Elizabeth Holden

Something More Jackie Khalilieh, 2023-06-06 A contemporary teen romance novel featuring a Palestinian-Canadian girl trying to hide her autism diagnosis while navigating her first year of high school, for fans of Jenny Han and Samira Ahmed. Fifteen-year-old Jessie, a quirky loner obsessed with the nineties, is diagnosed as autistic just weeks before starting high school. Determined to make a fresh start and keep her diagnosis a secret, Jessie creates a list of goals that range from acquiring two distinct eyebrows to getting a magical first kiss and landing a spot in the school play. Within the halls of Holy Trinity High, she finds a world where things are no longer black and white and quickly learns that living in color is much more fun. But Jessie gets more than she bargained for when two very different boys steal her heart, forcing her to go off-script.

You Started It Jackie Khalilieh, 2025-05-20 Better Than the Movies meets Olivia Rodrigo's *Sour* in a new YA romance novel from *Something More* author, Jackie Khalilieh. Seventeen-year-old Jamie Taher-Foster has big plans for senior year. She's made a list of things and places in Toronto she and her boyfriend of three years, Ben Cameron, need to check off before graduating. And the biggest plan of all: a very special night for the two of them at the upcoming Winter Formal. But then Ben arrives back home after a summer away with an unthinkable announcement: he wants to break up. And when Jamie discovers him with Olivia Chen the next day, she is determined to get him back. Even if that means fake dating the younger, curly-haired, TikTok dancer Axel Dahini, whose bicycle she accidentally ran over. Though she and Axel have nothing in common aside from their shared Arab heritage — she's a messy, type A with anxiety; he's carefree but meticulous — their forced time together brings them to better understand one another. And for Jamie, it just might mean learning that not all experiences or people need to be crossed off a list. *You Started It* is honest, wise, and wholeheartedly romantic, starring a cast of endearingly flawed characters who feel like real friends. A total delight. —Becky Albertalli, New York Times bestselling author of *Simon vs the Homo Sapiens Agenda* “A true joy to read. Earnest and effortlessly charming, *You Started It* embodies everything I adore about YA rom-coms. Jackie Khalilieh has such a talent for writing nuanced characters you can't help but laugh with, cry with, and root for.” —Ann Liang, New York Times bestselling author of *I Hope This Doesn't Find You*

Everything Comes Back to You Jackie Khalilieh, 2026-08-04 Lennon has always tried to live up to her Palestinian Canadian father's exacting standards, even if her older sister hasn't, but when a crush on an older white boy develops into something more, she must find the strength to balance her own desires against her father's expectations. *I Am Not Your Perfect Mexican Daughter* meets *The Sun Is Also a Star* in this new YA novel. Lennon is excited and apprehensive about starting high school, where her older sister is going to be a senior. Then her sister drops a bombshell: she is pregnant. Her Palestinian Canadian parents are devastated, and Lennon finds herself under even more pressure to be a good girl" – a role autistic Lennon has always played well. But after a chance encounter with John, a white boy in the grade above, Lennon finds herself nursing a crush on someone her parents would definitely not approve of—which only seems to intrigue her more. As Lennon and John are drawn together and pulled apart throughout her four years of high school, Lennon wrestles with feelings of shame and yearning, obedience and rebellion through the lens of her autism, trying to both please her parents and herself. When a relationship with a different boy challenges her notions of family and happiness, her way forward becomes clear, even if it might mean losing everything and everyone she loves.

Unfortunately, even if she had time to meet someone, the online dating world is full of dead ends. That is, until she meets Daniel Smoot, a man ready to settle down on her timeline. Unfortunately, in order to reel him in, Angie may have told him a little white lie: that she, who is afraid of heights, is very into extreme sports. Remington James the Third has his own set of problems, and finding a woman is not one. He's in town to convince Angie's parents to sell their land to his family's development company. In order to get on their good side, he takes a job at the farm and volunteers to help Angie snag Smoot by training her in extreme sports and the intricate art of seduction. What he doesn't plan on is falling for the woman whose life he's been ordered to uproot.
