Devadasi, "A Nun's Story" Tom Matthews, 2012-09-05 The author wonderfully captures the powerful emotions and human condition of each character. The book is filled with interesting episodes and incidents and it is a fascinating journey for the reader. Well-crafted plot...

Addicted to Love Tom Mathews, 2015-03-06 Relationships often hit a road block when two lovers with differing backgrounds of race and faith lose their initial fervor of love and face the hard realities of married life. It is further complicated by parents who interfere with their forgiving flow of love for each other, by demand of strict adherence to their religious beliefs and practices. This story is based on someone I knew and the tragic developments following Marias union, though highly fictionalized, is emotionally charged. No inferences are to be made from one or the others character in the story, based on their racial, ethnic, or religious affiliation. To many of the new immigrants, America is a promised land where they can realize their dreams and attain opportunities and financial betterment . However animosity and racial prejudices run rampant among these diverse groups. It seems everyone, at times is guilty of these hateful thoughts, although the degree of their prejudices vary from mild to monstrous. I am attempting to reflect the foreboding thoughts that creep into the young minds, when things go wrong which in turn adds fuel to the burning fire of discord in their married life. Please remember that realism prevails in the text of this novel.

Just Another Day In Paradise Tom Mathews,2014 Visualize a scenario where you are vacationing in a tropical island, away from the hustle and bustle of the cities, stresses of daily life, watching the waves reaching out to caress the shore, and you sipping the coconut water with a straw and next to you curled up is your sweetheart, humming a love song in your ear. Sounds fascinating and romantic? of course, it is. Have you ever thought of the lives and the miseries of the inhabitants of this tropical paradise? Have you looked into the weary eyes of the street urchins, as you walked past them to the sandy beach? or care to know the women toiling in the rice and sugar cane fields for pennies a day and the endless abuse they are subjected to by their drunken husbands and the harassment by the rich men driving around in their Mercedes-Benz and BMW cars? If you claim you care, then read Retha Devi's story penned in these pages. You may develop a new insight of the torture she suffered along with half-starved women whom she defended as their attorney in Kerala State, India, also known as God's Own Country.
