Bittersweet (Oprah's Book Club) Susan Cain, 2023-06-20 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • The author of the bestselling phenomenon Quiet explores the power of the bittersweet personality, revealing a misunderstood side of mental health and creativity while offering a roadmap to facing heartbreak in order to live life to the fullest. "Bittersweet has the power to transform the way you see your life and the world."—OPRAH "Grabs you by the heart and doesn't let go."—BRENÉ BROWN, author of Atlas of the Heart "Susan Cain has described and validated my existence once again!"—GLENNON DOYLE, author of Untamed "The perfect cure for toxic positivity."—ADAM GRANT, author of Think Again LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: The

Wall Street Journal, Mashable Bittersweetness is a tendency to states of longing, poignancy, and sorrow; an acute awareness of passing time; and a curiously piercing joy at the beauty of the world. It recognizes that light and dark, birth and death—bitter and sweet—are forever paired. If you’ve ever wondered why you like sad music . . . If you find comfort or inspiration in a rainy day . . . If you react intensely to music, art, nature, and beauty . . . Then you probably identify with the bittersweet state of mind. With *Quiet*, Susan Cain urged our society to cultivate space for the undervalued, indispensable introverts among us, thereby revealing an untapped power hidden in plain sight. Now she employs the same mix of research, storytelling, and memoir to explore why we experience sorrow and longing, and how embracing the bittersweetness at the heart of life is the true path to creativity, connection, and transcendence. Cain shows how a bittersweet state of mind is the quiet force that helps us transcend our personal and collective pain, whether from a death or breakup, addiction or illness. If we don’t acknowledge our own heartache, she says, we can end up inflicting it on others via abuse, domination, or neglect. But if we realize that all humans know—or will know—loss and suffering, we can turn toward one another. At a time of profound discord and personal anxiety, *Bittersweet* brings us together in deep and unexpected ways.

Drugs in American Society Nancy E. Marion, Willard M. Oliver, 2014-12-16 Containing more than 450 entries, this easy-to-read encyclopedia provides concise information about the history of and recent trends in drug use and drug abuse in the United States—a societal problem with an estimated cost of \$559 billion a year. Despite decades of effort and billions of dollars spent to combat the problem, illicit drug use in the United States is still rampant and shows no sign of abating. Covering illegal drugs ranging from marijuana and LSD to cocaine and crystal meth, this authoritative reference work examines patterns of drug use in American history, as well as drug control and interdiction efforts from the nineteenth century to the present. This encyclopedia provides a multidisciplinary perspective on the various aspects of the American drug problem, including the drugs themselves, the actions taken in attempts to curb or stop the drug trade, the efforts at intervention and treatment of those individuals affected by drug use, and the cultural and economic effects of drug use in the United States. More than 450 entries descriptively analyze and summarize key terms, trends, concepts, and people that are vital to the study of drugs and drug abuse, providing readers of all ages and backgrounds with invaluable information on domestic and international drug trafficking and use. The set provides special coverage of shifting societal and legislative perspectives on marijuana, as evidenced by Colorado and Washington legalizing marijuana with the 2012 elections.

The(y)ology Max Yeshaye Brumberg-Kraus, 2023 Every body contains multitudes, but no body is immune to the ideology of oneness: one true self, one sexuality, one gender, one vision of the world, one true God. For many who identify (or who have been named by others) as transgender, queer, and nonbinary, the refusal to fit within the illusion of one set of sex and gender expectations has been met with violence and suppression. While the myth of oneness is a powerful story that shapes the contours of our societies and our selves, it is not the only myth. Performances, fictions, rituals, and theologies can

transform current realities. The(y)ology: Mythopoetics for Queer/Trans Liberation is a manifesto for artists, teachers, theologians, clergy, and activists looking for ways to resist rigid paradigms of gender, sexuality, self, and the sacred. In these pages, we are called to tell new stories about who we are and how we relate to each other within our ecosystems. The myths discussed wrestle with and transform the complex mytho-histories that have birthed and, often, harmed us. No story comes from nothing, and, more radically, perhaps no story is fully irredeemable. In The(y)ology, feminist philosophies join with trans poetics, literary theory with liberation theologies, drag performance with kabbalah, ecologies with pornographies, and ancient theater with queer autobiographies. However ambitious its scope might be, The(y)ology is fundamentally about encouraging us all to think playfully and to play thoughtfully with the mythologies that define our lives. Max Yeshaye Brumberg-Kraus is a poet, playwright, drag artist, and independent scholar living in Saint Paul, Minnesota. They are the co-founder of the House of Larva Drag Co-operative, performing as drag ogress Çicada L'Amour, producing one acts, full-length shows, and cabarets since 2014. In and out of drag, Max has performed at the Guthrie Theatre, Pangea World Theatre, 20% Theatre, In the Heart of the Beast Puppet and Mask Theatre, Rimón (The Minnesota Jewish Arts Council), the Rochester Arts Center, and have also directed a full length show (Circe: Twilight of a Goddess) with Siren Island in Point San Pablo, California. After majoring in classics and theatre at Beloit College, they received their MA in Theology and the Arts from United Theological Seminary of the Twin Cities. Max is former fellow and facilitator with Arts Religion Culture (ARC), and a member of the Green Sabbath Project. They are currently pursuing their MFA in Interdisciplinary Arts at Goddard College, with a focus on queerness and the medieval imagination.

