Meeting Jesus Again for the First Time Marcus J. Borg, 2009-03-17 Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for personal faith. Now, in *Meeting Jesus Again for the First Time*, Marcus J. Borg speaks to those who want a fully contemporary faith; a faith that welcomes rather than rejects our critical intelligence, and that is also open to new historical and scholarly research. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining. Drawing on his own journey from a naive, unquestioning belief in Christ to a more mature and contemporary Christian faith, Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life — one not rooted in creeds or dogma, but full of spiritual challenge, compassion, and community. Marcus J. Borg, author of bestseller *Heart of Christianity*, is Hundere Distinguished Professor of Religion and Culture at Oregon State University and author of the bestselling *Meeting Jesus Again for the First Time*, *Reading the Bible Again for the First Time*, *The God We Never Knew*, and coauthor of *Jesus: A New Vision* with N. T. Wright. He was an active member of the Jesus Seminar when it focused on the historical Jesus and he has been chair of the Historical Jesus section of the Society of Biblical Literature. “For many contemporary Christians, Biblical scholarship is seen as the enemy of faith. In a personal and highly readable account, Marcus Borg shows how Christians can explore contemporary scholarship as a way toward a far more dynamic and meaningful faith.” - Rosemary Radford Ruether, author of *Gaia and God*

Meet God Again for the First Time Jon Paulien, 2003-04 The author looks at God's patterns in the Bible and His great saving deeds, and finds that the Bible is about telling and retelling the story of the God of promise and covenant who keeps working toward His ultimate goal—the restoration of Eden. He concludes that Jesus fulfills the longings of the Jewish Scriptures and explains how the law brings freedom and how our assurance of salvation flows from God's justice.

Reading the Bible Again For the First Time Marcus J. Borg, 2009-10-13 *Reading the Bible Again for the First Time* provides a much-needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures. Acclaimed author Marcus J. Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs, leading to a contemporary yet grounded experience of the sacred texts.

Using a method of analysis he calls “historical-metaphorical,” Borg explores what the Scriptures meant to the ancient communities that produced and lived by them. He argues that the conventional way of seeing the Bible’s origin, authority, and interpretation is no longer relevant to contemporary readers, and that we need a fresh way of encountering the Bible; one that takes the texts seriously but not literally. This unique book invites readers of all religious backgrounds to explore the Bible, ponder its mysteries, and understand its relevance. Borg shows us how to encounter the Bible in a fresh way that rejects the limits of simple literalism and opens up rich possibilities for our lives. Marcus J. Borg, author of the bestselling *Heart of Christianity*, is Hundere Distinguished Professor of Religion and Culture at Oregon State University and author of *Meeting Jesus Again for the First Time*, *Reading the Bible Again for the First Time*, *The God We Never Knew*, and coauthor of *Jesus: A New Vision* (with N. T. Wright). “This welcome book removes many of the barriers that separate thoughtful people from the wisdom of the Bible.” -Rabbi Harold Kushner, author of *When Bad Things Happen to Good People*

Rhetoric, Scripture and Theology Stanley E. Porter, Thomas H. Olbricht, 1996-09-01 *Rhetoric, Scripture and Theology* aptly describe the contents of this collection of essays from the 1994 Pretoria Rhetoric Conference. The conference marked a significant dialogue among scholars gathered from many nations to consider how rhetoric engages with the study of scripture and theology. South Africa provided a suitable context for such discussion. Although the contributors are not only from South Africa, the addressing of issues pertinent to a South African context shows through in many of the essays. Those that do not address particularly South African issues raise equally important issues regarding the topic of rhetoric and its relation to contemporary theological discourse.

The Way of Light Frederick Mundle, 2021-05-19 **THE WAY OF LIGHT:** The Way of Light focuses on the true Light (John 1:9) of the world (John 9:5) who came to enlighten every man to take him/her out of darkness (John 8:12). Any who do come to believe in the Light (Jesus) become sons and daughters of the Light, in fact children of the Light (1 Thessalonians 5:5). They will become Light bearers and shine as light in the world (Philippians 2:15). On numerous occasions within the context of these essays, the reader will encounter absolute truths regarding His being the Light. Readers will encounter various Scriptures which will testify to the claims Jesus made regarding His being the Saviour of the world. Most essays contain a minimum of 400 words, although some will be longer in length. Each essay will point the way to the Light (Jesus) in countless examples throughout the course of the book. For those who already follow the way of the Light (Jesus), they will discover examples as to how to share the Light (Jesus) with friends, family, relatives and associates. The Scripture states that none can come to Jesus unless the Father draws him/her (John 6:44) and that to be drawn into believing (faith) comes by the word of God (Romans 10:17). Many events point to a soon return of Jesus Christ who is the way, the truth and the life (John 14:6).

THE WAY OF LIGHT in each of its individual compositions will point the reader to the true Way of Light.

