The Miles Davis Reader Frank Alkyer, 2023-11-30 If you ever needed proof that a magazine can have a love affair with a musician, you're holding it in your hands. For *DownBeat*, the preeminent publication of the jazz world, Miles Dewey Davis was one of its most cherished subjects. Since it began covering the jazz scene in 1939, no other artist has been more diligently chronicled in its pages than Davis. The beauty of this collection is seeing the development of an artist over time. The reviews of his music go from quietly introducing a new talent to revering, perhaps, the greatest jazz artist of his generation. The feature articles begin with a very young, very polite Davis lamenting, "I've worked so little. I could probably tell you where I was playing any night in the last three years." As he develops, the interviews show Davis gaining confidence and stature, showing swagger and becoming the over-the-top, say-it-like-it-is showman that made every interview an event. The Miles Davis Reader compiles more than 200 news stories, feature articles, and reviews by some of the greatest writers in jazz into one volume. It delivers a patchwork of his words and music - in the moment, as they happened. With several lengthy features added along with a dozen new photographs, this new edition is a beautiful series of snapshots, a year-by-year ride through the many phases of Davis as an artist and as a man.

Echoes of Swing: The 100 Greatest Jazz Musicians of All Time Barney Dane, Step into the soulful world of jazz with *Echoes of Swing: The 100 Greatest Jazz Musicians of All Time*. This comprehensive anthology celebrates the virtuosos who have shaped the landscape of jazz, a genre that epitomizes creativity, freedom, and expression. From the groundbreaking improvisations of Louis Armstrong and the sophisticated compositions of Duke Ellington to the innovative harmonies of Miles Davis and the profound spirituals of John Coltrane, this book captures the essence of jazz greatness. Each chapter offers an in-depth look at a different musician, highlighting their unique contributions, technical brilliance, and the indelible impact they have had on music history.

Jazz Eddie S. Meadows, 2013-10-23 *Jazz: Research and Pedagogy* is the third edition of an annotated bibliography to books, recordings, videos, and websites in the field of jazz. Since the publication of the 2nd edition in 1995, the quantity and

quality of books on jazz research, performance, and teaching materials have increased. Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date, several books on research, performance, and teaching materials were omitted. In addition, given the proliferation of new books in all jazz areas since 1995, the need for a new, comprehensive, and annotated reference book on jazz is apparent. Multiply indexed, this book will serve as an excellent tool for librarians, researchers, and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade.

The Catalogue of Printed Music in the British Library to 1980 British Library. Department of Printed Books, British Library, Laureen Baillie, 1981

Music to My Eyes Alfred Bendiner, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015, the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.
