Zenos. He was born in the slums, and his dirt-poor background has denied him almost every opportunity. After an encounter with a healer, he throws himself into studying to become one and finally catches a break when an adventurer invites Zenos into his party. Zenos is thrilled—so thrilled, in fact, that he’s willing to put up with his teammates treating him like garbage. They fail to appreciate his talents and ultimately kick him to the curb, claiming he’s outlived his usefulness to them. Now bereft of money and out of options, Zenos decides to put his self-taught skills to use elsewhere and opens an underground clinic. Word quickly spreads about the brilliant healer working incredible magic in the city’s shadowy underbelly. Even the royal palace is taking notice... She claims to be nothing more than a maid, but it quickly becomes obvious that she's on the run. Begrudgingly, Zenos agrees to conceal her, even as he feels the situation around him taking a turn for the complicated once again.
