Shūsaku Endō

Silence Shusaku Endo, 2016-01-05 Originally published in Japanese under the title Chinmoku by Monumenta Nipponica-- Title page verso.

Silence 沈黙, 1969 Silence I regard as a masterpiece, a lucid and elegant drama. Irving Howe. -- The New York Review of Books Copyright © Libri GmbH. All rights reserved.

Judas Iscariot dans la littérature moderne Christophe Stener, 2021-10-01 Judas Iscariot est une figure majeure du récit évangélique. Sans Judas pas de mort de Jésus-Christ en Croix et pas de Rédemption. Le geste de Judas, sa livraison de Jésus, sa trahison, traduira à tort Jérôme dans sa Vulgate dans une intention accusatoire qui nourrira deux mille ans d'antijudaïsme chrétien, reste un mystère. Les motivations de l'Iscaïot ne sont pas explicitées par Marc et Matthieu. Luc et Jean introduisent Satan dans l'intrigue évangélique. Jean invente l'avarice mais ne convainc pas. Pourquoi Jésus a-t-il laissé ce disciple agir ? Ne lui a-t-il même pas enjoint de le faire ? La fin de Judas, suicidé ou mort par accident, ayant survécu, reste incertaine. Les Ecritures autorisent bien des théories. Le cas Judas est une crux theologia. Face à ces apories, la littérature religieuse glose, celle profane invente un passé, une famille, des amours, un caractère au disciple égaré pour instruire son procès, à charge ou à décharge selon les auteurs. Hagiographié, sanctifié ou en Enfer pour l'éternité ? Judas le félon, le traître, le perfide ou Judas l'initié, le disciple le plus proche de Jésus, celui qui l'aimât tant qu'il fut le seul apôtre à assumer la fatale livraison ? Damné ou corédempteur ? L'analyse de 392 ouvrages littéraires montre combien le personnage fascine et reste mystérieux. Ce 2nd volume de l'ouvrage Judas Iscariot dans la littérature, analyse la littérature non française. Le 1er volume présente une analyse thématique de la littérature mondiale et une étude de la littérature française. Cet ouvrage constitue le Ve tome de l'Iconographie antisémite de la vie de Judas Iscariot, ouvrage qui comporte sept tomes.

Silence Shusaku Endo, 1996-05 Silence I regard as a masterpiece, a lucid and elegant drama. Irving Howe. -- The New York Review of Books

Representing Religion in Film Tenzan Eaghll, Rebekka King, 2022-06-30 This is the first full-length exploration of the relationship between religion, film, and ideology. It shows how religion is imagined, constructed, and interpreted in film and film criticism. The films analyzed include The Last Jedi, Terminator, Cloud Atlas, Darjeeling Limited, Hellboy, The Revenant, Religulous, and The Secret of my Success. Each chapter offers: - an explanation of the particular representation of religion

that appears in film - a discussion of how this representation has been interpreted in film criticism and religious studies scholarship - an in-depth study of a Hollywood or popular film to highlight the rhetorical, social, and political functions this representation accomplishes on the silver screen - a discussion about how such analysis might be applied to other films of a similar genre Written in an accessible style, and focusing on Hollywood and popular cinema, this book will be of interest to both movie lovers and experts alike.

Religion Extended Elena Kalmykova, 2025-04-01 Religion Extended contributes to discussions of aspects of religion that go beyond the epistemology of belief, incorporating other states such as understanding, emotion, knowledge of persons, knowledge-how, as well as practice. The author looks to bridge the gap in the study of religion between research of religious beliefs, on the one hand, and research of religious practices, on the other. She reconsiders key methodological concepts that traditional philosophy of religion and neighbouring disciplines (e.g. cognitive science of religion, psychology of religion, and theology) take for granted, such as “religious belief” and “religious faith”. The book offers a compelling and provocative reframing of these notions by drawing on cutting-edge developments in cognitive science, as well as insights from an Orthodox Christian perspective, which shed light on religion in important ways that tend to be neglected. Presenting a challenge to the received conceptual framework, this innovative and thought-provoking volume will advance discussions and open new areas of research.

Treasure in Earthen Vessels Ambrose Mong, 2025-01-28 Throughout history and literature, priests have been depicted as heroic figures battling evil and confronting moral dilemmas. These portrayals highlight their unwavering faith and commitment, even in the midst of personal sacrifices. In movies and novels priests are often portrayed as flawed characters struggling to fulfill their religious duties. These depictions aim to showcase priests as human beings with imperfections, navigating their own challenges while remaining faithful to their calling. The media has recently highlighted scandals involving Catholic priests, including cases of sexual and financial misconduct. These stories reveal the dark side of the institution, with attempts to cover up wrongdoing to protect the Church’s reputation. The danger is that misleading negative stereotypes of priests can come to dominate public consciousness. We need to find ways to acknowledge the dreadful seriousness of these acts while also recognizing the many priests who genuinely strive to fulfill their vocation and serve the people of God. This volume attempts to depict priests in both factual and fictional scenarios to convey the complexity of their roles as shepherds of the flock.

