

The War To End All Wars

Stuart Casey-Maslen

The War to End All Wars Russell Freedman, 2015-02-24 Nonfiction master Russell Freedman illuminates for young readers the complex and rarely discussed subject of World War I. The tangled relationships and alliances of many nations, the introduction of modern weaponry, and top-level military decisions that resulted in thousands upon thousands of casualties all contributed to the great war, which people hoped and believed would be the only conflict of its kind. In this clear and authoritative account, the Newbery Medal-winning author shows the ways in which the seeds of a second world war were sown in the first. Numerous archival photographs give the often disturbing subject matter a moving visual counterpart. Includes source notes, a bibliography, and an index.

The War to End All Wars Morley Torgov, 1998

The War to End All Wars Various Authors, 2014

The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

Woodrow Wilson as Commander in Chief Michael P. Riccards, Cheryl A. Flagg, 2019-11-08 This first study on Woodrow Wilson as the commander in chief during the Great War analyzes his management style before the war, his diplomacy and his battle with the Senate. It considers the war as representing the collapse of Western traditional virtues and examines Wilson's attempt to restore them. Emphasizing the American war effort on the domestic front, it also discusses Wilson's rise to power, his education, career, and work as governor as necessary steps in his formation. The authors deal honestly and critically with the racism that characterized this brilliant but limited career.

To End All Wars Ernest Gordon, 2013-11-25 Now a major motion picture starring Robert Carlyle and Kiefer Sutherland Waking from a dream, I suddenly realized where I was: in the Death House--in a prison camp by the River Kwai. I was a prisoner of war, lying among the dead, waiting for the bodies to be carried away so that I might have more room. When Ernest Gordon was twenty-four he was captured by the Japanese and forced, with other British prisoners, to build the notorious Railroad of Death, where nearly 16,000 prisoners of war gave their life. Faced with the appalling conditions of the prisoners' camp and the brutality of the captors, he survived to become an inspiring example of the triumph of the human spirit against all odds. To End All Wars is Ernest Gordon's gripping true story behind both the Academy Award-winning film The Bridge on the River Kwai, starring Alec Guinness, and the new film To End All Wars, directed by David Cunningham.

The War Report Stuart Casey-Maslen, 2014-11-20 This War Report provides detailed information on every armed conflict which took place during 2013, offering an unprecedented overview of the nature, range, and impact of these conflicts and the legal issues they created. In Part I, the Report describes its criteria for the identification and classification of armed conflicts under international law, and the legal consequences that flow from this classification. It sets out a list of armed conflicts in 2013, categorising each as international, non-international, or a military occupation, with estimates of civilian and military casualties. In Part II, each of the 28 conflicts identified in Part I are examined in more detail, with an overview of the belligerents, means and methods of warfare, the applicable treaties and rules, and any prosecutions for, investigations into, or robust allegations of war crimes. Part III of the Report provides detailed thematic analysis of key legal developments which arose in the context of these conflicts, allowing for a more in-depth reflection on cross-cutting questions and controversies. The topics under investigation in this Report include US policy on drone strikes, the use of chemical weapons in Syria, the protection of persons with a disability, and national and international war crimes trials. The Report gives a full and accessible overview of armed conflicts in 2013, making it the perfect first port of call for everyone working in the field.

War, Memory, and the Politics of Humor Allen Douglas, 2002-05-31 A cultural history of Le Canard Enchaîné, the famous French satirical newspaper from its founding during World War I through the 1920s.

The War to End All Wars Morley Torgov, 2000-04-01

Ethics Beyond War's End Eric Patterson, 2012-03-02 The wars in Afghanistan and Iraq have focused new attention on a perennial problem: how to end wars well. What ethical considerations should guide war's settlement and its aftermath? In cases of protracted conflicts, recurring war, failed or failing states, or genocide and war crimes, is there a framework for establishing an enduring peace that is pragmatic and moral? Ethics Beyond War's End provides answers to these questions from the just war tradition. Just war thinking engages the difficult decisions of going to war and how war is fought. But from this point forward just war theory must also take into account what happens after war ends, and the critical issues that follow: establishing an enduring order, employing political forms of justice, and cultivating collective forms of conciliation.

Top thinkers in the field—including Michael Walzer, Jean Bethke Elshtain, James Turner Johnson, and Brian Orend—offer powerful contributions to our understanding of the vital issues associated with late- and post conflict in tough, real-world scenarios that range from the US Civil War to contemporary quagmires in Afghanistan, the Middle East, and the Congo.

