**Erich Fromm**

*The Heart of Man. The Heart of God.* Irving W. Risch, 2015-09-14 The mind is an amazing thing, but it is just part of the heart. Let me explain. When the Bible refers to the metaphorical heart it includes our mind, (our thought life), our desire (our emotions), and our will (our decision making). This makes up our character; who we really are. In this writing I would like to look at the heart of man and then the heart of God. The first three parts of this writing is based on three messages given by Charlie Fizer at the Hiawatha Bible Chapel in Wabasha Minnesota. I have added my thoughts to his teachings plus seeing his teaching was about the heart of man, I am adding a fourth part on the heart of God to round off his lessons on the heart of man. Charlie Fizer is retired from Emmaus Bible College and is now serving the Lord by traveling to small churches across the US and Canada teaching God's Word. He also holds a position as Chaplain in Dubuque, IA. Where he and his wife Darlene live. Charlie and Darlene also served as missionaries in Japan for many years. As we start to look at the heart of man we see something that happens over and over again in all mankind; and this includes men and women alike. When a person sins it happens like this. First the thought is conceived in the mind; we think about something like David did when he looked at Bathsheba and started to lust after her. Then that thought started to develop within, (the heart). It became a desire of the heart. Then by the will one acted on that desire so becoming an act of sin. This is the case for every sin we commit, or action we take whether good or bad. It starts in the thought process of the heart, which is called the mind. We are so programmed to think when we hear the word "heart", we start to think about the organ in our chest that pumps the blood throughout our bodies. This is true but when we hear the word in the Bible it always mean, the most inner part of man's makeup, except for two places where it meant the organ that pumps blood. It is who you really are. It has to do with your intellect, feelings, your will, and all your desires. It also can mean the most center part of you. It is where everything in you comes from. Let us look at the way we use this word and some of the meanings; the idioms we use. First "at heart." We use this in reality, fundamentally; basically. Then when we say "break someone's heart" we mean to cause someone to be devastated by sorrow or disappointment. If you say, "I can say that by heart." you mean you can do it entirely from memory. There are so many more like this, "eat your heart out", "have a heart", "have one's heart in the right place", lose one's heart to", and this list can go on and on. All this idioms deal with what we are talking about here. If you don't think this subject is important, just think of this. The word "heart" is found 835 times and is in 775 verses in the New King James Bible (NKJV). (A side note: I did a

search on BibleGateway.com and searched the entire Bible for the word heart in the New King James Version Bible and it is found 926 times). In any case it is found many time. Let me ask some questions. Have you ever questioned the motivation of your heart? Or have you ever thought yourself to be something? Then maybe you have never read verses like “For if anyone thinks himself to be something, when he is nothing, he deceives himself.” Galatians 6:3, or “If anyone among you thinks he is religious, and does not bridle his tongue but deceives his own heart, this one's religion is useless.” James 1:26. Maybe one last verse, “The heart is deceitful above all things, and desperately wicked; who can know it?” Jeremiah 17:9. Wow! This should make us question our hearts all the time, but the truth is not many of us do this. We trust our hearts even though the Bible tells us not to. This will lead us down the wrong path every time. Let us try to understand the heart of man by what the scriptures tell us about it. First the heart is the thinking aspect of man. We read in Proverbs 23:7 NKJV, “For as he thinks in his heart, so is he.” Then Jesus asks in the New Testament, “For out of the heart proceed evil thoughts.” And again he said “Why do you think evil in your hearts?” There are so many scriptures that tell us this, (Matthew 9:4; 15:19; 24:48, Luke 2:19) just to mention a few. Now the question is, Does it make a difference in the way I think? What does my eternal destiny have to do in the way I think? Or maybe to put it another way, Am I responsible for the way I think? I say a big “YES.” Again the scriptures tell us affirmative, “For to be carnally minded is death, but to be spiritually minded is life and peace. Because the carnal mind is enmity against God; for it is not subject to the law of God, nor indeed can be.” (Romans 8:6 NKJV). (Remember the mind is part of the heart). Whatever things are true, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things.” (Philippians 4:8 NKJV). I believe there is a lot said about our thought life because that is where sin starts. We have to remember because of the fall our heart changed. We need a heart transplant which we will talk about later. Now if our thought life is wrong it will now make our actions wrong. Even when we think we are doing good, sin enters in by way of pride, and pride is sin. Are we messed up or what? All right now, after we have wrong thoughts then our desires and will come into play. Our thoughts control our desires, (an emotion) which in turn controls our will, (our actions). With all this in mind, let us move on with this subject. We are going to start a three part study plus one on the heart, which I described above. Let us start with this scripture and Charlie Fizer's first message.

