**Wars of the Roses: Stormbird** Conn Iggulden, 2014-07-08 "Capturing the violence and romance of medieval life, Iggulden makes real those grand characters who live in the collective memory. A page-turner sure to have readers eager for the next in the series. —Kirkus The first book in #1 New York Times bestselling author Conn Iggulden's brilliant new historical series about two families who plunged England into a devastating, decades-long civil war. In 1437, the Lancaster king Henry VI ascends the throne of England after years of semi-peaceful regency. Named "The Lamb," Henry is famed more for his gentle and pious nature than his father's famous battlefield exploits; already, his dependence on his closest men has stirred whispers of weakness at court. A secret truce negotiated with France to trade British territories for a royal bride—Margaret of Anjou—sparks revolts across English territory. The rival royal line, the House of York, sees the chaos brought on by Henry's weakness and with it not only opportunity in the monarch, but also their patriotic duty in ousting an ineffectual king. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who or what can save the kingdom before it is too late?

Their followers soon numbered tens of thousands, and they began ransacking villages and towns in one of the most violent uprisings in Chinese history, which would lead to the collapse and eventual disintegration of the Middle Kingdom into disparate vassal states ruled by warlords - a number of them would rise to fight for the ultimate glory of being crowned the next Son of Heaven. The tales of the Three Kingdoms are legendary throughout the centuries and many of their personalities are household names in China. For the first time, those ancient stories are created anew and brought to life in English. Regaled with gusto are palace intrigues, political machinations, and heightened individual duels. It is time to light a fire and immerse yourself in the world of fantastic dragon swords, battle axes, and elaborate battle formations.
