Getting into the Vortex Esther Hicks, Jerry Hicks, 2020-07-21 Now available with a free audio download, Getting into the Vortex by Esther and Jerry Hicks will change readers' lives by teaching them how to align themselves with the Source that exists within all of us. Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused on our physical bodies and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy-and that every aspect of our physical experience reflects our alignment with or resistance to, that Connection. Everything-from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience-is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right

now . . . and that tool is included with the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: General Well-Being, Financial Well-Being, Physical Well-Being, and Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its-kind, musically scored, breath-enhancing, a user-friendly tool from Abraham that will get you into the Vortex.

Ask and it is given (Translated) Neville Goddard, 2021-11-03 The purpose of this book is to indicate man's possibilities, to show that man can change his future; but, although modified, it again forms a deterministic sequence beginning at the point

of interference-a future consistent with modification. The most important feature of man's future is flexibility. The future, though predetermined in advance in every detail, has many developments. At every moment of our lives we have before us the choice as to which of the many futures we will have.
