**Biography of a Chairman Mao Badge** Melissa Schrift,2001 An innovative look at the changing symbolic value of Chairman Mao badges, from the Cultural Revolution to the present day. Biography of a Chairman Mao Badge is a work of cultural history that contributes to our understanding not only of Chinese society but, more generally, of strategies people employ in responding to and transforming the meaning of propaganda campaigns and symbols.

*Technology Meets Flowers* Eric van Heck,2021-06-30 Why do the Dutch continue to play a central role in the global production, sales, and distribution of flowers? What are the origin and history of the bulb and flower industry in the Netherlands? How are Artificial Intelligence (AI), complex algorithms, and modern distribution systems ensuring that fresh flowers reach their destination on time? This very entertaining and informative book introduces readers to the global flower business, and highlights the surprising factors that helped the Dutch become global leaders on the flower markets. The book reveals the complexity of the flower markets in terms of their ability to produce, transport, and deliver fresh flowers on a global scale. In addition, it explores how information advantage is created by blending business with technology, from robotized glasshouses to the use of AI-driven algorithms for flower production and distribution. In closing, the book presents lessons learned regarding the circular and digital transformation of the high-speed flower business and markets in order to deliver sustainable value for customers. Combining the light beauty of flowers with the harsh language of the digital universe is a masterfully executed task in this book, organized as a bouquet of algorithms, data science, and digital platforms. Mandatory reading for all those interested in the flower business as well as for those who want to know more about the perfume emanating from digital systems. Eduardo Diniz Professor and Head of the Technology and Data Science Department, Escola de Administração de Empresas de São Paulo, Fundação Getulio Vargas, São Paulo, Brazil This unique book leads you through the bulb fields and auctions of the Netherlands, through history, logistics, auction design, and Internet technology, to draw lessons in business management from the study of flowers. With beautiful illustrations. A tour de force. John Kay Economist, Author of Radical Uncertainty and Greed is Dead, and Fellow, St. John's College, University of Oxford, Oxford, United Kingdom If you want to understand the impact of information and technology on a fascinating industry, this book is a must-read. The author explains in a highly intriguing way how innovations propelled the flower industry from the sixteenth

century till today. Whether you are working in the flower industry, a business student, academic, or just intrigued by the business behind flowers, you will enjoy this book! Martin Mocker Professor of Information Systems, ESB Business School, Reutlingen University, Reutlingen, Germany. Research Affiliate, MIT Sloan Center for Information Systems Research, Cambridge, USA

*The Look of Van Dyck* John Peacock, 2017-07-05 Based on a close study of Van Dyck's Self-portrait with a Sunflower, this book examines the picture's context in the symbolic discourses of the period and in the artist's oeuvre. The portrait is interpreted as a programmatic statement, made in the ambience of the Caroline court after Van Dyck's appointment as 'Principal Painter', of his view of the art of painting. This statement, formulated in appropriately visual terms, characterizes painting as a way of looking and seeing, a mode of vision. In making such a claim, the artist steps aside from the familiar debate about whether painting was a manual or an intellectual discipline, and moves beyond any idea of it as simply a means of representing the external world: the painter's definitive faculty of vision can reach further than those realities which present themselves to the eye. John Peacock analyses the motif of looking - the ways in which figures regard or disregard each other - throughout Van Dyck's work, and the images of the sunflower and the gold chain in this particular portrait, to reveal what is essentially an idealist conception of pictorial art. He contradicts previous opinions that the artist was pedestrian in his thinking, by showing him to be familiar with a range of ideas current in contemporary Europe about painting and the role of the painter.

*Chasing the Bright Side* Jess Ekstrom, 2019-11-05 One flicker of hope. That's all it takes to catapult yourself into the life you've always imagined. Join entrepreneur and bestselling author Jess Ekstrom as she shares her journey to creating good in the world while fulfilling her own dreams -- and teaches you how to do the same. Do you have dreams for yourself and the world that are tucked away in your box of somedays? What would happen if today was the day you opened the box? And what if that box was the key to a better tomorrow? In *Chasing the Bright Side*, Jess Ekstrom shares her own inspirational story of how optimism helped her overcome multiple challenges, and the dynamic ways her mindset propelled her as a young entrepreneur, international speaker, and philanthropist.?? Jess teaches us that success is not born out of skill, school, where we're from, who we know, or what we scored on the SAT. None of us were born ready, but we are born with something more important than skills. We're born with optimism -- the initial seed for success. Optimism fuels the belief that you can be the one to create the good the world needs. But you've got to hone it, practice it, and choose to live from it. *Chasing the Bright Side* will give you the practical tools and encouragement you need to: Embrace the life-changing power of optimism Activate your unique purpose Write your own story Jess's story is sure to inspire you to start *Chasing the Bright Side* -- right where you are. Praise for *Chasing the Bright Side*: *Chasing the Bright Side* is essential reading for anyone facing a challenge, in work or in life. With emotion, humility, and humor (and some amazing stories), Jess Ekstrom not only demonstrates how

