THE CAP- TRAGEDY OF ERRORS Geoffrey Akuamoa,2013-03-15 A Swiss family travel on a ski holiday. They do not return until late in life. Their children search for them all over but are unable to find them. After some years they are unfortunately declared dead, death in absentia after they have been missing for an extended period of time without any proof that they are still alive. Like an intricately constructed puzzle in the form of meshing, hooking, and dovetailing irregularly shaped pieces that make a picture when fitted together, the natural truth reveals, piece by piece the conundrum of their parent's demise and survival.

Thoughts and Written Expressions Ken Goss,2019-03-22 *Thoughts and Written Expressions* is a collection of life experiences that the author has written for the sole purpose of inspiring all those who read this book. Even though these words are written by the author and compiled with his very own thoughts, he is overly confident that each page that is read will capture the reader's heart and mind. In this book, you will read topics such as life and death, love and betrayal, friendship and hatred, success and failure, wealth and poverty, marriage and divorce, and even God and the devil. *Thoughts and Written Expressions* will enrich the spirituality that we possess regardless of whatever the culture, color of skin, belief system, and gender. This book is a reminder that we are all connected in this journey we take called life and that our views

and opinions matter if we are to make a difference in this world. It is also a reminder that sharing what we learn in life, how we grow, and how we live is the core and the fabric of our being. From the time of birth to the second we depart this life, it is what is in between that matters, and with reading Thoughts and Written Expressions, there will be many pages in between that you will relate to your very own life. This book is not designed to offend or ridicule anyone's sense of purpose, thoughts, or direction they have chosen for their life; however, it is written to be a reference of the situations that we find ourselves in where we often feel that no one knows our pain. In reading this book, the author hopes that you find it as insightful and uplifting as he has found it enjoyable and pleasurable to write.
