A NEW DAWN Dawn Lyon,2012-03-06 This book is for anyone who has suffered rejection, abandonment, and pain; frankly, anything that has come between them and being the best person they can be. A New Dawn has been written according to what I remember and according to accounts given me by family members. And please let me make it very clear, it is not and never will be my desire to hurt or blame others for anything that has happened in my life. Blame should never be an issue in the struggles of life. However, there were things from my past that influenced certain actions that took place as I grew up. As you read my autobiography it could help you to avoid some of the same pitfalls I suffered. Not only that, but writing my life's story was extremely therapeutic as I put my feelings into words.

Faith Journaling for the Inspired Artist Stephanie Ackerman,2017-11-21 Shows readers how to combine their love of art with their faith, in a book that intends to expand artistic horizons and expressions through dozens of drawing, doodling, and lettering exercises.

Blessed be Our Table Neil Paynter,2003 This book of graces and reflections integrates thankfulness with a burning passion for justice, both of which are central to our relationship with a bountiful provider God, with the whole creation, with each other and with our brothers and sisters throughout the world who, because of greed and injustice, will not receive their daily bread. This work invites us to pray and recommit ourselves to act for justice each time we join in the simple sharing of a meal. It is also very much a celebration - of food, of diversity, of community and sharing, of creator and creation. The graces in this book are from a wide range of contributors - from Iona Community members, associates and friends, from other religious communities and houses of welcome, from humanitarian organisations, from different faiths and traditions.

Comfort One Another Pastor Rusty Yost,2013-08 Your journey through this study of Paul's letters to the Thessalonians will serve to strengthen your walk with Christ in refreshing ways. This study will remind you of the power of the gospel to change lives today. As well, it will introduce you to the great doctrine of the Second Coming of Jesus Christ, which is the source of our comfort in a fallen world. We need comfort for the inevitable disappointments experienced in this life. This book will provide help, encouragement, and comfort as you travel toward home.