Evil: A Guide for the Perplexed Chad Meister, 2018-02-22 Evil: A Guide for the Perplexed is a lively examination of the philosophical and theological problems raised by the existence of widespread evil. It explores classic debates around this problem and also engages with more recent ones, from new challenges posed by scientific advances in evolutionary theory, neuroscience, and cosmology, to concerns of climate change and environmental degradation, to questions raised by

increasing religious and secular violence. This second edition also contains new chapters and topics such as Jewish, Christian, and Islamic responses to evil and skeptical theism. The result is an even-handed guide to both traditional and contemporary issues raised by the reality and ubiquity of evil.

Silence Shūsaku Endō, Martin Scorsese, 2016 Shusaku Endo's classic novel of enduring faith in dangerous times Silence I regard as a masterpiece, a lucid and elegant drama.--The New York Times Book Review Seventeenth-century Japan: Two Portuguese Jesuit priests travel to a country hostile to their religion, where feudal lords force the faithful to publicly renounce their beliefs. Eventually captured and forced to watch their Japanese Christian brothers lay down their lives for their faith, the priests bear witness to unimaginable cruelties that test their own beliefs. Shusaku Endo is one of the most celebrated and well-known Japanese fiction writers of the twentieth century, and Silence is widely considered to be his great masterpiece.

Silence Shūsaku Endō, 1969

These Liberties We Hold Sacred Carl Anderson, 2021-01-27 Early in this nation's history, America was populated by many different faith-based communities, each in search of a place to practice its religion. Initially, there was conflict, but by the time our Founding Fathers were ready to establish an independent nation, the idea of religious tolerance had become deeply ingrained in this brave new country's design. So much so that when the United States Constitution was ratified, it contained a document known as The Bill of Rights—ten amendments detailing the rights of this country's citizens. And the very First Amendment states, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. . . ." Here lies the foundation of the principle for the separation of state and religion. Over the past few decades, however, the power of the state has usurped a growing number of rights clearly ascribed to those who wish to practice their faith. This has certainly not gone unnoticed by many religious organizations. As the supreme knight of the Knights of Columbus, Carl Anderson has taken an active role in highlighting—and protecting against—this ever-growing governmental infringement over fundamental religious freedom. Here in his latest book, *These Liberties We Hold Sacred*, New York Times best-selling author Carl Anderson has gathered together many of his most thought-provoking speeches, articles, and essays that lay bare the facts of this unjustified restriction of religious beliefs. The power of his words makes it clear that if nothing is done now, there will continue to be more erosion of these special freedoms set forth by our Founding Fathers. Carl Anderson has a gift for writing eloquently, understandably, and directly. His book *These Liberties We Hold Sacred* is a call to action to first understand what is happening to our religious and personal freedoms and then do all we can to hold on to these precious rights before more of them slip away.

Japanese Language and Literature ,2004

Sight and Sound ,2007

The Samurai Shūsaku Endō,1997 Considered one of the late Shusaku Endo's finest works, THE SAMURAI seamlessly combines historical fact with a novelist's imaginings. Set in the period preceding the Christian persecutions in Japan recorded so memorably in Endo's SILENCE, this book traces the steps of some of the first Japanese to set foot on European soil.

Deep River Shūsaku Endō,1994 Offers a religious vision combining Christian faith with Buddhist acceptance in the story of a group of Japanese tourists who converge at the Ganges River in India.

Approaching Silence Darren J. N. Middleton,Mark W. Dennis,2020 Shusaku Endo is celebrated as one of Japan's great modern novelists and is often described as Japan's Graham Greene. Silence is considered by many Japanese and Western literary critics to be his masterpiece. Approaching Silence is both a celebration of this award-winning novel as well as a significant contribution to the growing body of work on literature and religion. It features eminent scholars writing from Christian, Buddhist, literary, and historical perspectives, taking up, for example, the uneasy alliance between faith and doubt; the complexities of discipleship and martyrdom; the face of Christ; and, the bodhisattva ideal as well as the nature of suffering. It also frames Silence through a wider lens, comparing it to Endo's other works as well as to the fiction of other authors. Approaching Silence promises to deepen academic appreciation for Endo, within and beyond the West--
