*On Spine of Death* Tamara Berry, 2022-11-29 2023 EDGAR AWARD NOMINEE, LILIAN JACKSON BRAUN PRIZE for Buried in a Good Book In 'Keystone Kops'-style scenes set around the morgue, a muddy mountain, and the hardware store, bones and books disappear and reappear...[On Spine of Death] is a quirky story for those who enjoy funny cozies.—Library Journal Bestselling author Tess Harrow and her teenage daughter Gertrude have decided to make Winthrop their home. Their cabin is fixed up and now they're turning to the family hardware store that Tess inherited from her late grandfather into the town's first independent bookstore. But when renovations unearth bones from a cold case and send them toppling—literally—onto Tess's head, the work comes to a grinding halt. With the whole town convinced that her grandfather was a serial killer, Tess has to call in a fellow horror author for reinforcements. Together, they'll come up with a perfect story to make all the clues fit...and solve a mystery more than thirty years in the making.

*Murder Runs in the Family* Tamara Berry, 2025-04-29 Riotous romp of a mystery! —New York Times bestselling author Leslie Meier A knockout series debut from a veteran author...a heartrending tale of how complicated families can be. —Kirkus Reviews, Starred Review Amber thought she had troubles before her grandma was arrested for murder... Former PI-in-training Amber Winslow has decided to flee her life in the dead of night, carrying nothing but the clothes on her back. Down on her luck and with no other choice, she heads to the sunny state of Arizona to the luxury accommodations of her grandmother's retirement community. Never mind that Amber's never actually met her estranged and eccentric Grandma Jade. As soon as she sneaks her things into Seven Ponds (a place she technically doesn't qualify for and definitely can't afford), she's shocked to learn that George Vincent, a.k.a. the Admiral, was found dead the very night of her arrival. What's even more shocking is that no one seems particularly distraught over the news of the Admiral's death or the disappearance of his prize pet tortoise. All anyone can talk about is a missing Vincent family heirloom, and they're quick to blame Jade for both the Admiral's murder and the theft of the priceless ring. Amber doesn't want to admit the woman she's just met—and who accepted her without question—could be behind the Admiral's death, and she's determined to clear her grandmother's name no matter the cost.

**Curses Are for Cads** Tamara Berry, 2020-10-27 Just as fake medium Eleanor Wilde begins falling for Nicholas Hartford III and his endearing family, she's summoned to a remote Scottish castle where an unusual assignment to locate a haunted

trove of treasure threatens Eleanor's budding romance, her livelihood . . . and her life! As Sussex's resident witch and pseudo psychic, Eleanor has grown accustomed to somewhat strange requests for supernatural aid. So when Nicholas's university pal, Sid Stewart, writes from the family's remote castle in Scotland, begging for Ellie's services as a medium, Ellie is only delighted to help. Apparently, the recently deceased patriarch of Sid's family, Glenn Stewart, died before divulging the whereabouts of an important cache of family heirlooms. The Stewart clan hopes a clairvoyant can contact him from beyond the grave. Of course, Ellie can't actually commune with the dead. But faking it is the name of her game. She's not worried, until . . . Aboard the train for Oban, Ellie discovers that fellow medium Birdie White is also heading to the Outer Hebrides to assist the Stewarts. Birdie is a master in the art, serving as a spiritual consultant to royalty and even assisting Scotland Yard on occasion. Ellie might not trust the woman's motivations, but Birdie's skills are unquestionable. But while Birdie is busy speaking with the dead, Ellie plans to talk to living suspects—namely, the other residents and employees of the spooky Stewart estate, who know a lot more than they're letting on. Amid swirling rumors of cursed treasure, whispered tales of ghostly pirates, and a recent spate of preternatural murders, in order to catch the killer Ellie must confront the most terrifying possibility of all—her gift may be real . . .

