Forever Home Graham Norton, 2023-09-19 "Wonderful. . . . Dark, funny, full of emotional intelligence and gripping from the start . . . beautifully written."—Daily Mail The internationally bestselling author and host of The Graham Norton Show returns with a tense and darkly comic novel that casts a caustic light on the relationship between mothers and daughters and truth and self-preservation. Where do secrets live? Carol is a divorced teacher living in a small town in Ireland, her only son now grown. A second chance at love brings her unexpected connection and belonging—and sparks a flurry of speculation.

What does a woman like her see in a man like that? What happened to his wife who abandoned him and his children all those years ago? Carol and Declan know their relationship is the talk of the town, but the gossip only serves to bring the couple closer. When Declan becomes ill, their relationship falters. His children are untrusting and cruel, and Carol is forced to leave their beloved home, with its worn oak floors and elegant features, and move back with her parents. Carol's mother is determined to get to the bottom of things—she won't see her daughter suffer this way. It seems there are secrets in Declan's past, strange rumors that were never confronted, and suddenly the house they shared takes on a more sinister significance that affects them all.

Home Stretch Graham Norton, 2021-06-22 In this “compelling, bighearted, emotionally precise page-turner” (Sunday Times), the New York Times bestselling writer and acclaimed television host explores the aftermath of a tragedy on a small-town to illuminate the shame and longing that can flow through generations—and how the secrets of the heart cannot stay buried forever. It is 1987 and a small Irish community is preparing for a wedding. The day before the ceremony, a group of young friends, including the bride and groom, are involved in an accident. Three survive. Three are killed. The lives of the families are shattered and the rifts between them ripple throughout the small town. Connor survived, but living among the angry and the mourning is almost as hard as carrying the shame of having been the driver. He leaves the only place he knows for another life, taking his secrets with him. Travelling first to Liverpool, then London, he eventually makes a home—of sorts—for himself in New York, where he finds shelter and the possibility of forging a new life. But the secrets—the unspoken longings and regrets that have come to haunt those left behind—will not be silenced. Before long, Connor will have to confront his past. A powerful and timely novel of emigration and return, *Home Stretch* demonstrates Norton's keen understanding of the power of stigma and secrecy—and their devastating effect on ordinary lives.

UNTITLED NOVEL Graham Norton, 2024

Frankie Graham Norton, 2025-01-14 Warm and wise, Frankie is a woman worth getting to know.—Bonnie Garmus, New York Times bestselling author of *Lessons in Chemistry* From the internationally bestselling author and host of The Graham Norton Show, a dazzling and decades-sweeping story about love, bravery, and what it means to live a significant life. Always on the periphery, looking on, young Frankie Howe was never quite sure enough of herself to take center stage—after all, life had already judged her harshly. Now old, Frankie finds it easier to forget the life that came before. Then Damian, a young Irish caretaker, arrives at her London flat, there to keep an eye on her as she recovers from a fall. A memory is sparked, and the past crackles into life as Damian listens to the story Frankie has kept stored away all these years. Traveling from post-war Ireland to 1960s New York—a city full of art, larger-than-life characters and turmoil—Frankie shares a world in which friendship and chance encounters collide. A place where, for a while, life blazes with an intensity that can't last but will perhaps live on in other ways and in other people.

A Keeper Graham Norton, 2018 Elizabeth Keane returns to Ireland after her mother's death. The house of her childhood is stuffed full of useless things, her mother's presence already fading. And perhaps, had she not found the small stash of letters, the truth would never have come to light

Holding Graham Norton, 2017 **NOW A MAJOR TV DRAMA SERIES** 'A gentle comic crime story' The Guardian 'Poised and perceptive' Sunday Times 'a beautiful piece of writing with a great story and fantastic, full bodied characters. All this with glorious West Cork as its setting...irresistible.' Kathy Burke '... a deftly plotted story as moving as it is compelling' Sunday Mirror 'Deeply accomplished ... brilliantly observed' Good Housekeeping '... one of the more authentic debuts I've read in recent years ... in such an understated manner, eschewing linguistic eccentricity ... in favour of genuine characters and tender feeling ... this is a fine novel' John Boyne, Irish Times 'It's funny and wonderfully perceptive' Wendy Holden 'It is beautiful and yet devastatingly sad' Daily Express 'Strenuously charming ... surprisingly tender' Metro 'Heartwarming and observant' Stylist The remote Irish village of Duneen has known little drama; and yet its inhabitants are troubled. Sergeant PJ Collins hasn't always been this overweight; mother of two Brid Riordan hasn't always been an alcoholic; and elegant Evelyn Ross hasn't always felt that her life was a total waste. So when human remains are discovered on an old farm, suspected to be that of Tommy Burke - a former love of both Brid and Evelyn - the village's dark past begins to unravel. As the frustrated PJ struggles to solve a genuine case for the first time in his life, he unearths a community's worth of anger and resentments, secrets and regret. Darkly comic, touching and at times profoundly sad. Graham Norton employs his acerbic wit to breathe life into a host of lovable characters, and explore - with searing honesty - the complexities and contradictions that make us human.

She doesn't quite know what it is, but something about it feels very strange...

Legally Lethal Sanjna Iyer Dighe, 2022-11-28 The scene is set in Washington D.C., in the Supreme Court of the United States of America: One of the safest places in the country, with extreme security, the police, detectives and the sort. This is the same place where the slimiest and the toughest of criminals are straightened and everyone seeks to attain justice. Surely nothing fishy could ever happen here. When Supreme Court Justice Graham Norton goes missing minutes before a murder trial, it comes as a shock to everyone. The initial prime suspect for the kidnapping and possible murder is Dane Murphy, who possibly just missed getting a death sentence. However, as the plot unfolds, new people come under the shadow of suspect and the case becomes one that never seems to see its end. Not even when one of the best detectives, and old-time friend of

the victim, Seth Cole is handling the case. Seth Cole is a man of great experience and prides himself in having solved the trickiest of cases. Everyone including his new-appointed intern Frank Mile, is in awe of him. If there is anyone who can possibly bring an end to this mystery, it has to be Cole.
