Colleen Hoover

It Ends with Us Colleen Hoover, 2016-08-02 From the #1 New York Times bestselling author of *Regretting You*, *It Starts with Us*, and *All Your Perfects*, a “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) about a young woman in a new relationship who can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Summary of It starts with Us Alexander Cooper, 2023-01-03 It starts with Us - A Comprehensive Summary Since January 2012, when we first started, I've been a member. I was a housewife by then in my life and had really rediscovered my companionship for examining. After reading the Beaten article on Amazon, I purchased the book right away. I went completely gaga for her association and starting there on, I was a subsequent fan. I bought the next installments of Pounded, Hopeless, and everything else since I discovered her through virtual amusement. I joined her Facebook fan groups (Individual Accomplice and WEBLICH) because, like many others, I wanted a place to show how much I love her organization and meet others who did the same. I was fortunate enough to meet her at a book signing in 2014; she was unquestionably the person she portrays herself to be, RBF and all. The most remarkable quality of the author is her capacity to flawlessly discover every human trait. I know she says she doesn't keep secrets, so maybe it's normal for her to make herself feel so good.
