The Ornithologist's Field Guide to Love India Holton, 2024-07-23 INSTANT USA TODAY BESTSELLER! So riotously clever it almost defies description...an alchemy of romantic elements held in perfect harmony.—NPR Rival ornithologists hunt through England for a rare magical bird in this historical-fantasy rom-com reminiscent of Indiana Jones but with manners, tea, and helicopter parasols. Beth Pickering is on the verge of finally capturing the rare deathwhistler bird when Professor Devon Lockley swoops in, stealing both her bird and her imagination like a villain. Albeit a handsome and charming villain, but that's beside the point. As someone highly educated in the ruthless discipline of ornithology, Beth knows trouble when she sees it, and she is determined to keep her distance from Devon. For his part, Devon has never been more smitten than

when he first set eyes on Professor Beth Pickering. She's so pretty, so polite, so capable of bringing down a fiery, deadly bird using only her wits. In other words, an angel. Devon understands he must not get close to her, however, since they're professional rivals. When a competition to become Birder of the Year by capturing an endangered caladrius bird is announced, Beth and Devon are forced to team up to have any chance of winning. Now keeping their distance becomes a question of one bed or two. But they must take the risk, because fowl play is afoot, and they can't trust anyone else—for all may be fair in love and war, but this is ornithology.

The Geographer's Map to Romance India Holton, 2025-04-08 Geography professors in a failed marriage of convenience inconveniently reconnect for an emergency mission in this swoony historical-fantasy rom-com. Professor Elodie Tarrant is an expert in magic disasters. Nothing fazes her—except her own personal disaster, that is: Professor Gabriel Tarrant, the grumpy, unfriendly man she married for convenience a year ago, whom she secretly loves. Gabriel is also an expert in magic disasters. And nothing fazes him either—except the walking, talking tornado that is his wife. They've been estranged since shortly after their wedding day, but that hasn't stopped him from stoically pining for her. When magic erupts in a small Welsh village, threatening catastrophe for the rest of Britain, Elodie and Gabriel are accidentally both assigned to the case. With the fate of the country in their hands, they must come together as a team in the face of perilous conditions like explosions, domesticated goats, and only one bed. But this is easier said than done. After all, there's no navigational guide for the geography of the heart.

The Story of Secret Service Richard Wilmer Rowan,1937

Treason in the Blood Anthony Cave Brown,1994 Kim Philby has been called one of the most remarkable double-agents to have been exposed in our time. Harry St. John Bridger Philby, Kim Philby's father and mentor, was one of the most intriguing intellectuals and adventurers of our time, a manipulator who played a key role in establishing the modern Middle East. In this dual biography, Anthony Cave Brown, tells the extraordinary story of two men whose lives were directly opposed to the establishment into which they were born and for which they were bred. St. John, the brilliant Arabist, became a Moslem and political adviser to King Ibn Saud. He was the middleman in the U.S. acquisition of the Saudi oil concession, called by the State Department the greatest commercial prize in the history of the planet. And as St. John turned to Mecca, Kim turned to the Kremlin, serving as a secret agent against the Anglo-American intelligence services for fifty-three years.
