

Test Languette Main Aéroport

Francis Clinckx

Stuck at the Airport Harriet Baskas, 2001 Airports used to be places we just passed through on our way to somewhere else. But with an increase in layovers and ever-mounting delays, dwell-time in airports has become an inevitable, tedious, and often infuriating part of travel today. This essential guidebook won't get you where you want to go faster, but it does provide great suggestions for eating well, taking care of business, and having fun while you wait. In clear, cleverly written profiles of each airport, Harriet Baskas, Expedia.com's airport expert, spells out: the best places to eat and what local specialties to try; diversions for kids (playgrounds, observation decks, and museums); quick trips to make by cab (including times to the nearest city); locations of business centers and data ports; shops with interesting, reasonably priced items; well-stocked bookstores; art and history exhibits; clean places to shower and quiet corners for taking a nap. In some airports, she reveals, you can even get a dentist to look at that troublesome tooth, a shoemaker to fix a wobbly heel, and a masseuse to ease travel-induced kinks -- and crankiness. Organized alphabetically for easy reference. *Stuck at the Airport* is the indispensable travel companion for business and leisure travelers alike.