The War To End All Wars Edward M. Coffman, 2014-04-23 A comprehensive history of the US military's involvement in World War I, including soldiers' experiences, the creation of the air force, and more. The War to End All Wars is considered by many to be the best single account of America's participation in World War I. Covering famous battles, the birth of the air force, naval engagements, the War Department, and experiences of the troops, this indispensable volume is again available in paperback for students and general readers. Praise for The War to End All Wars "Will surely stand as the first source for anyone interested in the conflict." —Stephen Ambrose "Coffman's skilled use of archived materials, diaries and memoirs brings life and immediacy to his story." —Virginia Quarterly Review "[Coffman] can explain complex matters in a few sharp paragraphs, illuminate technical discussions with personal vignettes, and use statistics to clarify rather than confuse. . . . Should become standard reading in twentieth century American history courses." —Indiana Magazine of History

America's Great War Robert H. Zieger, 2000 Finally, Zieger persuasively argues that World War I created the current global balance of power and established the continuing primacy of globalism in American foreign policy.--Jacket.

The Big Red One James Scott Wheeler, 2007 No mission too difficult, no sacrifice too great-Duty First! For almost a century, from the Western Front of World War I to the deserts of Iraq, this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One. In this first comprehensive history of America's 1st Infantry Division, James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation. The oldest continuously serving division in the U.S. Army, the Fighting First has consistently played a crucial role in America's foreign wars. It was the first American division to see combat and achieve victory in World War I and set the standard for discipline, training, endurance, and tactical innovation. One of the few intact divisions between the wars, it was the first army unit to train for amphibious warfare. During World War II, the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on through the Hurtgen Forest, the Battle of the Bulge, the Ruhr Pocket, and deep into Germany. By war's end, it had developed successful combined-arms, regimental combat teams and made advances in night operations. Wheeler describes the First Division's critical role in postwar Germany and as the only combat division in Europe during the early Cold War. After returning to the United States at Fort Riley, Kansas, the division fought valiantly in Vietnam for five trying years, successfully protecting Saigon from major infiltration along Highway 13 while pioneering air-mobile operations. It led the liberation of Kuwait in Desert Storm and kept an uneasy peace in Bosnia and Kosovo. Along the way, Wheeler illuminates the division's organizational evolution, its consistently remarkable commanders and leaders, and its equally remarkable soldiers. Meticulously detailed and engagingly written, The

Big Red One nimbly combines historical narrative with astute analysis of the unit's successes and failures, so that its story reflects the larger chronicle of America's military experience over the past century.

The Annals of the American Academy of Political and Social Science ,1927

The Presidency of Woodrow Wilson Kendrick A. Clements,1992 Describes the goals and accomplishments of the Wilson administration, and portrays his strengths as a leader. Bibliog.

A Fraternity of Arms Robert Bowman Bruce,2003 By the beginning of the twentieth century, the United States had already become an international power and a recognized force at sea, but its army remained little more than a frontier constabulary. In fact, when America finally entered World War I, the U.S. Army was still only a tenth the size of the smallest of the major European forces. While most previous work on America's participation in the Great War has focused on alliance with Great Britain, Robert Bruce argues that the impact of the Franco-American relationship was of far greater significance. He makes a convincing case that the French, rather than the British, were the main military partner of the United States in its brief but decisive participation in the war-and that France deserves much credit for America's emergence as a world military power. In this important new look at the First World War, Bruce reveals how two countries established a close and respectful relationship-marking the first time since the American Revolution that the United States had waged war as a member of a military coalition. While General Pershing's American Expeditionary Forces did much to buoy French morale and military operations, France reciprocated by training over 80 percent of all American army divisions sent to Europe, providing most of their artillery and tanks, and even commanding them in combat. As Bruce discloses, virtually every military engagement in which the AEF participated was a Franco-American operation. He provides significant new material on all major battles—not only the decisive Second Battle of the Marne, but also St. Mihiel, Cantigny, Reims, Soissons, and other engagements—detailing the key contributions of this coalition to the final defeat of Imperial Germany. Throughout the book, he also demonstrates that there was a mutual bond of affection not only between French and American soldiers but between the French and American people as well, with roots planted deep in the democratic ideal. By revealing the overlooked importance of this crucial alliance, *A Fraternity of Arms* provides new insights not only into World War I but into coalition war-making as well. Contrary to the popular belief that relations between France and the United States have been tenuous or tendentious at best, Bruce reminds us that less than a century ago French and American soldiers fought side by side in a common cause—not just as allies and brothers-in-arms, but as true friends.

The War To End All Wars Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading The War To End All Wars free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The War To End All Wars free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a

specific topic. While downloading The War To End All Wars free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The War To End All Wars. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The War To End All Wars any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The War To End All Wars Books

What is a The War To End All Wars PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The War To End All Wars PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft

Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The War To End All Wars PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The War To End All Wars PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The War To End All Wars PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
