

The Good The Tough And The Deadly

John Alfred Gray

The Good, the Tough & the Deadly David J. Moore, 2015-12-28 This massive study on action movies and stars from around the world, from the 1960s to the present, is filled with more than a thousand in-depth movie reviews that cover every action star who's crossed over from the world of martial arts, sports, professional wrestling, and stunt work. Exploding with beautiful images, exclusive interviews, and a thorough action star index, this one-of-a-kind movie reference book and comprehensive fan guide features reviews by the author, Zack Carlson (Destroy All Movies!!! The Complete Guide to Punks on Film), Vern (Seagalogy: A Study of the Ass-Kicking Films of Steven Seagal and Yippie Ki-Yay Moviegoer!), Mike McBeardo McPadden (Heavy Metal Movies and Going All the Way: The Ultimate Guide to Teen Sex Comedies of the VHS Era), and several others. It is a quintessential tribute to the men and women who have left their mark in the action and martial arts film genres.

Battlefield America Brian Maloy, 2024-11-26 A must-have book for the first responder, serious 2A supporter, survivalist, and threat assessment team member or professional! With active killers and terrorists attempting to claim the very soul of our country, modern Americans must be able to detect, respond to and if necessary, neutralize a deadly target attack. This includes ensuring that threat assessment plans are balanced in order to build organizational readiness against these types of attacks. The time to prepare is now as knowledge is your greatest weapon! Battlefield America | A Citizen's Guide to Surviving the New World fearlessly dives into Brian's unfiltered discussions on: -What contributed to this dark tribulation of America -The transformation to warriorship while mitigating the human physiology during conflict whether you're armed or in the midst of an attack -Critical firearm knowledge that every armed citizen and police officer should master but is rarely prioritized -An invigorating but responsible discussion regarding deadly force and the mechanisms of deploying such force in self-defense and defense of others -The invaluable skills of situational and threat awareness -Several NTAC studies that

discuss risk factors and indicators associated with targeted violence that supports the scope of this book -The underbelly of the targeted attacks we see today and the future -Critical knowledge within a model called T.A.A.R.S., or Threat Awareness, Assessment, Response and Survival, that every organization should include in their Threat Assessment (TA) plan and response protocols

American Dreams Bruce Price,2016-01-05 In the author's words "American Dreams was a radical experiment, because the whole idea was to let the stories erupt and evolve on their own. I would draw a word and then use that word in the most interesting sentence I could think of, and then create the next most interesting (and connected) sentence I could think of, and so on until the energy ran out. Much to my surprise, I wrote an entire chapter the first time I tried this technique. It was as if I had discovered a magic lamp. And that's the way it continued: a single word created each chapter. As I created more characters, I made a chart and assigned them numbers and then I rolled dice to decide which character would run into which other character. After all, in real life you're constantly running into new people. Who knows why?"

The Good Ally Nova Reid,2021-09-16 'I invite you to be courageous and get comfortable with being uncomfortable, because any discomfort you feel is temporary and pales in comparison to what black and brown people often have to experience on a daily basis. Are you ready? Let's get started, we have work to do.'