Awakening from the American Dream Master Charles Cannon, Will Wilkinson, 2014-03-11 Awakening From The American Dream... From Crisis To Consciousness... is an expose' of the American Dream as illusory enculturation. It is a call to awakening to true reality in which happiness is not something to be pursued, but rather innately experienced as one's birthright. The book invites readers to wake up from the American Dream, rather than trying to make it work or creating a new dream. A dream is a dream... it can never be reality. Part One focuses on the initial stages of awakening, beginning to question Dream beliefs, like the pursuit of happiness (if you're chasing it you don't have it!). Part Two uses the Socratic Method to question popular myths about life in America, relative to twelve specific areas of life (like the economy, health, marriage, religion, etc.). Readers are invited to challenge their own convictions and open to new possibilities. Part Three is about what it is like to live wide-awake, taking personal responsibility for the reality you create and being a leader by example for others.

One-Liners Ram Dass, 2007-12-18 Ram Dass has always been a master of the one-liner. Here is the nitty-gritty by the author of Be Here Now—more than 200 penetrating observations and pithy spiritual instructions on such topics as How It All

Is, Love and Devotion, Suffering, Aging, Planes of Consciousness, Death and Dying, Service and Compassion, Psychedelics, Social Awareness, and Liberation. "This book is a kind of spiritual brandy, a distillation of the lectures I've given over the course of the past decade or so. These quotes are the little "aha!" moments, the cameos that have been served up out of our collective consciousness from time to time that seem to summarize something about our human journey. I think of this book as something you might have next to the coffeepot to pick up in the morning, or as something you might tuck into your backpack to pull out during your bus ride to work, in order to reframe the way you look at your day." —Ram Dass

Walking Each Other Home Mirabai Bush,Ram Dass,2018-09-04 An intimate dialogue between two friends and luminaries on love, death, and the spiritual path, with guidance for the end-of-life journey We all sit on the edge of a mystery. We have only known this life, so dying scares us—and we are all dying. But what if dying is perfectly safe? What would it look like if you could approach dying with curiosity and love, in service of other beings? What if dying is the ultimate spiritual practice? Ram Dass and Mirabai Bush began their friendship more than four decades ago at the foot of their guru, Neem Karoli Baba, also known as Maharaj-ji. He transmitted to them a simple philosophy: love everyone, tell the truth, and give up attachment to material things. A year before Ram Dass passed, he reunited with Bush for an intimate dialogue—which became *Walking Each Other Home*. In this extraordinary book, you'll hear from two beloved teachers about the spiritual opportunities within the dying process. They generously share intimate personal experiences and timeless practices with courage, humor, and heart, gently exploring every aspect of this journey. Here you'll learn about guidelines for being a "loving rock" for the dying, how to grieve fully and authentically, how to transform a fear of death, leaving a spiritual legacy, creating a sacred space for dying, and much more. "Everybody you have ever loved is a part of the fabric of your being now," says Ram Dass. The body may die, but the soul remains. Death is an invitation to a new kind of relationship, in the place where we are all One. Join these two lifelong friends and spiritual luminaries as they explore what it means to live and die consciously, remember who we really are, and illuminate the path we walk together.

The Coming Darkness John Ankerberg,John Weldon,1993 The authors of the tremendously successful Facts On series demonstrate that there is a power in the occult, but it is demonic power--and it must be exposed, not embraced. This book documents the dangers of occultism, including suicide, mental illness, fraud, and death, and equips believers to face the deception of the fast-approaching darkness.

Cosmo Doogood's Urban Almanac Eric Utne, 2004 Pilgrimages to wild places such as Death Valley help us connect to nature, to be sure. But what would it take for us to reestablish that connection right where we live day-to-day ... in the city? Ben Franklin would be proud. In the spirit of his Poor Richard's Almanac, Eric Utne, founder of Utne Magazine, presents Cosmo Doogood's Urban Almanac: Celebrating Nature & Her Rhythms in the City. It's an inspirational way for 21st-century urbanites, who now number over half the U.S. population, to connect with nature, live more fully, and celebrate each day of the year. Words of Wisdom Ram Dass, 2023-01-10 Words of Wisdom is a distillation of the last five decades of Ram Dass's life containing the most powerful quotes from his most resonant core teachings. Ram Dass always had a knack for heart-to-heart transmission. Far before he had a vocabulary to describe his spiritual experiences, he was Richard Alpert, a Harvard professor and early experimenter with psychedelics. After these early soul-expanding journeys, he spoke and wrote about his transcendent experiences with the innate, intuitive understanding of a true inner-voyager. Even before Alpert realized that psychedelics weren't the final answer to enlightenment, he was more interested in cultivating a shared heart space with his patients and friends than he was in the clinical, scientific side of psychedelia. Words of Wisdom is a distillation of hundreds of lectures and many hours of audio and video recordings from the last five decades—his core essential teachings. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul connection. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul connection. Through five decades of teaching in both the institutional and public realms, Dass has served as a leader in spirituality, psychology, and psychedelia, fusing these elements to embody a purposeful intention of love and joy.
