**The Secrets to Deliverance** Alexander Pagani, 2018 In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In *The Secrets to Deliverance* Pagani shares biblical strategies and his own experiences for evicting the demons in the rooms of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.

**The Secrets to Maintaining Your Deliverance** Alexander Pagani, 2024-10 Freedom isn't found, it's maintained. This book will guide me into a deeper understanding of the steps that come after deliverance so that my freedom will not be a one-time experience, but rather I will live out my freedom each and every day. After you've been set free and delivered, what happens next? In this book, respected deliverance minister Alexander Pagani reveals crucial strategies to ensure that once an unclean spirit is cast out, it never returns to wreak havoc. *The Secrets to Maintaining Your Deliverance* goes beyond the initial experience of deliverance and equips believers with the tools needed to stand firm against demonic adversaries. Pagani's expertise and genuine passion for helping others shine through, making this book an indispensable resource for anyone seeking lasting freedom from demonic oppression. In this practical guide, Pagani offers the following: A deep understanding of the spiritual principles behind deliverance and the subsequent need for guarding against re-entry Actionable steps and real-life examples to empower readers on their journey to lasting freedom Strategies to help believers fortify the spiritual walls of their lives to prevent the return of unclean spirits It's time for believers to stop letting the enemy rob them of their freedom! This book will empower readers with the wisdom to experience lasting deliverance. The path to victory starts here!

**The Secrets and Operations of God** Olugbenga Adesokan, 2014-03 The secrets of God are there for the asking, but a whole lot of us do not know they exist or could not care less to know the secrets of our heavenly Father. Knowing the secrets of God brings into the life of an individual an immeasurable depth of joy and peace. This book carefully brings out the secrets

and the operations of God, which unfortunately have eluded most believers and when sought sometimes are wrongly sought. Though the topic is inexhaustible, this book highlights what the basics are. It will help readers to navigate easily into the words of God in their quest to discovering the mind of God.

**The Secrets to Generational Curses** Alexander Pagani, 2023-09-05 FROM THE AUTHOR OF THE SECRETS TO DELIVERANCE Generational curses are one of Satan's weapons of mass destruction. In *Manipulated*, best-selling author Alexander Pagani exposes ten toxic traits of legalistic churches and reveals how legalism can stifle spiritual growth. Drawing from his own experience in a cult-like denomination, Pagani uncovers judgmental teachings, rigid doctrines, fear-based control, and misplaced trust in leaders over Christ. In this book, you will be equipped to: Break free from legalism's emotional, psychological, and spiritual bondage Embrace a Christ-like message of grace, love, and liberty. *Rethinking Biblical Scholarship* Philip R. Davies, 2014-09-03 *Rethinking Biblical Scholarship* brings together seminal essays to provide readers with an assessment of the archaeological and exegetical research which has transformed the

discipline of biblical studies over the last two decades. The essays focus on history and historiography, exploring how scholarly constructs and ideologies mould historical, literary and cultural data and shape scholarly discourse. Most of the essays illustrate the development of what has been called a minimalist methodology. Among the many central topics examined are the formation of the Jewish scriptural canon and how the concepts of prophecy and apocalypse illuminate the emergence of Judaism in the late Persian and Hellenistic periods.

**The 5th Seal** Nina Knight, What's a girl gotta do for some privacy? For some fun? And for a bit of sanity? Deliverance is a half-blood witch, just learned she's part necromancer, and she's trying to save the world from the apocalypse and the four horsemen. Now, a new guardian has been assigned to watch over her, train her, and help her with her studies. Her boyfriend is smothering her. Her best friend has betrayed her. And her only ally is her little familiar. In a world of magic and secrets, she's come to understand a few things: 1.) Helms plays only by his rules, no one else's. 2.) Pascale is absolutely insane. But, hey, she's the only one telling her the truth these days. 3.) The Horsemen are forces of evil siding with Pascale and the demon, Coy. 4.) And last but not least, she needs people she can trust if she has a snowball's chance in hell of putting up any kind of fight. Deliverance has her friends and her Guardians, and she believes that she can trust Ronove and Professor Hawthorne too. They're a ragtag group, sure, but they're all fighting for the same thing: protecting the 5th Seal and saving the world. She's fighting against an entire army hellbent on unleashing the literal apocalypse. So, what can go wrong? Dive deep—but beware. The pages are laced with lust and laughter, shadows and swearing—a relentless ride through the twisted corridors of magic and malice. ☐☐☐
