**For the Throne** Hannah Whitten,2022-06-07 In this breathtaking sequel to the instant New York Times bestseller *For the Wolf*, Red's sister Neve struggles to escape a mysterious land of twisted roots, lost gods, and mountains made of bone—and the only clues to her rescue are a magic mirror and a dark prince who wants to bring the whole thing crumbling down. The First Daughter is for the Throne The Second Daughter is for the Wolf... Red and the Wolf have finally contained the threat of the Old Kings but at a steep cost. Red's beloved sister Neve, the First Daughter is lost in the Shadowlands, an inverted kingdom where the vicious gods of legend have been trapped for centuries and the Old Kings have slowly been gaining control. But Neve has an ally, though it's one she'd rather never have to speak to again: the rogue king Solmir. Solmir wants to bring an end to the Shadowlands and he believes helping Neve may be the key to its destruction. But to do that, they will both have to journey across a dangerous landscape in order to find a mysterious Heart Tree, and finally to claim the gods' dark, twisted powers for themselves.

*For the Wolf* Hannah Whitten,2021-06-01 AN INSTANT NEW YORK TIMES BESTSELLER AND TIKTOK SENSATION! The first daughter is for the Throne. The second daughter is for the Wolf. An instant NYT bestseller and word-of-mouth sensation, this dark, romantic debut fantasy weaves the unforgettable tale of a young woman who must be sacrificed to the legendary Wolf of the Wood to save her kingdom. But not all legends are true, and the Wolf isn't the only danger lurking in the Wilderwood. As the only Second Daughter born in centuries, Red has one purpose—to be sacrificed to the Wolf in the Wood in the hope he'll return the world's captured gods. Red is almost relieved to go. Plagued by a dangerous power she can't control, at least she knows that in the Wilderwood, she can't hurt those she loves. Again. But the legends lie. The Wolf is a man, not a monster. Her magic is a calling, not a curse. And if she doesn't learn how to use it, the monsters the gods have become will swallow the Wilderwood—and her world—whole. If you ever wished *Beauty and the Beast* had more eldritch forest monsters and political machinations, this is the romance for you.—Alix E. Harrow, author of *The Ten Thousand Doors of January* A brilliant dark fantasy debut! —Jodi Picoult, NYT bestselling author

**That Time I Got Drunk and Saved a Human** Kimberly Lemming,2023-05-23 When a spirited young woman with a penchant for adventure finds herself locked away in a dragon's tower, she realizes that fate has a peculiar sense of humor when it comes to her romantic prospects, in this laugh-out-loud fantasy rom-com. All children are told fairytales. Some are

epic adventures with high stakes and exciting twists, while others are tales of pitiful princesses trapped in boring towers pining for their Prince Charmings to come and rescue them. Growing up, Cherry always hated those stories. Why didn't the princesses just get up and rescue themselves? Little did she know that her own fate would take an ironically similar turn. Because now, here she is. Stuck. In a tower. Turns out, when a dragon holds you hostage, he doesn't just let you get up and leave. Who knew? And just when Cherry thinks she sees hope on the horizon, that hope is smashed to bits by—you guessed it—another damn dragon.

**Longshadow** Olivia Atwater, 2022-04-05 Proper Regency ladies are not supposed to become magicians—but Miss Abigail Wilder is far from proper. The marriageable young ladies of London are dying mysteriously, and Abigail Wilder intends to discover why. Abigail's father, the Lord Sorcier of England, believes that a dark lord of faerie is involved. But while Abigail is willing to match her magic against Lord Longshadow, neither her father nor high society believes that she is capable of doing so. Thankfully, Abigail is not the only one investigating the terrible events. Mercy, a street rat and self-taught magician, insists on joining Abigail in unraveling the mystery. Mercy is unpredictable, and her magic is strange and foreboding—but the greatest danger she poses may well be to Abigail's heart. A queer romantic faerie tale of defiant hope and love against all odds, set in Olivia Atwater's enchanting version of Regency England. Praise for the Regency Faerie Tales "A delightful, romantic romp. The definition of a comfort read." —Hannah Whitten "Fully a delight! Whimsical, witty, and brimming over with charm." —India Holton "Sweeps you off your feet in the swooniest way possible." —Megan Bannen "I wolfed this down with great pleasure." —KJ Charles "Whimsical but never frivolous, sweet but not sugary. I loved it." —Alix E. Harrow "A perfect historical fantasy romance: Warm, sparkling with magic, dangerous, and delightful." —Tasha Suri

The Hemlock Queen Hannah Whitten, 2024-04-09 AN INSTANT NEW YORK TIMES BESTSELLER! The glittering and dangerous world of the Sainted King's royal court is upended when Prince Bastian seizes control and a mysterious dark force begins to take over in the second installment of New York Times bestselling series The Nightshade Crown. The corrupt king August is dead. Prince Bastian has seized the throne and raised Lore—a necromancer and former smuggler—to his right-hand side. Together they plan to cut out the rot from the heart of the royal court and help the people of Delleire. But not everyone is happy with the changes. The nobles are sowing dissent, the Kirythean Empire is beating down their door, and Lore's old allies are pulling away. Even Prince Bastian has changed. No longer the hopeful, rakish, charismatic man Lore knows and loves, instead he's become reckless, domineering, and cold. And something has been whispering in her ear. A voice, dark and haunting, that's telling her there's more to the story than she knows and more to her power than she can even imagine. A truth buried deep that could change everything. With Bastian's coronation fast approaching and enemies whispering on all sides, Lore must figure out how to protect herself, her prince, and her country before they all come crumbling down and whatever dark power has been creeping through the catacombs is unleashed.
