The Secret Law of Attraction as Explained By Napoleon Hill Napoleon Hill,2008-06-24 IT ALL STARTED WITH CARNEGIE AND HILL Few things in recent history have had the impact of The Secret. Created by Rhonda Byrnes, the video program and book have taken the ideas of the New Thought Movement that flourished in America at the turn of the twentieth century and made them as intriguing as The Da Vinci Code and as up-to-date as this morning-s headlines. This book, The Secret Law of Attraction as explained by Napoleon Hill, focuses its attention on two of the most famous names mentioned as keepers of the secret--Andrew Carnegie and Napoleon Hill--and on how Carnegie conveyed his understanding of this Secret Law of Attraction to Hill--who, in turn, transformed those concepts into the best-selling success book in the history of publishing: Think and Grow Rich. THE COMPLETE SECRET IN ONE BOOK For the first time, Napoleon Hill-s books have been carefully analyzed to identify those passages dealing with the Law of Attraction as well as the lesser-known of Carnegie-s laws that govern personal achievement and success. These key sections have been brought together between the covers of this one book, The Secret Law of Attraction

Mastering the Law of Attraction J.D. Rockefeller,2016-06-28 You get what you think. Like attracts like. You attract what you focus on. You have probably been hearing these statements again and again in the last two decades. Is it true? Although it sounds interesting, some skeptics believe that the law of attraction really works. Why shouldn't it? We always tend to get what we focus on. When we focus on the fact that a job interview is going to be a disaster, it usually does turn into one. When we think about how we are going to panic when we enter the examination hall, the likelihood is that that's exactly what's going to happen. These are experiences that many of us have gone through. As usual, most of us find it easier to remember the negative events and not the positive events. If we focus on something negative and it happens, then we can surely focus on something positive and it will happen too. This is the general premise of the law of attraction. Made popular by the book *The Secret* and the movie by the same name, the law of attraction is quite simple. It just says that like attracts like. So, if you focus on bad things, you will attract disaster. If you focus on good things, you will attract happiness. But this is easier said than done. It seems to sound easy, but many people find it difficult when they try to follow this principle. They

want something, they focus on the lack of it, and that's what they get...lack of it. This is where most people tend to go wrong. The law of attraction is about focusing on abundance and not on lack. So, if you focus on the fact that you already have what you desire, you will get it. But if you focus on the fact that you don't have something and would like to have it, you never get it. In that case, how can you use the law of attraction to manifest your desires and your dreams into reality? Many people have been successful in manifesting their desire for money, a soul mate, a house, a great career, and so on and so forth. You can too. Just read this guide that aims to help you understand how you can manifest your desires into reality and where you may go wrong.

Money and the Law of Attraction Jerry Hicks,Ester Hicks,2022-05-24 Esther and Jerry Hicks present the teachings of the Non-Physical awareness Abraham in Money and the Law of Attraction. The ideas presented here are related to wealth and success. They will demonstrate that you should focus on what you want in life rather than what you don't want. If you focus your attention on the fact that you don't have enough money, you'll be in the ideal position to create more of what you don't have. As Abraham says: There is enough for everyone. The key is for each of you is to see it and want it - and then you will attract it. Know that you have the power to bring into your life whatever you desire. Affirm that money flows to you easily and that you have an unlimited supply of abundance and prosperity.