**The Heart of Man's Destiny** Herman Westerink, 2012 The Heart of Man's Destiny is a new reading of Lacan's seventh seminar. Working from a new perspective it explores the relationship between Freudian psychoanalysis and the Reformation.

**The Heart of Man** Andrew Wommack, 2024-11-05 Are you seeking a better relationship with God? Do you want to serve the Lord but believe something is holding you back? Your life is the way it is, not because of outside circumstances, but because of what you believe in your heart. As your heart goes, so goes your life. In this booklet, learn how to: Protect your heart at all costs Not just be a housebroken sinner Inspect the fruit of your life Use your “master control system”

**The Heart of Man and Woman** Alan Coleman,2010 The heart of man and woman-the spiritual computer of mankind-plays an important role in our everyday lives. In *The Heart of Man and Woman: Rules*, author and Apostle Alan Coleman strategically examines and illuminates the hearts of men and women. In this step-by-step guide to entering God's presence with joy and love, Apostle teaches: - The spiritual heart is not in your chest but between your ears. The world, Satan, you, and Jesus all strive to win your heart. There is a continuous war over your heart, and whoever wins will control you. - There are many truths, but there is just one Truth: Jesus. - The heart is a holder of truths as you know them to be true. False truths are everywhere, seducing the heart at every opportunity. - True salvation is based on a person's heart. Whatever is in the heart, the body performs or works out. - Forgiveness is an integral part of the kingdom of God and must be continuously strived for. - Repentance is the key to the heart of God. Offering passion and insight, *The Heart of Man and Woman: Rules* seeks the truth to forever change your life financially, morally, and spiritually.

**The Heart of Man** Johannes Gossner,2016-10-08 Excerpt from *The Heart of Man: Either a Temple of God, or a Habitation of Satan; Represented in Ten Emblematical Figures; Calculated to Awaken and Promote a Christian Disposition* Paul taught: Satan is the God of this world of the wicked and unbelievers - who darkens their understanding, so that they cannot see the light of the glorious gospel of Christ. (2 Ger. 4, It is therefore a work of the devil, a blindness of the devil, not to believe in the gospel of Christ. **The Heart of Man** Erich Fromm,2010 *The Heart of Man* questions human nature itself, from the forms of violence that plague it to individual and social narcissism to how the positive value of love of life can potentially outweigh the destructive syndrome of decay caused by the love of death and other harmful tendencies of thought. *The American Mental Health*

Foundation's Fromm titles] are timely, directly relevant to modern psychological and social issues, and bring absolutely invaluable humanist messages to temper psychology's scientific and healing discipline. Highly recommended, especially for college library collections. --Midwest Book Review Fromm's follow-up to *Escape from Freedom* and *The Art of Loving* is a keen study of violence on a small scale leading to the specter of mass destruction.

The Heart of a Good Man Godfrey Young, 2008-07-01 For some retail leaders, intense competition and changing shopping patterns have created a radical rethinking of strategic focus. This has resulted in a fundamental shift from the traditional emphasis on the 4-Ps of the marketing-mix (product, price, promotion, place) to a focus instead on the overall shopping experience. This emerging shift has, in turn, placed good to great performance as the governing vision and cornerstone of market advantage. Such a vision has been applied to every aspect of the company's commitment to operational excellence and customer focus in fulfillment of their brand promise. It is in this context that *Great Store Performance* finds its timely relevance and compelling appeal. This book focuses exclusively on the subject of great store performance; what it means in distinction to typically good store performance, why its sustained achievement is so elusive and what is required to make its consistent achievement a reality to achieve and sustain market advantage. The recommendations offered in this book are based on the important findings and conclusions of extensive and groundbreaking field research conducted in over one thousand field executive store visits within several major chain store retailers over the past nearly two decades. Because this is the only book available that deals specifically with the discipline and challenges of retail field leadership, and which is written primarily and directly to and for retail field executives and senior level executives, it promises to be a unique and invaluable contribution.

