All the Broken Pieces Ann E. Burg, 2013-09-24 An award-winning debut novel from a stellar new voice in middle grade fiction. Matt Pin would like to forget: war torn Vietnam, bombs that fell like dead crows, and the terrible secret he left behind. But now that he is living with a caring adoptive family in the United States, he finds himself forced to confront his past. And that means choosing between silence and candor, blame and forgiveness, fear and freedom. By turns harrowing, dreamlike, sad, and triumphant, this searing debut novel, written in lucid verse, reveals an unforgettable perspective on the lasting impact of war and the healing power of love.

All the Broken Pieces Anna Paige, 2016-09-10 All the Broken Pieces is a contemporary romance novel and the third INTERCONNECTED STANDALONE novel in the Broken series. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.*** How far would you be willing to go for someone you love? For Lauren Caldwell, the answer was: as far as necessary. She had done what she had to do to protect the one person who meant the most to her in the world—her uncle. She wasn't proud of herself, but in the end, she had protected him just as he'd always protected her. A year later, a year of being ostracized in the small Virginia town she called home, she found herself helplessly watching her worst nightmare unfold. She was alone. Until a stranger became a friend who became the glue that might finally piece together the jagged fragments of her life, of her heart. How far would you be willing to go for someone you love? Brant Matthews never wanted to fall in love again; he had worked diligently to avoid emotional entanglements at all costs. He knew what it was to lose the one you loved, to fail them so irrevocably that the entire trajectory of your life shifted. But seeing the broken look in Lauren's crystal-blue eyes, feeling that old pain flare anew and knowing from experience exactly how much she was hurting... he never stood a chance. She had him, whether she was ready to accept that or not. And when her childhood tormentor set his sights on her once more, Brant knew exactly how far he would go to keep her safe. He would die for her or kill for her. There would be no middle ground.

All the Broken Pieces Ann E. Burg, 2009 Two years after being airlifted out of Vietnam in 1975, Matt Pin is haunted by the terrible secret he left behind and, now, in a loving adoptive home in the United States, a series of profound events forces him to confront his past.

revealing him and I are connected in more ways than simply a one night stand. To make it worse, he was a Saint, part of the ruling mafia family that owned the city of Redhill. I should have stayed away at that point. I had a lot at risk and my own mess to deal with, but it wasn't that easy. Not when he kept showing up, and that one night turned to two, and then three... I was drawn to him as much as he was to me. We should have stayed away from each other. If we did, maybe there wouldn't be more than my heart on the line... Atlas She was a distraction I didn't see coming. A light in the dark. I was no good for her, not with my demons and my past. She deserved better. And yet I kept taking, kept devouring all that she was willing to give. My life was dangerous. I was dangerous. But she didn't run from me and maybe if she did we wouldn't be in this mess. But I'm a selfish man and the games I play are ones that only end in shattered pieces. She'll learn soon enough that I'm no good. But it'll be much too late by then. I should have known how this would end. How could someone so broken hope for a happy ending, after all?
