The Secret to True Happiness Joyce Meyer, 2008-04-29 For all the technology, conveniences, and advantages we experience in today's world, many of us struggle just to get through each day. After coming through what seemed like a lifetime of abuse, hardship, and oppression, Joyce Meyer has come to live every day in victory and joy. In her new book, she spreads the word that an exciting, enjoyable life is available to everyone! The breakthrough for Joyce came when she started to look at herself through God's eyes. There, she not only saw the truth about herself and changes she needed to make, but came to know His unconditional love. Joyce has packed this book with biblical principles and practical application revealing secrets she has discovered for living a full and joyful life. After reading this informative and entertaining book, you will be ready to ENJOY TODAY and EMBRACE TOMORROW.

The Love Revolution Joyce Meyer, 2009-09-22 Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love every day. And if Joyce has her way, the revolution will spread -- person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century. Meyer starts out by giving some stunning statistics. Right now, . . . 210,000 children will die this week because of poverty; 640 million children do not have adequate shelter; every day, 3,000 children are abducted into the sex-trafficking industry; every day, 16,000 children die from hunger-related causes. She goes on to say that although crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. Love Revolution focuses on personal behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger; being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.