Searching For Jesus Rev. Abraham Howard Jr., Abraham Howard, 2011-02 SEARCHING FOR JESUS IS EVERYTHING YOU THOUGHT YOU KNEW ABOUT HIM IS EVERYTHING THAT YOU DON'T KNOW ABOUT HIM AND IS EVERYTHING YOU WILL LEARN ABOUT HIM This book is not about how Jesus Christ fulfilled scripture prophecies, or how many miracles he performed, or an explanation of his parables. But rather it is about his physical presence throughout the Holy Bible [from Genesis to Revelation], and how he interacted with the people and their life stories. It is designed with intertwining scriptures and commentary to highlight his presence. The proof of this study will be your conclusion of the whole matter. My prayers are with you as you launch out into the deep. Rev. ABRAHAM HOWARD JR. P.S. THIS BOOK WILL TAKE YOU WHERE ONLY A FEW HAVE VENTURED TO GO.

**The Human Body and Its Connexion with Man** James John Garth Wilkinson, 1851

**The Heart of Man** Ayo Olude, 2019-03-09 I have come to the conclusion that, though many great and experienced

writers have written on this subject, there is still need for one more (at least) that will not just be a book to be read but a resource and teaching material that will be useful for parents, pastors, teachers, counselors and anyone who is yet to find some answers to knotty questions that regularly come on this issue. I must humbly submit that the wisdom contained herein is from Christ and every principle that is annunciated is based on the revelation of the infallible word of God. Nonetheless, I do not believe that you will find most principles in this book altogether new. Some you have heard before at some point. Some will be a confirmation of what you might not have heard before but unconsciously lived by. This is to say that these words are not due to private interpretation of scripture but given by the revelation of what God had in mind when He inspired the portions of scripture being studied. This book on the heart of man is not necessarily a focus on the negative issues of life. Rather, it seeks to show the dynamics of how the heart controls and determines the final outcome of every individual. It provides answers to those who once had it together and good (be it spiritually, emotionally, physically or financially) but woke up to find themselves in the dredge of life and prescribes how an individual can move from this low level to the summit of his or her potentials. Be blessed as you read.

The Heart of Man; God's Target Alfredo Harold Geil, 2009-08 The Heart of Man; God's Target - Part One is Harold's autobiography. It is a captivating account beginning with the author's parents leaving Germany at the end of World War I, and settling in Buenos Aires, Argentina, where Harold was born and raised. He became fluent in three languages, and at age twenty was drafted into the Argentinean Army. Soon thereafter, he was chosen among thousands as the interpreter for the 1952 Argentinean Equestrian Olympic Team, that toured Europe for seven months. After discharge from the Army, Harold enjoyed working for two international German corporations, where he held several management positions; but political upheaval prompted Harold to fulfill his dream to leave for the USA. Part Two outlines hindrances that prevent Christians from truly enjoying God, by failing to appropriate the power, promises and faith of Jesus Christ. Harold Alfredo Geil is a sincere man of God, who spent years in the corporate world as an electrical engineer. While still in Argentina he married his high school sweetheart, and was blessed with two boys. Later in the USA they were blessed with a daughter. But, shortly before retirement, his wife of 28 years died. Through the pain of this experience, and other hardships, his desire to comfort the brokenhearted increased. In 1984 Harold married Jeanie who shared his vision for ministry. Together they have five children, twelve grandchildren and two great grandchildren. Harold and his wife Jeanie have been a tangible gift of love to many. In 1995 they founded Fullness of Christ Ministries, Inc.; bringing God's healing to the brokenhearted. So, it should be of no surprise that a man, who walks so closely with God, exudes genuine fatherly love; and the preciousness they both manifest, extends into their marriage, and to their children and families.
