Businesses Don't Fail They Commit Suicide Larry Mandelberg, 2023-04-19 Symptoms that Your Business May be About to Commit Suicide... Do constant disruptions and distractions make you feel like the business is managing you rather than you're managing the business? Do the Board and senior managers disagree on major decisions? Is one department or department head the source of most problems? Is conflict within the leadership team undermining staff morale? If your business is suffering from any of the above problems then it's time to do something about it. No business ever failed because they ran out of money. Most businesses fail because their success brings unfamiliar problems that leaders and managers do not know how to solve. Running out of money is simply a lagging indicator of prior bad decisions and a failure to anticipate change. This book shows you how to anticipate change, manage internal conflict, and leverage it to your advantage. With real-life stories that explore common situations, angst, and humor in ways that are understandable and insightful, Mandelberg delivers: The problems that come with success and how to manage them The infallible crystal ball that lets you see change coming before it's too late Eight operational must-haves and how your organization ranks Exiting the 'whack-a-mole' cycle with problems that don't get fixed Turning change done unto you into change done unto others, and of course, Why businesses fail Based on over 40 years of experience and interviews with over 250 business leaders, Mandelberg explains how to avoid failure and build a strong, successful business that lasts. Finding the One: A River Rain Novel Kristen Ashley, 2025-09-09 Their parents being family friends, American/English aristocrat, Blake Sharp, and Scottish playboy Alasdair Wallace were thrust together all through their childhoods. Blake

thought Dair was a filthy, obnoxious, little boy bully. Dair thought Blake was a spoiled, prissy wee miss. Then Blake grew up to be a beautiful, loving woman who took care of everyone and made amazing pistachio muffins. And Dair grew up to be a protective, fun-loving, hard-living professional rugby player. In the meantime, they'd both been deeply betrayed by lovers. When their paths cross again, Blake is still reeling from her fiancé's treachery and what she learned about herself during it. Dair thinks he's recovered from a marriage to a woman who was not at all what she seemed, and now he's smitten by the woman Blake has become. So smitten, he has every intention of exploring what they can grow to be together. But their combined family history is filled with secrets and lies. Secrets and lies that explode in their faces. And while they deal with that, ghosts from the past rise up and threaten to haunt their future. Is what they built together strong enough to hold true? Or will their personal demons tear them apart? Reviews for *Finding the One*: "Love Blake and Dair together. Lots of explosive chemistry. Terrific dialogue and plot. Of course it was great seeing other characters from earlier novels too." ~ 5 Stars, May, Netgalley Reviewer "... A fast paced, complex, exquisitely written book. I fell hook, line and sinker for characters and storyline. Their story made me do a re-read of the whole series. I recommend the book and the series, 5+ stars." ~ 5 stars, KD, Netgalley Reviewer "I was actually crying in parts of this book, thank you KA for making me feel feelings. River Mumma Zalika Reid-Benta, 2023-08-22 Wholly original, remarkably crafted, and unmatched in voice. I loved this book!"—Cherie Dimaline, bestselling author of *VenCo* and *Empire of Wild* Issa Rae's *Insecure* with a magical realist spin: *River Mumma* is an exhilarating contemporary fantasy novel about a young Black woman who navigates her quarter-life-crisis while embarking on a mythical quest through the streets of Toronto. Alicia has been out of grad school for months. She has no career prospects and lives with her mom, who won't stop texting her macabre news stories and reminders to pick up items from the grocery store. Then, one evening, the Jamaican water deity, River Mumma, appears to Alicia, telling her that she has twenty-four hours to scour the city for her missing comb. Alicia doesn't understand why River Mumma would choose her. She can't remember all the legends her relatives told her, unlike her retail co-worker Heaven, who can reel off Jamaican folklore by heart. She doesn't know if her childhood visions have returned, or why she feels a strange connection to her other co-worker Mars. But when the trio are chased down by malevolent spirits called duppies, they realize their tenuous bonds to each other may be their only lifelines. With the clock ticking, Alicia's quest through the city broadens into a journey through time—to find herself and what the river carries. *River Mumma* is a powerful portrayal of diasporic identities and a vital examination into ancestral ties. It is a homage to Jamaican storytelling by one of the most invigorating voices in Canadian literature.
