

Laura Bates Men Who Hate Women

Richard Seymour

Men Who Hate Women Laura Bates, 2021-03-02 The first comprehensive undercover look at the terrorist movement no one is talking about. Men Who Hate Women examines the rise of secretive extremist communities who despise women and traces the roots of misogyny across a complex spider web of groups. It includes eye-opening interviews with former members of these communities, the academics studying this movement, and the men fighting back. Women's rights activist Laura Bates wrote this book as someone who has been the target of many hate-fueled misogynistic attacks online. At first, the vitriol seemed to be the work of a small handful of individual men... but over time, the volume and consistency of the attacks hinted at something bigger and more ominous. As Bates went undercover into the corners of the internet, she found an unseen, organized movement of thousands of anonymous men wishing violence (and worse) upon women. In the book, Bates explores: Extreme communities like incels, pick-up artists, MGTOW, Men's Rights Activists and more The hateful, toxic rhetoric used by these groups How this movement connects to other extremist movements like white supremacy How young boys are targeted and slowly drawn in Where this ideology shows up in our everyday lives in mainstream media, our playgrounds, and our government By turns fascinating and horrifying, Men Who Hate Women is a broad, unflinching account of the deep current of loathing toward women and anti-feminism that underpins our society and is a must-read for parents, educators, and anyone who believes in equality for women. Praise for Men Who Hate Women: Laura Bates is showing us the path to both intimate and global survival.—Gloria Steinem Well-researched and meticulously documented, Bates's book on the power and danger of masculinity should be required reading for us all.—Library Journal Men Who Hate Women has the power to spark social change.—Sunday Times

Men Who Hate Women Laura Bates, 2023-10-18 Korean edition of [Men Who Hate Women] by Laura Bates. Delve into the gripping and eye-opening world of [Men Who Hate Women], as acclaimed feminist writer Laura Bates presents an unflinching examination of the pervasive misogyny that plagues our society. Korean edition translated by Seong Weon.

Everyday Sexism Laura Bates, 2016-04-05 A different version of this book was published in Great Britain in 2014 by Simon & Schuster UK, Ltd., a CBS Company--Colophon.

Fix the System, Not the Women Laura Bates, 2022-05-12 'An astute and persuasive page-turner' OBSERVER 'Powerful' SUNDAY TIMES 'I challenge any man to read this and still deny there's a problem' NEW STATESMAN

Too often, we blame women. For walking home alone at night. For not demanding a seat at the table. For not overcoming the odds that are stacked against them. This distracts us from the real problem: the failings and biases of a society that was not built for women. In this explosive book, feminist writer and activist Laura Bates exposes the systemic prejudice at the heart of five of our key institutions. Education Politics Media Policing Criminal justice Combining stories with shocking evidence, *Fix the System, Not the Women* is a blazing examination of sexual injustice and a rallying cry for reform. 'A blistering manifesto for change' Dr PRAGYA AGARWAL 'I am in awe of Laura Bates . . . her writing is nothing short of perfect' SOFIE HAGEN, author of *Happy Fat* 'Finish the book furious - before rallying for the next fight' GRAZIA Latest Must-Reads

Has Political Correctness Gone Mad? Tony McKenna, 2024-03-21 Woke social justice warriors lurk around every corner, ready to cancel free speakers and police common sense. Muslims love nothing better than abolishing Christmas. FemiNazi's throw false accusations at the pillars of our society. Decried by right-wing pundits and politicians alike, the idea of 'political correctness' is often painted as a form of left-wing totalitarianism but in this pithy, clear-headed account, Tony McKenna explains how the concept itself is in fact one of the great conspiracy theories of our times. From the fear of 'cancel culture' to the demonization of grassroots social movements, this is a searing dissection of how the exclusionary agendas for so long played out in our media and party politics have been successfully dressed up as campaigns for freedom and common sense. Tackling some of the favourite bogeymen of tabloids and scaremongers, McKenna dissects the language, rhetoric and ideology that turns refugees into insects, social justice into 'wokery', and makes predators out of anyone from dark skinned men to trans women. He provides a full analysis of historically important social liberation movements like BLM and #MeToo, giving the historical and cultural contexts for their emergence. As the tried-and-tested politics of stigmatization and exclusion shift from old targets to new, this an explanation of one of society's most insidious narratives, and how it allows dominant orthodox culture to cast the subjects of its oppressive tactics as the dreaded 'global liberal elite'.

