This Brutal Moon Bethany Jacobs,2025-12-02 Bethany Jacobs returns with the thrilling conclusion to The Kindom Trilogy that began with the Philip K. Dick Award-winning These Burning Stars, the debut epic space opera trilogy about revenge, power, and the price of legacy. Violence has erupted across the Treble. The colony that Jun Ironway and Masar Hawks have fought to protect is now woefully compromised, and its people, unwilling to submit to tyranny once more, face a brutal fight for their lives and freedom. In the midst of upheaval and rebellion, new enemies arise at every corner, including a familiar player who won't let power slip through his fingers again. Not when he has every Kindom Hand under his heel. And whether he will be as bloody-minded as his predecessors remains to be seen. As the quiet ones launch their attack and all hope seems lost, Cleric Chono looks to unlikely allies to fight a final battle for peace. But one crucial question remains: where is Six? Praise for The Kindom Trilogy: □ "An exciting start from a fresh talent, offering emotional and political complexity plus plenty of interplanetary action." – Kirkus (Starred Review) on These Burning Stars □ "Plotted like a chess match, confident and surprising as Jacobs moves each piece thoughtfully across her board ... If Jacobs' second entry is anything like the first, we'll have so much more to discover across her universe in the years to come. – BookPage (Starred Review) on These Burning Stars There's no shortage of twists, betrayals, and unexpected alliances in this intricate story of revenge and survival. This sets things up nicely for a grand finale in book three. –Publishers Weekly on On Vicious Worlds

Houses of Clay Anthony Deland,2009-05-27 It is September Fifteenth and Nairobi smells of burning: a campfire, burning tires and that special smell a painted board has when it is set on fire. Most of the city is a slum, not like slums in the

U.S., or at least not the ones I have seen. This slum is entirely constructed of eight by eight houses made of mud with tin roofs, where families of six sleep on the ground. Anthony went to Kenya to escape America, what he found there would change his life for ever. *Houses of Clay* is a travel journal and a memoir, of Tony's time in the US Peace Corps in Kenya during 2005 thru 2007. It provides a very descriptive and unabashed look at the trials of a liberal anarchist dealing with high level government bureaucracy, while adjusting to living in and becoming a member of the communities around him.
