**Leap of Faith: The Personal Story of Bob and Charlene Pagett, Founders of Assist International** William Carmichael, Nancie Carmichael, Bob Pagett, Charlene Pagett, 2022-05-23 Bob and Charlene Pagett's story offers a clear example of what it means to live a life of profound meaning motivated by faith. Theirs is a story of optimism and the belief that every person in the world is valuable. It is a story of perseverance, of overcoming challenges and obstacles, all in the pursuit of the greater good. Their story is also a powerful one about what it means to take a chance. Not just any chance, but the chance to follow God's plan for your life to make a difference. If you need inspiration to take your own leap of faith, this book is for you. Leap of Faith not only shares the remarkable story of two people who in midlife took the leap, but it offers timeless and approachable principles you can apply wherever God has called you in your own life. Leaps of faith often begin with steps of faith—sometimes very small steps. Bob and Charlene inspire us to begin our own adventure of faith, and their story is living proof that when we dare to walk through the open, sometimes-daunting doors God provides, the possibilities are endless.

**Essentials and Almost Essentials of Christianity** Robin Wright, 2022-08-01 What does a person have to believe to be a Christian? With hundreds of different denominations and probably thousands of beliefs, are there some essentials that all people must believe in to be a Christian? An obvious answer to that is, yes. What are the essentials that people must believe in to be a Christian? The author answers that question with eight essential beliefs in part 1. Part 2 adds eight more beliefs that are almost essential. The third part of the book lists eight essential practices of Christians. As you read, question both

the author and your own beliefs by searching the Scriptures.

**Living the Questions of the Bible** Luke A. Powery,2023-05-16 Living the Questions of the Bible presents questioning as a viable and faithful Christian practice. We may think the Bible is only about getting answers, but the Bible is also a question book, revealing how the life of faith is a quest with and for God. By exploring various passages in the Bible, this book attempts to invite readers into an interrogative spirituality, one in which we learn that even God questions. Faith seeks and keeps on seeking. It may reach understanding, or it may not. Either way, our questions are a way to live the Christian life honestly, faithfully, and doxologically.

Religion Christian Smith,2019-03-26 A groundbreaking new theory of religion Religion remains an important influence in the world today, yet the social sciences are still not adequately equipped to understand and explain it. This book advances an innovative theory of religion that goes beyond the problematic theoretical paradigms of the past. Drawing on the philosophy of critical realism and personalist social theory, Christian Smith explores why humans are religious in the first place—uniquely so as a species—and offers an account of secularization and religious innovation and persistence that breaks the logjam in which religious scholarship has been stuck for so long. Certain to stimulate debate and inspire promising new avenues of scholarship, Religion features a wealth of illustrations and examples that help to make its concepts accessible to readers. This superbly written book brings sound theoretical thinking to a perennially thorny subject, and a new vitality and focus to its study.
