Viera Masih Gossai

Live Life with No Regrets Anne Bachrach, 2011-09-22 You make your own choices. The choices you make will impact your life - positively or negatively, depending on the choice. Choose to live your life with no regrets from this day forward. You choose where to live and how to live. If you don't like any part of your life, choose to change it - and start today. Imagine reflecting on your past, from any point in your long, happy life, and having no regrets. How did you get here? Maybe it's too late for you to live a life of no regrets, but what about your future life? What would have to happen from this point going forward for you to live a life of no regrets? Regrets are a waste of time anyway, as you can't change the past. So, let go of the past and decide to choose to live your life with no regrets from this day forward. Living a life of no regrets doesn't mean perfection. It means that we choose to make decisions with a little more thought. When we look back on the choices we have made, will we regret any of the choices? Is a successful and happy life with few or no regrets a choice....? Is success a choice or a chance collision of various uncontrollable factors? In studying self-improvement, we learn that we can't change others, nor can we single-handedly change the world. However, we do have the power to change our own lives. This is the single most important message in self-improvement. You do not have to settle for what you think is life's role for you. You are not doomed to live a life you are unhappy living. You are not enslaved to other people. Any and all of these self-limiting beliefs can be overcome. If what you are currently doing doesn't serve you, you can choose to change it right now. You can choose to start by taking 'baby' steps. Start by having a day without regrets. How about a business trip where you don't have any regrets? What would a vacation without regrets look like and feel like? What would have to happen to have an argument or 'touchy' conversation with your spouse or child without regrets? How would you have a conversation with a client you don't enjoy and not have any regrets? How would you communicate with employees who may not be working to your expectations and not have any regrets? Could you have a day of making everyday business decisions and personal choices without any regrets? What would a day without regrets look like and feel like? What would a week of no regrets look like and feel like? What would a month of no regrets look like and feel like? Invest in this program today and start life with no regrets tomorrow.

The Balm to heal Amavuta Yomora J. B. Manywa, 2025-02-04 During the genocide of the Tutsi in Rwanda in 1994, author J. B. Manywa was left to die in a covered and cemented septic tank used as a grave. In *The Balm to Heal: Amavuta Yomora*, he narrates his personal experiences during those unthinkable and inhumane events and his life after. This is a chronicle of his journey, how he rebuilt his life, and provides insight into how you can do the same after losing it all. Manywa highlights the difficulties we all face as we emerge from suffering to reclaim our lives, shows concrete ways to take the first steps to a new life, and invites us to see hope and possibility for the future. Manywa shares his story in *The Balm to Heal: Amavuta Yomora* to encourage those who've lived through challenging circumstances. It tells how it is possible to regain your life and build a thriving future, no matter what you've experienced.

The Wind Chimes of Life D. A. Mc Bride, 2011-11 *THE WIND CHIMES OF LIFE* is about life! In everyone's personal journey there are light bulb moments of consciousness. When we come to realize that GOD is all we need Him to be in any given situation, life becomes thought-provoking, enlightening and inspiring. Life is a journey, oftentimes accompanied by the ravages of wind and rain storms or intense fog, but then the blessing of sunshine appears when finally arriving at a place of peace with GOD. He has a Word for us regardless of what we go through along the journey to our destiny. Thank GOD for Jesus!

Once Again Viera Masih Gossai, 2023-05-25 This memoir takes us on a journey of an Indian-American woman having endured an abusive marriage for decades. Viera Gossai narrates firsthand the effects of cultural norms, conventions, expectations after her divorce, and finally her restoration and awakening to a sense of herself. There are numerous

predefined social norms created by our society that far too frequently accepts the distressed and depressed life of an abused married woman, but often rejects divorce, particularly in the Indian-American community. This memoir is a poignant reminder that one cannot and should not abandon hope in the face of the suffering and the unraveling of oneself and one's identity. Once Again invites readers to believe in the hope that new beginnings are possible and the assurance that abuse will not be the last word.

The Calculus of Change Jessie Hilb, 2018 Worried about her struggling family and her best friend, Aden isn't looking for love. But when Tate walks into Calculus class wearing a yarmulke and a grin, Aden's heart is gone in an instant. This poignant debut novel explores unrequited love, grief, and finding comfort in one's own skin.

Dedicated To You Candy Hwa, 2010-05-20 Only Human Daniel James, the sole heir to his mother's business, Gloria Financial Group, leaves his hometown of Sydney, New South Wales, Australia and moves to the smaller city of Adelaide where he enrolls into University of South Australia. There he meets a girl, unlike any other. At first sight, she avoids him, because he is rich and all his annoying fan girls are exceedingly loud and selfish. As time goes on, the girl feels drawn to Daniel. When they officially start dating, one obstacle just happens to get in the way... Memorable Quotes: - "We are renting this apartment. We never seem to have enough money because the prices just keep rising. People just want to make money, they do not think twice about the disadvantaged." - Stalkers NEVER have happy endings. Flora is right; you are a VERY selfish person. You want her all to yourself and not share her with anyone, not even her brothers. They are a family; they are allowed to be together. YOU RUINED EVERYTHING IN HER TIME DURING HIGH SCHOOL, she is NOT safe with you around. You do not allow her to do things without your supervision, which is abuse and controlling behaviour. If you love her, you should be able to trust her! You obviously do not show that you do. YOU CANNOT EVEN MAKE FLORA SMILE FOR THE SEVEN YEARS YOU HAVE LOVED HER, NOT EVEN ONCE (he was shocked at these words)!" Fly High Dream. Hope. Fly. "When you have a Goal, fulfill it. Why? Because it gives you a purpose in life." Three people, two boys and one girl, have the most beautiful singing voices in the whole school. They love singing but no one likes their songs because they do not sing English but so what? If it is their dream to become singers why let others block their path to success..? Memorable Quotes: - "Thanks Bradley. It is not likely people will like us because we sing in different languages. Why can people not accept everyone is different?" "Because people only like what they like. They do not care about what everyone else likes." - "I was afraid that you would think I was a cry-baby." She answered quietly, "I was distracting my father from the road and he ran into another vehicle. Both my parents died almost instantly from the crash and I was the sole survivor, not even the other vehicle's passengers survived from the crash." - "My parents were very lovable people, they had many friends." Ryan began, "Nearly everyone in our neighbourhood knew them. We were a wealthy family that lived well with all the other wealthy people. My parents were murdered by being stabbed repetitively then shot twice each. There were two murderers but only

one was caught. The other committed suicide to avoid going into prison. They deserve the prison time for taking away my parents but I have lived life as they had, by doing the one thing that I am happy doing, singing. Murderers deserve a life sentence for murder, not just a set period.” - “I want to show images of what happens at war, just the like original music video to this song. It would teach arrogant country leaders that war solves nothing. All it does is hurt others. Even though people are fighting for their countries, it makes things worse by hurting others. Too bad people do not listen to foreign songs. A lot of foreign songs have powerful messages but people are too ignorant to give them a try.” Bradley proudly said. Fond Memories When the love of your life forgets who you are when they wake up, how would you feel? Miserable or desperate to win them back before someone else did? That is how Jonathan James felt. It got even more difficult when his brother falls in love with the same girl... Memorable Quotes: - “Wealthy people are so arrogant. Just because they can have anything they want, they take advantage of that and act all ‘high and mighty’. They treat everyone who is considered lower than them to be scums or people unworthy of their attention. Why do people only like wealthy people? They are not the best type of people anyway
