, with Horace Walpole that an editor should not dwell for any length of time on the merits of his author, we shall touch but lightly on this part of the matter. We are the more ready to abstain since the great success in England of the former editions of these Memoirs, and the high reputation they have acquired on the European Continent, and in every part of the civilised world where the fame of Bonaparte has ever reached, sufficiently establish the merits of M. de Bourrienne as a biographer. These merits seem to us to consist chiefly in an anxious desire to be impartial, to point out the defects as well as the merits of a most wonderful man; and in a peculiarly graphic power of relating facts and anecdotes. With this happy faculty Bourrienne would have made the life of almost any active individual interesting; but the subject of which the most favourable circumstances permitted him to treat was full of events and of the most extraordinary facts. The hero of his story was such a being as the world has produced only on the rarest occasions, and the complete counterpart to whom has, probably, never existed; for there are broad shades of difference between Napoleon and Alexander, Caesar, and Charlemagne; neither will modern history furnish more exact parallels, since Gustavus Adolphus, Frederick the Great, Cromwell, Washington, or Bolivar bear but a small resemblance to Bonaparte either in character, fortune, or extent of enterprise. For fourteen years, to say nothing of his projects in the East, the history of Bonaparte was the history of all Europe! With the copious materials he possessed, M. de Bourrienne has produced a work which, for deep interest, excitement, and amusement, can scarcely be paralleled by any of the numerous and excellent memoirs for which the literature of France is so justly celebrated. M. de Bourrienne shows us the hero of Marengo and Austerlitz in his night-gown and slippers—with a 'trait de plume' he, in a hundred instances, places the real man before us, with all his personal habits and peculiarities of manner, temper, and conversation. The friendship between Bonaparte and Bourrienne began in boyhood, at the school of Brienne, and their unreserved intimacy continued during the most brilliant part of Napoleon's career. We have said enough, the motives for his

writing this work and his competency for the task will be best explained in M. de Bourrienne's own words, which the reader will find in the Introductory Chapter. M. de Bourrienne says little of Napoleon after his first abdication and retirement to Elba in 1814: we have endeavoured to fill up the chasm thus left by following his hero through the remaining seven years of his life, to the last scenes of all that ended his strange, eventful history,—to his deathbed and alien grave at St. Helena. A completeness will thus be given to the work which it did not before possess, and which we hope will, with the other additions and improvements already alluded to, tend to give it a place in every well-selected library, as one of the most satisfactory of all the lives of Napoleon. LONDON, 1836.

History of Napoleon Bonaparte; Including Lives of Napoleon the Great, of Louis Napoleon, and of the Prince Imperial
Henry W (Henry Walter) 1820 de Puy, 2025-05-22 Henry W. De Puy's History of Napoleon Bonaparte offers a comprehensive look at one of history's most influential figures. This extensive volume not only delves into the life and career of Napoleon the Great but also examines the lives of Louis Napoleon and the Prince Imperial, providing a broad view of the Bonaparte dynasty. Originally published in 1881, this book presents a detailed account of Napoleon's military campaigns, political strategies, and personal life, capturing the essence of his era and his impact on European history. De Puy's work serves as a valuable resource for historians, students, and anyone interested in understanding the Napoleonic period and its enduring legacy. This edition retains the original text and offers readers a glimpse into the historical context and perspectives of the late 19th century. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Problems and exercises in British history J. S. Lindsey (History teacher), 1906

Napoleon and Wellington Andrew Roberts, 2001 Explores the relationship between the French emperor Napoleon Bonaparte and the Duke of Wellington prior to and in the aftermath of the Battle of Waterloo, the most decisive battle of the nineteenth century.

Best Books On Napoleon Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for

specific titles or browse through different categories. Another reliable platform for downloading Best Books On Napoleon free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Best Books On Napoleon free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Best Books On Napoleon free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Best Books On Napoleon. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Best Books On Napoleon any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Best Books On Napoleon Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks,

including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Best Books On Napoleon is one of the best book in our library for free trial. We provide copy of Best Books On Napoleon in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Best Books On Napoleon. Where to download Best Books On Napoleon online for free? Are you looking for Best Books On Napoleon PDF? This is definitely going to save you time and cash in something you should think about.
