This book is the outcome of their experience. In it, you will find a beautiful combination of therapy and meditation, of love and awareness. *Twice Born* offers a synthesis of the Western and Eastern approaches toward Childhood Deconditioning. Quotes by Osho Lilith Regan,2020-03-19 Be -- don't try to become Friendship is the purest love. It is the highest form of Love where nothing is asked for, no condition, where one simply enjoys giving. Life begins where fear ends. Be realistic: Plan for a miracle Falling in love you remain a child; rising in love you mature. By and by love becomes not a relationship, it becomes a state of your being. Not that you are in love - now you are love. You feel good, you feel bad, and these feelings are bubbling from your own unconsciousness, from your own past. Nobody is responsible except you. Nobody can make you angry, and nobody can make you happy. Truth is not something outside to be discovered, it is something inside to be realized.
