Deeper Than the Dead Tami Hoag, 2010-10-26 A serial killer terrorizes a small California town in this gripping thriller from #1 New York Times bestselling author Tami Hoag. California, 1985—Four children and young teacher Anne Navarre make a gruesome discovery: a partially buried female body, her eyes and mouth glued shut. A serial killer is at large, and the very bonds that hold their idyllic town together are about to be tested to the breaking point. Tasked with finding the killer, FBI investigator Vince Leone employs a new and controversial FBI technique called “profiling,” which plunges him into the lives of the four children—and the young teacher whose need to uncover the truth is as intense as his own. But as new victims are found and pressure from the media grows, Vince and Anne find themselves circling the same small group of local suspects, unsure if those who suffer most are the victims themselves—or those close to the killer, blissfully unaware that someone very near to them is a murderous psychopath...

Deeper Than the Dead Tami Hoag, 2010-01 California, 1985. Four children, playing in the woods behind their school, stumble upon a woman's body, eyes and mouth glued shut. Close behind the children is their teacher, Anne Navarre, horrified by this gruesome discovery that marks the end of the children's innocence. What she doesn't yet realize is that this will also mark the end of innocence for an entire community, as the complex ties that bind families and friends are tested in the wake of the killer's ever more devastating activity. Vince Leone, a pioneering FBI investigator, is called in to try to unlock the mind of the killer using the fledgling technique of profiling - a strategy that pulls him ever deeper into the lives of the children and their young teacher. Secrets spill out, reputations shatter and people get desperate as the lives of these very different children are bound tighter and tighter together by the suspicion that falls over their families. Vince and Anne know the lives of more women are at stake - but they soon realise they are also fighting to save the futures of these children. After all, growing up in the shadow of a killer leaves its marks. Perhaps evil binds as tightly as love...

Deeper Than the Dead Debra Webb, 2024-08-06 Someone's found the skeleton in the closet, and it's not the only one. Wall Street Journal bestselling author Debra Webb presents an emotional new mystery. Crime analyst and newly disgraced deputy police chief Vera Boyett doesn't visit home often, and she certainly doesn't venture back into the cave on her family land. But when the remains of her long-missing stepmother are discovered, Vera will have to face a past that threatens all she is. She and her sister Eve had a fairy-tale childhood: good until it was tragic, with a stepmother they never found a bond with. At least they had each other, a baby half-sister, and a mutual devotion that would have them do the unthinkable. It's a summer in small-town Tennessee, so thick with humidity it could drown you and so rife with secrets it could smother you. And deep beneath the surface, there are more bodies than you'd think...