Girl Up Laura Bates, 2017-07-11 They told you that you need to be thin and beautiful; warned you that if you try to be strong, or take control, you'll be shrill, bossy, a ballbreaker. Well, screw that. Bates is here to expose the truth about the pressures surrounding body image, the trials of social media, and all the other lies society has told us. The result is no-nonsense advice on sex, social media, mental health, and sexism that young women face in their everyday life.

Gender Equality in the Mirror, 2022-08-29 The open access publication of this book has been published with the support of the Swiss National Science Foundation. By taking an innovative perspective, Gender Equality in the Mirror aims to advance the debate on gender equalities and to engage with the complexities of their practical implications in everyday life. Through the voice of women who are contributing with their life and work to the pursuit of the collective task of inclusion, the volume develops an original analysis of the socio-economic and political dimension of gender parity to frame implementing pathways of aspirational human rights principles. Gender Equality in the Mirror explores these dimensions with the ultimate aim of raising broad awareness of the need to invest in women's empowerment for the construction of our society.

Misogynation Laura Bates, 2018-02-22 A COLLECTION OF ESSAYS FROM BESTSELLING AUTHOR AND FOUNDER OF THE EVERYDAY SEXISM PROJECT, LAURA BATES. 'Following [Everyday Sexism] will make most women feel oddly saner.' Caitlin Moran 'Piercingly astute.' Stylist Laura Bates, pioneering feminist, activist and bestselling author, has given voice to hundreds of thousands of women through her international Everyday Sexism Project. Drawing attention to both hidden and blatant sexist acts and attitudes, Laura has exposed the startling truth behind misogyny in our society: systemic, ingrained and ignored. From Weinstein to Westminster, a torrent of allegations of sexual harassment and assault have left us reeling. One hundred years since some women were first given the right to vote, we are still struggling to get to grips with the true extent of gender inequality that continues to flourish in our society. In this collection of essays, originally published in the Guardian, Laura Bates uncovers the sexism that exists in our relationships, our workplaces, our media, in our homes and on our streets, but which is also firmly rooted in our lifelong assumptions and in the actions and attitudes we explain away, defend and accept. Often dismissed as one-offs, veiled as 'banter' or described as 'isolated incidents', MISOGYNATION joins the dots to reveal the true scale of discrimination and prejudice women face. A bold, witty and incisive analysis of current events, MISOGYNATION makes a passionate argument for stepping back, opening our eyes and allowing ourselves to see the bigger picture. IN PRAISE OF LAURA BATES 'Funny and clever.' Telegraph 'Girl Up is an essential compendium of wit, wisdom, advice and straight-talk.' Sarah Knight 'We owe Bates a great debt of gratitude for her Everyday Sexism Project.' LA Times 'Laura was one of the first women to harness the power of social media to fight sexism and misogyny and give millions of young women a voice.' Grazia 'Bates takes a myth-busting approach to body image, food, sex and advertising and is

particularly good at boiling down feminist language into a snappy, everyday vernacular' Metro 'For any woman who is sick of being told how to act, how to dress, or how to ward off unwanted advances, [Girl Up] is for you. Independent '[Girl Up is] another hard-hitting book which exposes the truth surrounding pressures on body image, false representations in the media, and lots of issues very relevant to girls today. Red

Disaster Nationalism Richard Seymour,2024-10-29 The rise of the new far right has left the world grappling with a profound misunderstanding. While the spotlight often shines on the actions of charismatic leaders such as Donald Trump and Jair Bolsonaro, the true peril lies elsewhere. Defeating these people will not stem the tide driving them forward. They are merely the embodiment of profound forces that are rarely understood. Propelled through the vast networks of social media and fueled by far-right influencers, enthralled by images of disaster and fantasies of doom, they have emerged from a reservoir of societal despair, fear, and isolation. Within this seething cauldron, we witness not only the surge of far-right political movements but also the sparks of individual and collective violence against perceived enemies, from 'lone wolf' killers to terrifying pogroms. Should a new fascism emerge, it will coalesce from these very elements. This is disaster nationalism. Richard Seymour delves deep into this alarming development in world politics, dissecting its roots, its influencers, and the threats it poses. With meticulous analysis and compelling storytelling, Seymour offers a stark warning. The battle against disaster nationalism is not just political; it is a struggle for our collective soul and the future of civilization itself. Unless we understand the deeper forces propelling the far-right resurgence, we have little chance of stopping it.