**Murder Off the Books** Tamara Berry, 2023-05-30 2023 Edgar Award Nominee, Lilian Jackson Braun Prize for Buried in a Good Book Author Tess Harrow is looking to get back in the town of Winthrop's good graces after she uncovered not one, but two long-forgotten murders. With the perfect plan of combining her new book release with her bookstore's grand opening she'll have the chance to wine and dine the locals and some big press contacts. But the night before the party, Tess is greeted by a surprise: her mother has come for a visit, with her much-younger new boyfriend in tow...a boyfriend her daughter Gertrude recognizes as the notorious Levi Parker, a man recently connected to the deaths of three elderly widows. Tess immediately alerts Sheriff Boyd about Levi and his suspicious past, but it's already too late—Levi Parker is found dead and Tess's mother is starting to look like the prime suspect. Bernadette swears she didn't murder Levi, and Tess is doing her best to maintain her mother's innocence, but too many coincidences keep stacking up. With the whole town seemingly against her family, it's up to Tess to get to the bottom of the story before it's too late.

**Mrs. Claus and the Nightmare Before New Year's** Liz Ireland, 2024-09-24 It's beginning to look a lot like New Year's in this creative and witty mystery featuring a unique heroine who's married to the real-life Santa Claus and living in the North Pole. Santaland is scrambling to keep its secrets hidden from a trio of unexpected guests, but before the New Year's Eve ball drops, the countdown is on for April Claus to catch a killer... April Claus is looking forward to relaxing with her hubby, Nick (aka THE Santa Claus), in the week between Christmas and New Year's Eve. But just after Santa departs for his deliveries, an elf pulls into Santaland with three people he found lost in the frozen wilderness. The survivors of a scientific expedition are injured, but their presence endangers the future of Santaland. So, while the strangers recuperate at the

infirmary, April convinces Christmastown to pull off its grandest, most impossible, most magical feat yet . . . pretend to be normal! Posing as a touristy, albeit Christmas-centric, arctic town, the elves cover their ears, snowmen take a vow of silence, and the reindeer keep their hooves on the ground. But as New Year's Eve draws closer, hiding their true selves becomes harder to do, especially when one of the uninvited guests dies under highly suspicious circumstances. With a murderer in their midst, April sets out to find the uncorked culprit before any auld acquaintances should be forgot . . . or worse.

**Mystic Spires Post-Mortem** Stacey Jernigan, 2025-10-14 Judge Avery Lassiter is determined to find the truth-with unintended consequences. Gigi Mesero was more than a wealthy heiress and entrepreneur. She was also the victim of a strange murder at the Mystic Spires Hotel in Dallas, Texas, a case that has remained unsolved for eight years. The mysterious circumstances of the crime, however, haven't allowed it to be forgotten. Some believe it was Gigi's own sister, a popular social media influencer. Some believe it was one of her numerous seedy lovers looking to steal her fortune. Some believe it wasn't murder at all. With a whole slew of theories, detectives and online sleuths have exhausted all avenues. However, when Judge Avery Lassiter becomes obsessed with personally investigating the murder, she and her friends and family will stir up new clues, controversies, and coverups. A tale about lies, technology, and the shifting world of criminal investigation, *Mystic Spires Post-Mortem* invites readers to follow a dangerous trail of death and corruption alongside a cast of determined investigators.

**Buried in a Good Book** Tamara Berry, 2022-05-24 2023 EDGAR AWARD WINNER: LILIAN JACKSON BRAUN MEMORIAL PRIZE A slapstick comedy of murder. —Library Journal This first in series is truly original, funny, and well written. A real standout. —Mystery Scene Bestselling thriller writer Tess Harrow is almost at the end of her rope when she arrives with her teenage daughter at her grandfather's rustic cabin in the woods. She hopes this will be a time for them to heal and bond after Tess's recent divorce, but they've barely made it through the door when an explosion shakes the cabin. Suddenly it's raining fish guts and...is that a human arm? Tess was hardly convincing Gertie that a summer without Wi-Fi and running water would be an adventure. Now she's thrust into a murder investigation, neighbors are saying they've spotted Bigfoot in the woods near her cabin, and the local sheriff is the spitting image of her character Detective Gabriel Gonzales—something he's less than thrilled about. With so much more than her daughter's summer plans at stake, it's up to Tess to solve this case before anyone else gets hurt. Put your sleuthing hat on—*Buried in a Good Book* features: A thriller writer who knows way more than anyone should about death and dismemberment Her young daughter who's more intrigued by dead bodies than she probably should be An isolated cabin in the woods that's probably—definitely—hiding something The tiny mountain town that seems less than troubled by a sudden abundance of murders

