VGC: The 2025 Guide to Video Games 1981 Media Ltd,2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year-in-review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play regardless of what console, handheld, PC or mobile device they were using. Meanwhile, behind the scenes 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment (for better or worse). Our Reviews section contains every notable VGC game review from 2024, 'remastered' and presented to you in physical form (we're big on preservation, you see). Our Features section offers some of our best long-form articles from the past year. Finally, our

Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year, while also harking back to the days of the games magazines we loved so much.

Silent Hill F Game Guide Mimir a Andersen,2025-09-25 There are five Silent Hill f endings, and if you want to know how to get them then I can explain what you need to do for all of them. The important thing to understand upfront is that you are only getting one ending the first time you complete the game, as that's locked in and can't be changed. You also can't get one of the other endings without having at least two other endings on your save. So it's a marathon not a sprint if you want to see everything. Here's how all the Silent Hill f endings work. Master Silent Hill f with essential combat techniques, resource management tips, and exploration strategies to survive Ebisugaoka's horrors. Stepping into the fog-shrouded streets of Ebisugaoka feels like entering a nightmare you can't wake up from. Silent Hill f throws you into 1960s Japan as Hinako Shimizu, a teenager facing horrors beyond imagination. Unlike previous entries in the franchise, this game emphasizes melee combat over pure psychological terror, creating a unique survival experience that demands both strategy and quick reflexes. Whether you're new to the Silent Hill series or a veteran looking to master the latest entry, understanding the game's core mechanics will mean the difference between survival and becoming another victim of the cursed town.