Penile Imperialism Sheila Joy Jeffreys,2022-08-01 In this blisteringly persuasive and piercingly intelligent book, Sheila Jeffreys argues that women live under penile imperialism, a regime in which men are assumed to have a 'sex right' of access to the bodies of women and girls. She reasons that the 'sexual revolution' that began in the 1960s unleashed an explicit male sexual liberation and that even now, under current laws and cultural mores, women do not have the right to self-determination in relation to their bodies. Sheila Jeffreys argues that the exercise of the male sex right has mainstreamed misogynist attitudes and so-called sexual freedom has meant the freedom of men to use women and children with impunity. The power dynamics of sex, rather than being eliminated, has been eroticised, supported by state regulations and structures that have further entrenched male domination. And while men's sexual fetichisms such as BDSM and transvestism have been normalised, women now have to fight as their spaces are being erased and their voices silenced in a faux inclusivity that has 'naturalised' sexual harassment. Sheila Jeffreys contends that women's human rights are profoundly harmed and sexual violence is used more than ever to enforce social control of women. This is a sobering and brilliant analysis of the modern predicament of women that is impossible to ignore.

Summary of Laura Bates's Men Who Hate Women Milkyway Media,2024-05-20 Get the Summary of Laura Bates's Men Who Hate Women in 20 minutes. Please note: This is a summary & not the original book. Men Who Hate Women by

Laura Bates explores the incel community, a group characterized by violent misogyny and a belief system that blames women for their personal grievances. Bates uses a fictional character, Alex, to demonstrate how isolation can lead to radicalization within this community. The book traces the incel movement's evolution from a support network to a toxic ideology that vilifies women and promotes a sense of male entitlement to sex...

The New Age of Sexism Laura Bates, 2025-05-15 'Laura Bates explains how they built the future - and forgot to put women in it' CAITLIN MORAN 'Fascinating and essential... I urge you to read every syllable' JO BRAND 'All men must read this book if they have any interest in a truly just, fair and equal society' ROBIN INCE AI is here, bringing a seismic shift in the way our society operates. Might this mean a future reimagined on equitable terms for women and marginalised groups everywhere? Not unless we fight for it. At present, power remains largely in the hands of a few rich, white men. New AI-driven technologies, with misogyny baked into their design, are putting women in danger, their rights and safety sacrificed at the altar of profitability and reckless speed. In *The New Age of Sexism*, Sunday Times bestselling author and campaigner Laura Bates takes us deep into the heart of this rapidly evolving world. She explores the metaverse, confronts deepfake pornography, travels to cyber brothels, tests chatbots, and hears from schools in the grip of online sexual abuse, showing how our lives - from education to work, sex to entertainment - are being infiltrated by easily accessible technologies that are changing the way we live and love. What she finds is a wild west where existing forms of discrimination, inequality and harassment are being coded into the future we will all have little choice about living in - unless we seize this moment to demand change. Gripping, courageous and eye-opening, *The New Age of Sexism* exposes a phenomenon we can't afford to ignore any longer. Our future is on the line. We need to act now, before it is too late. 'Urgent reading for anyone who is interested in the intersection of tech and gender equality, and indeed anyone who wants to be a part of building a better future, free from misogyny' EMMA-LOUISE BOYNTON 'A brilliantly researched, incredibly illuminating and frequently chilling account of the next chapter in tech's ongoing assault on our core values. A chapter that is already unfolding around us all' JAMES O'BRIEN

The Burning Laura Bates, 2019-02-21 'The Burning lights a fire in you - one that makes you want to fight for change and ignite sparks in others so the fire spreads and spreads.' - HOLLY BOURNE A rumour is like a fire. You might think you've extinguished it but one creeping, red tendril, one single wisp of smoke is enough to let it leap back into life again. Especially if someone is watching, waiting to fan the flames ... New school. Tick. New town. Tick. New surname. Tick. Social media profiles? Erased. There's nothing to trace Anna back to her old life. Nothing to link her to the 'incident'. At least that's what she thinks ... until the whispers start up again. As time begins to run out on her secrets, Anna finds herself irresistibly drawn to the tale of Maggie, a local girl accused of witchcraft centuries earlier. A girl whose story has terrifying parallels to Anna's own... The compelling YA debut from Laura Bates, founder of the Everyday Sexism Project and bestselling author of *Girl Up*.

