

I Heart Me

Kay Bell

I Heart Me David R. Hamilton, 2015-02-13 In this book, David Hamilton fuses science with self-help to offer simple yet powerful strategies for learning to love yourself. Throughout 'I Heart Me', you will learn that loving yourself means more than feeling good about yourself or being kind to yourself, it's about being self-confident, being able to express yourself without fear, being unconcerned about whether you're liked, and about living your own life, not someone else's idea of what your life should be. You will be touched by the profound wisdom held in the pages of this book, and inspired by the simple ways in which you can achieve significant breakthroughs in your own self-love journey.

Lyrical Speaking Kay Bell, 2015-03-18 How many songs have we lost when a lyricist could not find a musician, nor the musician a lyricist? The answer for the bereft musician could well lie within the pages of *Lyrical Speaking* a plethora of superbly crafted lyrics from the soul of Kay Bell. James Shipstone, RCA Records. BMG Records. BMG Music Publishing Australia/New Zealand. 1977/1997 A song has the indefinable and irresistible power to instantly transport you to another place and time. But before that song can reach its audience, a rare and special partnership must be launched between the words and the music. In this groundbreaking publication intended to inspire just such artistic collaborations award-winning lyricist Kay Bell shares a poignant collection of her original lyrics, the beating heart for up to 180 potential songs, to openly elicit creative collaborations with composers around the world. Who has not been touched in one way or another by the power of music? Songs have changed lives, saved lives, spawned lifelong love affairs, broken hearts and mended them, brought tears, joy, and laughter to people the world over. Kay Bell is an award-winning lyricist who has received global recognition for both her lyrics and co-written songs. Drawn to human understanding, she hopes her words will support the quest for connection and global peace. Her passion for storytelling (in prose and lyrical form) is the catalyst that propels Kay's words out in search of realising their potential. For collaboration opportunities, and all other enquiries (including use of the lyrics contained in this collection and setting them to music), please visit www.kay-bell.com.