Preaching from Memory to Hope Thomas G. Long, 2009-03-19 In this compelling and hard-hitting book, respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today. The issues, he says, are fourfold: the decline in the quality of narrative preaching and the need for its reinvigoration; the tendency of preachers to ignore God's action and presence in our midst; the return of the church's old nemesis, gnosticism--albeit in a milder form--evidenced in today's new spirituality; and the absence of eschatology in the pulpit. Long once again has his finger on the pulse of American preaching, demonstrated by his creative responses to these challenges. Whether he is calling for theologically smarter and more ethically discerning preaching, providing a method of interpretation that will allow pastors to recover the emphasis on God in our midst, or encouraging a kind of interfaith dialogue with gnosticism, he demonstrates why he has long been considered one of the most thoughtful and intelligent preachers in America today.

The Great Turning David C. Korten, 2007-10-22 David Korten's classic bestseller *When Corporations Rule the World* was one of the first books to articulate the destructive and oppressive nature of the global corporate economy. In *The Great Turning* he argues that corporate consolidation of power is merely one manifestation of what he calls "Empire": the organization of society through hierarchy and violence that has largely held sway for the past 5,000 years. *The Great Turning* traces the evolution of Empire from ancient times to the present day but also tells the parallel story of the attempt to develop a democratic alternative to Empire, beginning in Athens and continuing with the founding of the United States of America—although elitists with an imperial agenda have consistently sought to undermine the bold and inspiring "American experiment." Finally, Korten draws on evidence from sources as varied as evolutionary theory, developmental psychology, and religious teachings to make the case that "Earth Community"—a life-centered, egalitarian, sustainable alternative to Empire based on democratic principles of partnership—is indeed possible. And he outlines a grassroots strategy for beginning the momentous turning toward a future of as-yet-unrealized human potential.

Jesus Marcus J. Borg, 2009-03-17 In this exciting and thought-provoking work, top Bible expert Marcus J. Borg portrays Jesus as a charismatic healer, sage, and prophet who is still an inspiring figure today. Returning to the topic of his first book, *Jesus: A New Vision*, Borg introduces us to a Jesus we have never met before; a revolutionary figure who possesses a more exciting moral vision than that of traditional Christianity. According to Jesus, a movement in the church today is catching up with where scholarship has brought us in understanding Christian origins. Borg argues that once the church discards the archaic doctrines it currently embraces, Christians will be able to appreciate Jesus in a whole new way. *Jesus* is another remarkable work of scholarship from Marcus Borg. Putting Away Childish Things Marcus J. Borg, 2010-04-20 "We all know that Marcus Borg is a gifted teacher, biblical scholar, and writer of nonfiction, but it turns out that he's a master storyteller, too." — Brian D. McLaren, author of *A New Kind of Christianity* Bestselling author, Bible scholar, and theologian Marcus Borg (*Meeting Jesus Again for the First Time*, *The Heart of Christianity*, *The Last Week*) uses his core teachings on faith and the Bible to demonstrate their transformative power and potential in *Putting Away Childish Things*: the moving, inspirational story of a college professor, her students, and a crisis of faith.

To Liberate and Redeem Edward Le Roy Long, 1997 In *To Liberate and Redeem*, scholar Edward LeRoy Long, Jr. surveys the biblical narrative - setting the context by beginning with the oppression of Israel's enslavement and the Exodus liberation, then looking back to the Creation and forward to Christ, Paul, and the early church. The book looks at how the unfolding drama of the Bible is marked by those who need liberation because they are trapped in oppressive structures and those who, once freed, must faithfully construct communities of redemption so as not to become oppressors themselves.

From this basis Long explores how present-day moral decisions can be informed by studying the ways in which our biblical forebears wrestled with concerns similar to our own while standing in faithful responsiveness to God.--From publisher's description.

Days of Awe and Wonder Marcus J. Borg,2017-03-14 Showcasing some of his most enduring and insightful writings, including many previously unpublished works, a concise and illuminating introduction to Marcus J. Borg, the late spokesman for progressive Christianity and one of the most revered and influential theologians of our time. In his acclaimed books, including classics such as *Meeting Jesus Again for the First Time*, *The Heart of Christianity*, *Speaking Christian*, and *Convictions*, Marcus J. Borg helped shape an enlightened modernist view of Christianity. A leading scholar of the historical Jesus acclaimed for his ability to speak about Christianity in the context of contemporary society, Borg offered profound wisdom and inspiration—a new way of seeing and living the Christian life—for believers, students, and lay readers. Ultimately, he taught us that by developing a deeper understanding of Jesus and the New Testament, we can discover a more authentic way of being. Yet Borg himself was always conscious of a greater truth beyond what he could explain: the wonder of God. Now, two years after the liberal theologian's death, comes *The Days of Awe and Wonder*, a selection of his writing, including many never before published works, that explores the Christian faith and what it means to be a Christian in the twenty-first century. Provocative and uplifting, this anthology illuminates Borg's explorations of the miraculous and wonderful, his understanding of conviction and fulfillment, and his contention that we must keep an open mind and question assumptions and certainties in all our religious journeys.
