*Prayers for My Future Husband* Farrah Young, 2021-08-05 *Prayers for My Future Husband* One of the mistakes some young women are guilty of is making all the preparations for marriage on the physical and leaving the spiritual to chance.

Marriage takes two whole, committed and determined people to make it work. If you have just one person (the woman) doing all the preening and preparation, then you'd be leaving your marriage to chance. Praying for your future husband is going beyond the physical and committing this man into God's hands. It is asking the good Lord to mould and shape him, the way He is doing with you. Praying these prayers is asking God for a godly and fulfilling marriage before you even step into this institution. It is placing your marriage in the care of the one who instituted it, knowing He's got you covered. This book is written for every such woman who wants her marriage free of the strife and struggles that plague most 21st-century marriages. It contains a 30-day prayer programme that will help you achieve this. Download this book now to find out what this programme is.