PRAISE FOR THE BURNING: 'This is a book teen girls NEED to read' - Holly Bourne 'Bold, brutal & hugely important' - Abi Elphinstone 'Defiant and inspiring' - Katherine Webber 'Brilliant' - Stylist 'Essential reading for fans of Holly Bourne and Louise O'Neill' - The Observer PRAISE FOR GIRL UP: 'A bracing love letter to today's teenage girls' - Sunday Times 'Essential reading for young women and girls' - Morning Star Online 'This no-nonsense guide to being a girl in 2016 is one all teen girls should read' - Red magazine 'If you have a daughter or a niece or a younger sister or a goddaughter, buy it for them now' -The Pool PRAISE FOR EVERYDAY SEXISM: 'This is an important book' -Independent 'A potent reminder of how far feminism has come and how far it has to go' - Kirkus Reviews 'A game-changing book, a must-read for every woman' -Cosmopolitan 'Funny and clever' - Telegraph

LAURA BATES UNTITLED 1 Laura Bates,2021-09-16 No matter how hard you try, the truth will always come out . . . A survival story about the dangers of silence from multi-award-winning author and activist, Laura Bates.

The New Age of Sexism Laura Bates,2025-08-19 Misogyny is being hardwired into our future. Can we stop it? We like to believe we're moving closer to equality, riding the wave of technological progress into a brighter, fairer future. But beneath the glossy surface of innovation lies a chilling truth: new technologies are not just failing to solve age-old inequalities--they're deepening them. In *The New Age of Sexism*, acclaimed author and activist Laura Bates exposes how misogyny is being coded into the very fabric of our future. From the biases embedded in artificial intelligence to the alarming rise of sex robots and the toxic dynamics of the metaverse, Bates takes readers on a shocking journey into a world where technology is weaponized against women. This isn't a dystopian warning about what might happen. It's a harrowing account of what's happening now and the dangers we face if we don't act. With clarity and urgency, Bates reveals how these advancements are dragging society backward, reinforcing harmful stereotypes, and jeopardizing decades of progress in the fight for gender equality. Eye-opening and empowering, *The New Age of Sexism* is a rallying cry for awareness and action in a world where the battle for equality has entered a dangerous new frontier.

Taboo Hannah Ferguson,2024-11-12 A vulnerable exploration of modern womanhood that weaves deeply personal stories with opinions and advice on sex, friendship, family, career and beyond. This part-memoir, part feminist-manifesto meets women where they are and as they are. Hannah exposes and celebrates the messy, honest and insular parts of ourselves in a book designed to feel like a late-night conversation with your best friend - one that will make you laugh, cry and that you'll never want to end.

Men who Hate Women Laura Bates,2021

The Trial Laura Bates,2021-09-16 No matter how you try to hide it, the truth will always come out . . . After a plane crash sees a group of seven teens washed up on a desert island, their first thought is survival. But a terrible secret from a party the night before has followed them ashore. Facing deadly threats and the fear of being stranded forever, they quickly

discover that being the most popular kid in High School doesn't help when you're fighting to stay alive. As the island deals each of them a dangerous blow, it's clear that someone is looking for justice. Now survival depends on facing the truth about that party: who was hurt that night, and who let it happen? From multi-award-winning author and gender equality activist, Laura Bates, this thought-provoking drama will start an important conversation and keep you guessing to the end. Praise for *The Trial*: 'While the climactic trial provides a satisfying political edge, the most gripping passages involve the simple struggle for survival.' - Financial Times 'Laura Bates is one of the most important feminist voices we have and *The Trial* is engaging and clever, thought-provoking and thrilling. I inhaled it in one sitting.' - Louise O'Neill, author of *Asking For It* 'A book that teens and young adults should be adding to their contemporary mystery and feminist reading lists' - Culture Fly 'Laura Bates has written another unputdownable (I mean this, I had to give up on getting anything done to consume this story) novel, which as you can imagine asks some important questions too.' - Lucy-Anne Holmes, editor *Women on Top of the World*

Sisters of Sword and Shadow Laura Bates, 2023-11-09 What if the Knights of the Round Table had been women? An epic fantasy from the UK's leading and bestselling feminist writer Laura Bates - perfect for fans of Leigh Bardugo and Sarah J. Maas. This afternoon Cass's older sister will be married. Soon she will be too. Gone will be days of running through fields and feeling the earth between her toes. So when a beautiful leather-clad woman rides up and offers to take her away, Cass doesn't hesitate to join her. Cass is introduced to the Sisterhood of Silk Knights - a group of women training to fight and working to right the wrongs of men. Cass is drawn into a world of ancient feuds, glorious battles, and deadly intrigue, where soon discovers she holds a power that could change the destiny of her sisterhood. "An interesting thing happens, when a man is defeated in combat by a woman." "He tells nobody." The first in a breathtakingly book in this rich and sweeping fantasy duology that explores questions about power, courage and the stories we tell about the past.