*Forthcoming Books* Rose Army, 2001-08

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004

**Hypnosis Is for Hacks** Tamara Berry,2021-10-26 Eleanor Wilde has traded a career as a sham medium for a (relatively) respectable life in a small English town, providing the locals with herbal remedies and elixirs. But on a trip to the seaside town of Brighton, her past comes calling—and so does a killer . . . Though Eleanor is delighted that her brother, Liam, is visiting her in England, she must reluctantly agree that her quiet village lacks something when it comes to sightseeing—namely: sights. True, there's nearby Castle Hartford, belonging to the family of Ellie's boyfriend, Nicholas. But even Nicholas's mother is eager to ditch sleepy, sweltering Sussex for a vacation in Brighton, taking Ellie and a relieved Liam with her. Yet hopes of a breezy seaside holiday quickly turn stormy, in every sense . . . The ominous change in weather is accompanied by the reappearance of Ellie's former partner-in-crime, Armand Lamont. Back when Ellie earned a living as a phony medium, Armand's hypnosis skills helped the pair persuade many gullible marks to hand over their savings. Ellie assumes that Armand has resurfaced with blackmail in mind, but before she can figure out his angle, she and Liam witness a man being pushed from a boat by two shadowy figures who then vanish into midair. Phantoms? Demons? Though Ellie doesn't believe in either, the recovered body is real enough, as is a string of thefts plaguing their luxury hotel. Ellie has a theory, and it requires inviting Nicholas to join them under a fake identity. Their evolving relationship is as complex as this case, and Ellie's authentic supernatural abilities too are developing in surprising ways. But as for whether the outcome will be good or bad, not even her witchy powers can say . . .

*Beyond L.A. Law* Janet E. Smith,National Association for Law Placement (U.S.),1998 This work answers the question, ; What else can I do with a law degree?; by giving you a glimpse into the lives of people who've broken the ; lawyer; mold. As you read their stories, you'll see how they beat the odds to succeed. You'll learn career tips and strategies that work, from people who've put them to the test. For additional career resources, visit the AttorneyJobs Web site.

**Potions Are for Pushovers** Tamara Berry,2019-11-26 It may have been a ghost that led Eleanor Wilde to set up shop in a quaint English village. But now that she's established herself as the town witch, Ellie's contentedly casting spells on anyone desperate enough—or gullible enough—to request her mysterious potions... Selling mystical elixirs and tantalizing tonics is a pretty good way for a fake medium to earn a living. Or at least it's Ellie's main source of income—until a villager turns up dead. The cause? Murder by poisoning. And though Ellie's concoctions don't include anything worthy of a skull and crossbones, suddenly she's the prime suspect. Her only recourse is to find the culprit who did do away with Sarah Blackthorne. No one liked the mean old battle-axe. But did anyone hate her enough to kill her? It's enough of a mystery to make Ellie hang up her witch's hat and take millionaire beau Nicholas Hartford up on his offer to keep her afloat. Except Ellie is not the kind of woman to lean on a man—least of all a man she adores but whose place in her life is uncertain. Besides, Ellie's taken on two young witches-in-training—apprentices if you will—and both of them are convinced a werewolf is the murderer. Just as Ellie's wondering if there really is something otherworldly going on, animals suddenly begin to

disappear—including her beloved cat, Beast. Now Ellie's on the warpath to uncover the wicked truth about the people and the place she's only just begun to call home...

**Tamara Berry Books In Order Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive

collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Tamara Berry Books In Order PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding

relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Tamara Berry Books In Order PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Tamara Berry Books In Order free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals

waiting to be discovered right at your fingertips.

## **FAQs About Tamara Berry Books In Order Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
