

The Secret Life Of Walter Mitty Book

James Thurber

The Secret Life of Walter Mitty James Thurber, 2008 A henpecked husband copes with the frustrations of his dull life by imagining he is a fearless airplane pilot, a brilliant doctor, and other dashing figures.

The Secret Life of Walter Mitty James Thurber, 2016 Walter Mitty is an ordinary man living an ordinary life. But he has dreams - vivid, extraordinary day dreams - in which the life he leads is one of excitement and even adventure, in which he - a weary, put upon middle-aged man - is the hero of his own story. A man can dream, can't he? The Secret Life of Walter Mitty is just one of the brilliant humorous and witty stories written by James Thurber and collected here.

The Secret Life of Walter Mitty Ken Englund, Everett Freeman, James Thurber, 1947 The collection consists of a working screenplay for the movie *The Secret life of Walter Mitty*, filmed in 1946 and released in 1947, about a mild man driven to daydream by a dull life and domineering mother, based on a short story by James Thurber. The cover is stamped March 15, 1946, but the typescript includes numerous color-coded replacement pages from various dates during the shooting; also stamped 171 on cover. Many revised pages include the screenwriters' initials, KE-EF, Ken Englund and Everett Freeman. The movie starred Danny Kaye and Virginia Mayo and has been very popular, although Thurber tried to prevent it from being made and was not pleased with the result.

The Secret Life of Walter Mitty and Other Pieces James Thurber, 2000 James Thurber is universally admired for his hilarious sense of humour, off-beat imagination and unique take on the world around him. *The Secret Life of Walter Mitty*, in which a young man's fantasies have a much more powerful hold on him than reality, is probably his best-known prose work, but this selection also contains wonderfully entertaining essays, poetry and cartoons gathered from all of Thurber's collections. Poking fun at his own weaknesses and those of other people (and dogs) - the English teacher who looked only at figures of speech, the Airedale who refused to include him in the family, the botany lecturer who despaired of him totally - James Thurber is essential reading for everyone who loves to laugh.

Secret Lives of Walter Mitty and of James Thurber James Thurber, 2006-04-11 The WISP series (short for Wonderfully Illustrated Short Pieces) represents an ingenious marriage of two creative forces: the artistry of today's foremost children's book illustrators and the literary legacy of beloved authors of popular short works for adults. The resulting offspring of this union are captivating, full-color illustrated editions of timeless classics that readers will want to savor and collect. For the first time ever, the series makes selected popular short works previously offered only in collections available in a unique, stand-alone format. Also for the first time, WISPs harness the talents of top children's book illustrators for the benefit and delight of a new, older audience. The unique appeal of WISPs is brought to life in Marc Simont's The Secret Lives of Walter Mitty and James Thurber, which imaginatively renders the fantastic adventures of the famed protagonist in Thurber's beloved story, first published in 1939. Also included in this edition are Simont's renderings of Thurber's tongue-in-cheek autobiographical essay The Secret Life of James Thurber, which first appeared in The New Yorker in 1943 and is not widely available. These one-of-a-kind, attractively priced and invitingly formatted illustrated editions will make a great impulse buy with broad appeal.
