G. Louis Heath

The Black Panther Party (reconsidered) Charles Earl Jones, 1998 This new collection of essays, contributed by scholars and former Panthers, is a ground-breaking work that offers thought-provoking and pertinent observations about the many facets of the Party. By placing the perspectives of participants and scholars side by side, Dr. Jones presents an insider view and initiates a vital dialogue that is absent from most historical studies.

The Black Panther Party and Transformative Pedagogy Omari L. Dyson, 2013-11-14 The Black Panther Party and Transformative Pedagogy: Place-Based Education in Philadelphia, by Omari L. Dyson, is the first scholarly text to detail the social relief efforts of the Philadelphia, Pennsylvania Branch of the Black Panther Party. Through a postcolonial lens, this story captures the lived resistances, highlights the socio-historical context, and examines the discourse of former members of the Black Panther Party and local residents of Philadelphia from 1968-1974. Overall, this book provides insight from a multiplicity of sources to better capture the identity(-ies) and complexity of the organization. Not only does this text resolve a dearth in the literature that highlights the multiple facets of the Black Panther Party (especially at the local level), but it serves as a template on effective strategies for researchers, educators, and policymakers to implement on their quest for social and educational transformation.

Driven by the Movement JoNina Abron-Ervin, 2025-08-05 A collective portrait of the Black Power movement by radical journalist and former Black Panther JoNina Abron-Ervin Driven by the Movement collects the stories of twenty ordinary people who did extraordinary things for the Black liberation struggle during the pivotal decade of 1965-1975. These activists came from across the US and all walks of life—single working mothers, clergy, students, teachers, military veterans—to organize against police brutality, poverty, hunger, substandard schools, and colonialism in Africa. Drawing from her own experience at the heart of the movement, JoNina Abron-Ervin's on-the-ground reporting offers a rare look into the pragmatism, optimism, compromise, and contradiction and the everyday acts of dedication that animated the Black Power era. This new edition includes expanded material on the history of the Black Panther newspaper as a source of mass political education and on the Black Panther Party's legendary survival programs, such as its Free Breakfast for Children and

healthcare programs. A foreword by writer and organizer William C. Anderson connects two torchbearers of the Black radical tradition across generations.
