How the West Was Won (Louis L'Amour's Lost Treasures) Louis L'Amour, 2017-09-26 As part of the Louis L'Amour's Lost Treasures series, this edition contains exclusive bonus materials! They came by river and by wagon train, braving the endless distances of the Great Plains and the icy passes of the Sierra Nevada. They were men like Linus Rawlings, a restless survivor of Indian country who'd headed east to see the ocean but left his heart—and his home—in the West. They were women like Lilith Prescott, a smart, spirited beauty who fled her family and fell for a gambling man in the midst of a frontier gold boom. These pioneering men and women sowed the seeds of a nation with their courage—and with their blood. Here is the story of how their paths would meet amid the epic struggle against fierce enemies and nature's cruelty, to win for all time the rich and untamed West. Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L'Amour's Lost Treasures: Volumes 1, Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L'Amour's never-before-seen first novel, No Traveller Returns, faithfully completed for this program, is a voyage into danger and violence on the high seas. These exciting publications will be followed by Louis L'Amour's Lost Treasures: Volume 2. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.

To Die For Gary C. King, 2011-07-11 This book follows the FBI's search for and capture of Darren Dee O'Neill, a serial killer whose ability to change his appearance kept him out of the reach of the authorities, and describes his violent sexual crimes. Deadly Hunk--For women with a yen for macho men, Darren Dee O'Neill seemed the kind of guy romantic dreams were made of. Strong, handsome, smooth talking, with an array of tattoos adding to his masculine aura, he came on as a rugged outdoorsman looking for a mate. But in reality, O'Neill was a nightmare of savage, sexually violent crimes that put him on the FBI's Most Wanted list. Here is the bone-chilling true story of the twisted killer whose masterful ability to change appearances confounded authorities again and again...and a mother's agonizing search for her missing daughter. It is the story, too, of the brilliant police work and startling psychic detection that teamed with a family's outrage to bring him to justice. But it was too late for the young woman whose dream of a hunk to die for became a chilling reality! Note: To Die For was previously published as Blind Rage

Yondering Louis L'Amour,2004-10-26 "Over the years I have been proud to write about the men and women of the American frontier. But I have written many stories with entirely different settings which I have long wanted to share with my readers. "I have collected some of these in Yondering. They are glimpses of what my own life was like during the early years. Those were the rough years; often I was hungry, out of work and facing situations such as I have since written about. "Although these stories take place in a variety of locales, they are stories of people living under conditions similar to the way they might have lived on the frontier. I hope you'll enjoy Yondering." —Louis L'Amour