anyone with a dream can eventually persevere, but also shows by example how we all can tap into the passion to do so. It's the book I wish I had read before starting my own entrepreneurial journey, but luckily it's not too late for everyone else. It's a page-turner that you won't be able to put down until you've finished but holds lessons that will reveal themselves to you for a lifetime. --Marc Randolph, Netflix cofounder and first CEO

**Bach Flower Remedies** Julian Barnard, 2004 Today, disease and death control us ever more strongly with a litany of viruses, cancers, and heart disorders. The causes may be vaccinations, environmental poisons, despoliation of food, or pollution of the elements--earth, water and air. For Bach the cause was clear and it is clear today: 'It is only because we have forsaken Nature's way for man's way that we have suffered, and we have only to return to be released from our trials. In the presence of the way of Nature disease has no power; all fear, all depression, all hopelessness can be set aside. There is no disease of itself which is incurable.' --Julian Barnard In the 1920s, the physician and homeopath Dr. Edward Bach made his great discovery of the healing effects of various flower essences. Intense and revelatory, his experiences in nature resulted in thirty-eight flower remedies. He describes these as bringing courage to the fearful, peace to the anguished, and strength to the weak. But the therapeutic effects of the remedies were never limited to emotional states. They are equally effective in the treatment of physical disorders. Barnard begins the process of explaining this phenomenon. He describes how Bach made his discoveries and examines the living qualities of the plants in their context and how the remedies are actually produced. The result is remarkable. The author recounts his observations so that readers can experience, in a living way, the complex ways in which the remedy plants grow--their gestures and qualities, ecology, botany, and behavior. This exciting book is a trumpet call to attend to nature in a new way. Fully illustrated.

**Sunflowers** Joe Pappalardo, 2008-03-13 Pappalardo's unexpected and highly entertaining social history of this scandalous flower stretches from the Stone Age to the Space Age, from its healing role in Hopi tribal rituals to its covert involvement in the Cold War.

*Hidden Quest* Lamiya Siraj, 2023-08-18 "Dare to Dream! Because dreams matter...." A tale of two girls named Ahana and Nishi who embark on an adventurous journey to overcome their fears and conquer their dreams. "Will they survive the journey? Will they be able to fulfil their dream?" Ahana, born with a golden spoon, wanted to experience life like any other ordinary teenage girl leaving her GOLDEN STATUS behind. Trains always fascinated her since her childhood. She dreamt of travelling - travelling across India in trains. She wanted to experience the real adventure of life, travelling through dense forests, mountain passes, and wild rivers and having fun along the way. But being an only child, she was over-protected and pampered by her parents. In the journey of her life and adventure, the person who always supported her and stood by her

side was her friend Nishi. The conversations throughout this beautiful journey of Ahana and Nishi are thought-provoking and filled with depth and meaning. At the same time, they explore the themes of friendship, self-discovery, and personal growth. "How do teenagers react when encountering challenges?" "What are the dangers and obstacles they faced? What happens when the gullible girls fall into peoples trap?" "How will they overcome their fears?"

**Pretty Reckless** Jane Anthony,2022-03-28 I didn't ask Chase to take me in when my life fell apart. Turns out my BFF has some kind of sick white-knight complex I can't wrap my head around. He told me I could stay with him under one condition: Absolutely no drugs or booze. What a killjoy, right? Despite his bad-boy exterior, Chase has always been my safe haven. The tattooed antidote to my life of crazy. Moving in with him seemed like a great idea but I never expected to start thinking about him the way I have been. Fantasizing. Lusting. Wondering. Until a moment of weakness lands him in my bed. One night of toe-curling, back-bowing passion I'll never forget. And I've tried. It's impossible. Chase didn't fight like hell to get clean and sober just to toss it away on a hot mess like me. I'm a lost cause. Yet, it's a reckless risk he seems willing to take... even if my salvation means his ruin. From USA Today bestselling author, Jane Anthony, comes a stunning, standalone masterpiece about addiction, recovery, and reckless, ugly, never-ending love.
