Wilson M. Nelson

El libro de Job ,1923

El libro de Job Jorge V. Pixley,1982

Job 38-42, Volume 18B David J. A. Clines,2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Más que maravilloso Leslie J. Thompson,2013-10-06 Este rico y profundo libro es para todo aquel que se siente arto de una fe frívola y busca un Dios vivo y real. La obra excava profundamente las grandes verdades de Dios, a la vez que hace

entendible lo trascendente. Doctrinalmente da en el blanco, pues desde los primeros párrafos se observa que lo escrito se fundamenta en una amplia referencia a la Palabra de Dios. El contenido de esta obra estimula por su estilo devocional. No es un libro para leer a la ligera, sino pausadamente, para poder absorber la riqueza de sus enseñanzas. El alma del lector se deleitará con la lectura y reflexión de lo expuesto. Sin duda, le conducirá a un andar más agradable e íntimo con Dios.

Job ante la grandeza de Dios Bruno González García, 2020-05-07 Dice Job 1:9b: ¿Acaso teme Job a Dios de balde? Según Satanás, el ser humano adora a Dios y su grandeza cuando todo va “viento en popa a toda vela”. Job ha demostrado que hay personas que sí, que adoran a Dios y su grandeza cuando las cosas van bien, pero también cuando la nave de su barco pasa por las tormentas de la vida. \nDurante estos once capítulos donde he ido desarrollando diferentes partes del libro de Job, el hilo conductor siempre ha sido la grandeza de Dios. Cuando le conferimos majestad a una persona, estamos reconociendo su grandeza. Y en este libro toda la grandeza, majestad y poder tienen que ir dedicadas al único Dios trino y verdadero, creador del cielo y de la tierra, a quien hará bien el ser humano someterse a su soberana voluntad, reconociendo que solo él tiene toda la autoridad y todo el poder para manifestarse con su grandeza, tanto en el vasto universo, como también en la vida de cualquier individuo. Él tiene el poder para descubrir todo lo que uno pueda reservarse y todo lo que pueda aparentar ser.\n
