

Ist Israel In Europa

Rachel S Tattersall

Res publica Europa Christopher Balme, Axel Tangerding, 2019-05-07 Quo vadis Europa? And where are the independent performing arts heading? Driven by values such as tolerance and openness, what power do the independent performing arts possess in a climate dominated by Euroscepticism? Are those values essential for Europe and if so, how can they be strengthened? These were the questions focussed on at the IETM's Plenary Meeting Munich (International Network for Contemporary Performing Arts) which is documented in this bi-lingual book. Central to the reflexions around the role of the performing arts in Europe were the topics Post-colonialism, Diversity and Visions for the Future. Including contributions by Ulrike Guérot, Robert Menasse and Kathrin Röggla. Quo vadis Europa? Wohin die freie Szene? Welche Tragkraft haben in einem von Euroskepsis geprägten Klima die unabhängigen darstellenden Künste, deren Arbeitsbegriff sich auf Werte wie Toleranz und Offenheit stützt? Sind diese Werte konstituierend für Europa, wie können sie gestärkt werden? Diese Fragen standen im Mittelpunkt des Treffens des International Network for Contemporary Performing Arts (IETM) in München, das in diesem zweisprachigen Buch dokumentiert wird. Im Zentrum der Reflexionen rund um die Rolle der darstellenden Kunst in Europa stehen Postkolonialismus, Diversität sowie Visionen für die Zukunft. Mit Beiträgen von Ulrike Guérot, Robert Menasse und Kathrin Röggla.

Germany and Israel Daniel Marwecki, 2026-03-15 A radical reinterpretation of the relationship between two states whose history has always been intertwined, particularly revisiting Germany's involvement in the Palestinian question. According to common perception, the Federal Republic of Germany supported the formation of the Israeli state for moral reasons--to atone for its Nazi past--but did not play a significant role in the Arab--Israeli conflict. However, the historical record does not sustain this narrative. Daniel Marwecki's pathbreaking analysis deconstructs the myths surrounding the odd alliance between Israel and post-war democratic Germany. Thorough archival research shows how German policymakers often had disingenuous, cynical or even partly antisemitic motivations, seeking to whitewash their Nazi past by supporting the new Israeli state. This is the true context of West Germany's crucial backing of Israel in the 1950s and '60s. German economic and military support greatly contributed to Israel's early consolidation and eventual regional hegemony. This initial alliance has affected Germany's role in the Israeli-Palestinian conflict to the present day. Marwecki reassesses German foreign policymaking and identity-shaping, and raises difficult questions about German responsibility after the Holocaust,

exploring the many ways in which the genocide of European Jews and the dispossession of the Palestinians have become tragically intertwined in the Middle East's international politics. This long overdue investigation sheds new light on a major episode in the history of the modern Middle East.

Archaeology of the Bronze and Iron Age Erzsébet Jerem,Ildikó Poroszlai,1999 Proceedings of the International

Archaeological Conference at Szazhalombatta, 3-7 October 1996. This collection focuses particularly on environmental and experimental archaeology, never before discussed in professional meetings in Hungary. The Archaeological Parks carry out exciting experimental work in reconstructing prehistoric life, and the contributions on this area contain up-to-date information on their work. Papers in various European languages.

Israel, Europa und der neue Antisemitismus Hans Rauscher,2004 Die jüdischen Gemeinden in Europa leben wieder in Angst, sagte kürzlich der Nobelpreisträger Elie Wiesel bei einer großen EU-Konferenz. Antisemitische Übergriffe mehren sich. Ein neuer, globaler Antisemitismus ist nicht zu übersehen. Seine Triebkräfte kommen aus verschiedenen Quellen: die alte Rechte, die neue Linke, und der islamische Fundamentalismus, auch unter den europäischen Muslims - ebenso ist festzuhalten, dass auch die palästinensischen Gemeinden im Heiligen Land in täglicher Angst leben. Ist der neue Konflikt zwischen Israel und den Palästinensern die Triebquelle für den neuen Antisemitismus? Oder ist das nur ein Vorwand für alte Wahnideen? Ist Kritik an der israelischen Besatzungspolitik legitim - und wann ist sie nichts als versteckter Antisemitismus? Was sind die Wurzeln und Erscheinungsformen des alten Antisemitismus und wie sieht der neue aus? Was sind die Wurzeln des Konflikts zwischen Israel und den Arabern, bzw. Palästinensern? Ist eine gerechte und friedliche Lösung denkbar? Was könnte der Beitrag der Europäer sein? Der bekannte Autor Hans Rauscher beantwortet diese Fragen verständlich, fair, aber engagiert; - ein Handbuch für alle, die Bescheid wissen wollen.

Germany and Israel in the 1990s and Beyond Yves Pallade,2005 This is both a comprehensive and profound analysis of the German-Israeli relationship during the 1990s and beyond, which tries to answer the question whether it can still be considered a 'special' one. It comprises a thorough examination of the relations in virtually all existing areas of contact between both countries, ranging from high politics to social contacts, public opinion, and media reporting. Hitherto largely unknown aspects, in particular in the sphere of security cooperation, are brought to light, allowing a perspective different from conventional accounts. Far from contenting itself with a mere enumeration of facts, the critical approach taken by the author also highlights both problematic dimensions of and challenges to the relationship.

Anti-Zionism and Antisemitism Alvin H. Rosenfeld,2019-01-09 Seventeen essays by scholars examining the links between anti-Semitism and attitudes toward Israel in the current political climate. How and why have anti-Zionism and antisemitism become so radical and widespread? This timely and important volume argues convincingly that today's inflamed rhetoric exceeds the boundaries of legitimate criticism of the policies and actions of the state of Israel and conflates anti-Zionism with antisemitism. The contributors give the dynamics of this process full theoretical, political, legal, and educational treatment and demonstrate how these forces operate in formal and informal political spheres as well as domestic and transnational spaces. They offer significant historical and global perspectives of the problem, including how Holocaust memory and meaning have been reconfigured and how a singular and distinct project of delegitimization of the Jewish state and its people has solidified. This intensive but extraordinarily rich contribution to the study of antisemitism stands out for its comprehensive overview of an issue that is both historical and strikingly timely.

Ist Israel In Europa: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with

numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ist Israel In Europa : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
